FORM MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2020

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Shri Krishna Devcon Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Shri Krishna Devcon Limited** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

1. I have examined the books, papers, minute books, forms and returns filed and other records maintained by "the Company" for the financial year ended on 31st March, 2020 according to the provisions of:
 - i. The Companies Act, 2013 (the Act) and the rules made thereunder;
 - ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
 - iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
 - iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
 - v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - c. Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015
 - vi. Provisions of the following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (SEBI Act) were not applicable to the Company during the financial year:
 - a. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - b. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - c. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - d. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; and
 - f. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

2. I have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards issued by the Institute of Company Secretaries of India.

During the period under review the Company has complied with the all material provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test – check basis, the Company has complied with the following laws applicable specifically to the Company:

1. Transfer of Property Act, 1882;
2. The Building and other Construction Workers'(Regulation of Employment and Conditions of Service) Act, 1996;

REPORT ON CORPORATE GOVERNANCE**(Pursuant to SEBI (LISTING OBLIGATION AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015)****1. Company's Philosophy on Code of Governance:**

Corporate Governance is an ethically driven business process that is committed to values and conduct aimed at enhancing an organization's wealth generating capacity. This is ensured by taking ethical business decisions and conducting the business with a firm commitment to values, while meeting stakeholders' expectations. The Company's philosophy on Corporate Governance has been developed with a tradition of fair and transparent governance even before they were mandated by the legislation. Transparency, integrity, professionalism and accountability - based values form the basis of the Company's philosophy for Corporate Governance. The Company believes that good Corporate Governance is a continuous process and strives to improve the Corporate Governance practices to meet shareholder's expectations. Your company has fulfilled all the existing guidelines under Clause 17 to 27 and clauses (b) to (i) of sub-regulation (2) of regulation 46 and Para C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Our philosophy on Corporate Governance begins with our Board of Directors.

- Half of the Board of Directors comprises of Independent Directors.
- A Non- Executive Director chairs the Audit Committee.
- One Member of Board comprises of Woman Director.
- The Board has established terms of reference for its operation and the operation of Audit Committee in line with regulation 18 of the SEBI (LODR) Regulations, 2015 and section 177 of the Companies Act, 2013 and Rules made hereunder.

In compliance with the disclosure requirements of regulation 17(1) read with Schedule V of SEBI (LODR) Regulations, 2015, the details are set out as under:

2. Board of Directors**A. Composition and Category of Directors**

As on 31st March 2020, the Board of Directors of the Company consists of eight directors, four of whom are non-executive independent directors and thus making the 50% of the Board members as independent. The Company has one Executive Director in the Board as Managing Director and three other non- executive directors, one of whom is a woman director and who all are not independent. According to Regulation 17, if the chairman is Executive, at least 50% of the Board should consist of non-executive, independent directors. This provision is adequately met at Shri Krishna Devcon Limited. There are four non-executive independent directors as defined by regulation 17(1) which ensures a good blend of executive and independent directors and achieves the desired level of independence of the Board.

Management Discussion and Analysis

Economy Scenario:

COVID-19 has triggered the deepest global recession in decades, has delivered an enormous global shock, leading to steep recessions in many countries. While the ultimate outcome is still uncertain, the pandemic will result in contractions across the vast majority of emerging market and developing economies. It will also do lasting damage to labor productivity and potential output. The immediate policy priorities are to alleviate the human costs and attenuate the near-term economic losses. Once the crisis abates, it will be necessary to reaffirm a credible commitment to sustainable policies and undertake the reforms necessary to buttress long-term prospects. Global coordination and cooperation will be critical. The baseline forecast envisions a 5.2 percent contraction in global GDP in 2020—the deepest global recession in decades. Per capita incomes in most emerging and developing economies will shrink this year. The pandemic highlights the urgent need for policy action to cushion its consequences, protect vulnerable populations, and improve countries' capacity to cope with similar future events. It is also critical to address the challenges posed by informality and limited safety nets and undertake reforms that enable strong and sustainable growth. (source: <https://www.worldbank.org>)

Industry Structure and Development:

While the adverse effects of the pandemic is already being felt across the world, varying opinions are emerging with regards to Covid-19's impact on real estate, a health emergency that has force launched the biggest ever work from home experiment globally, putting a question mark on the relevance of workspaces in a post-Coronavirus world. Amid countries applying extreme measures to contain the Coronavirus outbreak, businesses have come to a grinding halt across the world, forcing monetary agencies to slash growth forecasts for the global economy, India included. Projections by the International Monetary Fund (IMF) say India is headed towards historic contraction of 4.5% in FY21 as severe fallout of the pandemic. (source: <https://housing.com>)

While the adverse effects of the pandemic is already being felt across the world, varying opinions are emerging on COVID-19's impact on real estate, a health emergency that has force-launched the biggest ever work-from-home experiment globally, putting a question mark on the relevance of workspaces in a post-Coronavirus world. India, where the economic growth is already set to slow down to a record 11-year-low, a prolonged lockdown— which started from March 25, 2020 and was eventually extended till June 7, 2020, amid a dramatic rise in the number of infections — worsened the situation in Asia's third-largest economy. As on June 27, over 5 lakh Coronavirus infections were reported in India. (source: <https://housing.com>)

As is evident, research agencies are predicting a near-term halt in growth of real estate in India. PropTiger.com data show housing sales in India's nine major cities declined by 26% in the period between January-March 2020. The demand slowdown in the residential segment has already curtailed housing sales, project launches and price growth in India's residential realty sector, which has been reeling under the pressure caused by mega regulatory changes caused by the Real Estate Regulatory Authority (RERA), the Goods and

Services Tax (GST), demonetisation and the benami property law. (source: <https://housing.com>)

Government Initiatives:

- The Prime Minister of India, Mr. Narendra Modi announced various economic packages, having a cumulative worth of around Rs 20 lakh Crore (US\$ 283.73 billion) and being almost 10 per cent of India's GDP.
- Pradhan Mantri Garib Kalyan Package (PMGK) was introduced in April 2020 to provide relief to underprivileged and help them fight the battle against COVID-19. The budget allocated to the scheme was Rs 1.70 lakh Crore (US\$ 24.12 billion).
- India is expected to attract investment of around US\$ 100 billion in developing the oil and gas infrastructure during 2019-23.
- The Government of India is going to increase public health spending to 2.5 per cent of the GDP by 2025.

Opportunities & Threats:

The health emergency that has force launched the biggest ever work from home experiment globally, putting a question mark on the relevance of workspaces in a post-Corona virus world. Lack of work due to COVID-19 has led to a reverse exodus of labourers. For an already-stressed realty sector, multiple measures are needed to turn the tide and restore normalcy. In the best of times, hiring labour for the realty and construction industries is challenging. Now, the nationwide lockdown due to the COVID-19 pandemic has created an unprecedented predicament. Since millions of workers have migrated to their hometowns due to lack of work, employers are dreading a nightmare scenario. Even when the lockdown is lifted, kick-starting operations will be extremely difficult for almost all sectors. While delayed projects in the pre-RERA era did not affect developers so adversely, this is no longer true. Developers can now be penalised and even put behind bars for inordinate delays. Of course, RERA does provide promoters with a one-year extension in completing projects if the delay is because of events beyond their control.

The current lockdown owing to the corona virus crisis has hugely impacted the world economy as well as a majority of sectors across the globe, including real estate. However, there lies an opportunity in every

crisis, and Covid-19 looks no different. The who were previously in no mood to purchase a piece of property but have now changed their decision during the lockdown period, unlike before many respondents seeking property from investment perspective prefer ready-to-move-in (RTM) homes.

Segment Wise Performance:

At present, the Company is engaged in the business of real estate development and there is no separate reportable segment.

Outlook:

This year presents unique challenges for India's residential market. The implied real GDP growth of 5 per cent for FY 2019-20 in the second advance estimates of the National Statistics Office, is now at risk from the pandemic's impact on the economy. The government has introduced several short-term relief measures to uplift the Indian economy from the immediate impact of the lockdown.

In India, the impact of the ongoing pandemic on business activities became more prominent since the beginning of March 2020. Even though new project launches came to a standstill in March, Q1 2020 witnessed a rise of 3% in new launches as compared to the same period last year. The homebuyer community deferred their purchase decisions in light of the

impending crises, which led to sales dipping by nearly 30% in Q1 2020 on a y-o-y basis.

Internal Control Systems and their Adequacy:

The Company has a comprehensive Internal Financial Control system commensurate with the size, scale and complexity of its operations. Your Company lays great importance on internal control systems across the organization. The Company has adequate system of internal control which helps the management to review the effectiveness of financial and operating control as well as to ensure that all the assets are safeguarded and more productive. The system encompasses the major processes to ensure reliability of financial reporting, compliance with policies, procedures, laws, and regulations, safeguarding of assets and economical and efficient use of resources. We have a qualified and independent Audit Committee which comprises of our Board of Directors. The Audit Committee reviews the adequacy and efficiency of internal controls and recommends any improvements or corrections. These internal controls ensure efficiency in operations, compliance with internal policies of the Company,

Key Financial Ratios:

In the key financial ratios for the Financial Year ended 31st March, 2020, viz., the Debtors Turnover ratio, Inventory Turnover ratio, Interest Coverage ratio, Current ratio, Debt Equity ratio and Operating Profit margin, there were no significant changes (i.e., change of 25% or more) as compared to the immediately preceding Financial Year ended 31st March, 2019.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of Shri Krishna Devcon Limited,
Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of Shri Krishna Devcon Limited (“the Company”), which comprise the Balance sheet as at March 31, 2020, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its profit including other comprehensive income its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the ‘Auditor’s Responsibilities for the Audit of the Standalone Ind AS Financial Statements’ section of our report. We are independent of the Company in accordance with the ‘Code of Ethics’ issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Revenue recognition - refer note 2.5 (i) to the standalone financial statements

Key Audit Matters	How the matter was addressed in our audit
Measurement of revenue recorded from sale of residential units and commercial units	Our audit procedures on revenue recognition included the following:
Revenue from real-estate contracts is recognised over a period of time in accordance with the requirements of the Ind AS 115 using the percentage of completion method. This determination is based on the proportion that contract costs actually incurred, bear to the estimated total contract costs, and requires significant judgments, including identification of contractual obligations, the Company’s rights to receive payments for performance completed till date, changes in scope and consequential revised contract price.	<ul style="list-style-type: none"> • We read the accounting policy for revenue recognition of the Company and assessed compliance with the requirements of Ind AS 115. • We assessed the management evaluation of recognizing revenue from real estate contracts over a period of time in accordance with the requirements under Ind AS 115. • We tested controls over revenue recognition with specific focus on determination of progress of completion, recording of costs incurred and estimation of costs to complete the remaining contract obligations
Revenue recognition is significant to the financial statements based on the quantitative materiality. The adoption of Ind AS 115, including the impact to retained earnings as at the transition date as per the modified retrospective method requires significant judgment in determining when ‘control’ of the asset underlying the performance obligation is transferred to the customer. Further, the application of percentage of completion method involves significant judgment as explained above. Accordingly, we regard these as key audit matter	<ul style="list-style-type: none"> • We inspected a sample of underlying customer contracts, performed retrospective assessment of costs incurred with estimated costs to identify significant variations and assess whether those variations have been considered in estimating the remaining costs-to-complete and consequential determination of stage of completion. • We tested controls and management processes pertaining to transfer of control in case of real estate projects. • We performed test of details, on a sample basis, and inspected the underlying customer contracts/ agreements evidencing the transfer of control of the asset to the customer based on which revenue is recognised over a period of time

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rule, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may

reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order'), issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT OF SHRI KRISHNA DEVCON LIMITED FOR THE YEAR ENDED 31ST MARCH, 2020.**(Refer to in our report of even date)****Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the Act.**

We have audited the internal financial controls over financial reporting of Shri Krishna Devcon Limited (“the Company”) as of 31 March, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s responsibility for internal financial controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act 2013 (“the Act”).

Auditor’s responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company’s internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by Institute of Chartered Accountants of India.

Notes forming part of the Standalone Financial Statements for the year ended March 31, 2020

Note	Particulars	2.3 Use of Estimates
1	<p>Corporate information</p> <p>Shri Krishna Devcon Limited ('the Company or 'SKDL') is a real estate developer engaged in the business of construction, development of townships, housing projects, commercial premises and other related activities. The Company is a public limited company incorporated and domiciled in India and has its registered office at Mumbai, Maharashtra, India. Its shares are listed on Bombay Stock Exchange (BSE).</p>	<p>The preparation of the financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities), income and expenses and accompanying disclosures at the reporting date. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.</p> <p>Estimates and underlying assumptions are reviewed at each reporting date. Any revision to accounting estimates and assumptions are recognised prospectively i.e. recognised in the period in which the estimate is revised and future periods affected.</p> <p>Significant accounting judgments, estimates and assumptions used by management are as below:</p> <ul style="list-style-type: none"> i) Useful lives Property Plant and Equipment. ii) Computation of percentage completion for projects in progress, project cost, revenue and saleable area estimates. iii) Fair value measurements.
2	<p>Significant accounting policies</p>	
2.1	<p>Basis of Preparation</p> <p>The standalone financial statements ('financial statements') of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the standalone financial statements</p> <p>The standalone financial statements have been prepared on a going concern basis in accordance with accounting principles generally accepted in India. Further, the standalone financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities which are measured at fair values as explained in relevant accounting policies.</p> <p>The financial statements are presented in Rupees, except when otherwise indicated.</p>	2.4 Fair Value Measurements
2.2	<p>Current and non-current classification</p> <p>The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:</p> <ul style="list-style-type: none"> >Expected to be realized or intended to be sold or consumed in normal operating cycle, >Held primarily for the purpose of trading, >Expected to be realized within twelve months after the reporting period, or >Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. <p>All other assets are classified as non-current.</p> <p>A liability is current when:</p> <ul style="list-style-type: none"> >It is expected to be settled in normal operating cycle. >It is held primarily for the purpose of trading. >It is due to be settled within twelve months after the reporting period, or >There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. <p>The Company classifies all other liabilities as non-current.</p> <p>Deferred tax assets and liabilities are classified as non-current assets and liabilities.</p> <p>The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents.</p>	<p>Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Normally at initial recognition, the transaction price is the best evidence of fair value.</p> <p>However, when the company determines that transaction price does not represent the fair value, it uses inter-alia valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.</p> <p>All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy. This categorization is based on the lowest level input that is significant to the fair value measurement as a whole:</p> <p>Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;</p> <p>Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and</p> <p>Level 3 inputs are unobservable inputs for the asset or liability</p> <p>Financial assets and financial liabilities that are recognised at fair value on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period.</p>

Notes forming part of the Standalone Financial Statements for the year ended March 31, 2020

2.5 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. The Company recognizes revenue when the amount of revenue can be reliably measured and it is reasonably certain that the ultimate collection will be made and no significant uncertainty exists regarding the amount of considerations. The revenue recognition policy is as under:

i) Revenue from real estate development:

Revenue is recognised upon transfer of control of real estate units to customers, in an amount that reflects the consideration the Company expects to receive in exchange for those real estate units. The Company determines the performance obligations associated with the contract with customers at contract inception and also determine whether they satisfy the performance obligation over time or at a point in time. the company recognize revenue over time if one of the following criteria is met:

- a) The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs; or
 - b) The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
 - c) The Company's performance does not create an asset with an alternative use to the Company and the entity has an enforceable right to payment for performance completed to date.
- The company fulfills above third (c) criteria of performance obligation over time in the case of revenue from real estate units and accordingly recognizes revenue over time.

ii) Share in profit/ loss of partnership firms

Share of profit / loss from partnership firm is recognised based on the financial information provided and confirmed by the respective firms.

iii) Dividend Income

Revenue is recognised when the shareholders' or unit holders' right to receive payment is established, which is generally when shareholders approve the dividend.

iv) Interest Income

Interest income is recognised using the effective interest rate method

v) Other Income

Other Income is accounted on accrual basis except where the receipt of income is uncertain.

2.6 Property, Plant and Equipment

Property, plant and equipment are stated at their cost of acquisition on transition to Ind AS, the Company had elected to measure all of its property, plant and equipment at the previous GAAP carrying value (deemed cost).

Property, plant and equipment held for use in the construction or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment loss. Cost includes all expenses directly incidental to acquisition, bringing the asset to the location and installation including site restoration up to the time when the asset is

ready for intended use. Such Costs also include Borrowing Cost if the recognition criteria are met.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively.

Depreciation

Depreciation on Property, Plant & Equipment is provided on Straight Line Method based on estimated useful life of the assets which is same as envisaged in schedule II of the Companies Act, 2013. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate

De-recognition

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss

2.7 Inventories

(i) Trading Stock:

Trading Stock represents Plots of land and Flats for resale. Trading stock is valued at lower of cost and net realizable value. Cost includes cost of acquisition and other related cost on acquisition.

(ii) Work in progress:

Work in Progress (including land inventory) represents cost incurred in respect of unsold area of the real estate development projects or cost incurred on projects where the revenue is yet to be recognised. Works in Progress are valued at lower of cost and net realizable value. Cost includes cost of land/development rights, materials, construction, services, borrowing costs and other overheads relating to projects.

(iii) Finished Goods:

Finished Goods represents unsold units of completed projects. Finished Goods are valued at lower of cost and net realizable value. Cost is determined by including cost of land/development rights, materials, services and other related overheads.

Net realizable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs of necessary to make the sale.

2.8 Financial Assets

Initial Recognition and Measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortized cost.

Notes forming part of the Standalone Financial Statements for the year ended March 31, 2020

Subsequent Measurement

For purpose of subsequent measurement financial assets are classified in following broad categories:-

- (i) Financial assets at amortized cost
- (ii) Financial Assets at fair value through profit or loss
- (iii) Financial Assets at fair value through other comprehensive income (OCI)

i) 'A financial asset that meets the following two conditions is measured at amortized cost:

Business Model Test: The objective of the company's business model is to hold the financial asset to collect the contractual cash flows

Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

ii) 'All other financial assets are measured at fair value through profit and loss

Where assets are measured at fair value through profit of loss, gains and losses are recognized in the statement of profit and loss, or recognized in other comprehensive income

Where assets are measured at fair value through other comprehensive income, gains and losses are recognized in other comprehensive income

iii) 'A financial asset that meets the following two conditions is measured at fair value through OCI:-

- **Business Model Test:** The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.

- **Cash flow characteristics test:** The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

All equity investments are measured at fair value in the balance sheet, with value changes recognized in the statement of profit and loss, except for those equity investments for which the entity has elected irrevocable option to present value changes in OCI

Impairment of Financial Assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the need to provide for the same in the Statement of Profit and Loss.

Derecognition of financial assets

A financial asset is derecognized only when Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is

derecognized

2.9 Financial Liabilities

Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortized cost, using the effective interest method.

Subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

2.10 Cash & Cash Equivalents

Cash and cash equivalent in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

2.11 Employee benefits

Employee benefits include short term benefits like salaries and wages which are recognized as an expense in the statement of Profit and Loss of the year in which the related service is rendered.

2.12 Segment reporting

The Company has only one reportable segment i.e. Real Estate Development Business on the basis of nature of risks and returns and the internal organization and management structure of the Company.

2.13 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

Notes forming part of the Standalone Financial Statements for the year ended March 31, 2020

2.14 Borrowing Costs

Borrowing costs directly attributable to acquisition/ construction of qualifying assets (including real estate projects) are capitalized until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use/ sale. All other borrowing costs not eligible for inventorisation/ capitalization are charged to statement of profit and loss.

2.15 Foreign Currency Transactions

All transactions in foreign currency are recorded on the basis of the exchange rate prevailing as on the date of transaction. The difference, if any, on actual payment / realization is recorded to the Statement of Profit and Loss. Monetary assets and liabilities denominated in foreign currency are restated at rates prevailing at the year-end. The net loss or gain arising out of such conversion is dealt with in the Statement of Profit and Loss

2.16 Income Taxes

Provision for tax is made for the current accounting period (reporting period) on the basis of the taxable profits computed in accordance with the Income-tax Act, 1961 and the Income Computation and Disclosure Standards prescribed therein.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes

A deferred tax liability is recognised based on the expected manner of realization or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilized. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realized

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority

2.17 Provisions and contingencies

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

(iii) Fair Value hierarchy

The fair values of financial instruments have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The categories used are as follows:

Level 1: Quoted prices for identical instruments in an active market;

Level 2: Directly or indirectly observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data.

The following tables provides the fair value measurement hierarchy of the Company's financial assets

Note: 35 Financial risk management objectives and policies

The risk management policies of the Company are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed

regularly to reflect changes in market conditions and the Company's activities. The Management has overall responsibility for the establishment and oversight of the Company's risk management framework. In performing its operating, investing and financing activities, the Company is exposed to the Credit risk, Liquidity risk and Market risk.

Notes forming part of the Standalone Financial Statements for the year ended March 31, 2020

a) Credit risk

Credit risk is the risk of financial loss to the company if a customer or counter-party fails to meet its contractual obligations.

Trade Receivables

The Company's trade receivable does not have any expected credit risk as these receivables are related to sales of properties.

No Impairment is observed on the carrying value of trade receivables

Other financial assets

The company's maximum exposure to credit risk as at 31 March 2020 and 31 March 2019 is the carrying value of each class of financial assets.

b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The

Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. It maintains adequate sources of financing from related parties & other sources at an optimized cost.

The Company maximum exposure to liquidity risk for the components of the balance sheet at 31 March 2020 and 31 March 2019 is the carrying amounts. The liquidity risk is managed on the basis of expected maturity dates of the financial liabilities. The average credit period taken to settle trade payables is about 30 to 90 days. Borrowings from related parties is considered as payable on demand since there is no fixed repayment schedule although these related parties are always ready to assist to company in any adverse liquidity situations. The other payables are with short-term durations. The following table analysis financial liabilities by remaining contractual maturities:

Note: 38 In the opinion of Board, Current Assets, Loans & Advances are approximately at fair value which are stated in the Balance Sheet.

Note: 39 The figures of borrowings, trade receivable, Trade Payables and Loans & Advances are subject to confirmation and reconciliation, wherever required.

Note: 40 previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosure.

Note: 41 Impact due to outbreak of COVID-19

Due to the outbreak of Corona virus Disease (COVID-19), the Government of India declared lock-down on 23 March 2020 and the Company had to suspend the operations in all ongoing projects in compliance with the lockdown instructions issued by the Central and respective State Governments. This impacted the normal business operations of the Company by way of

interruption in projects execution, supply chain disruption and unavailability of personnel during the lock-down period.

The Company has considered the possible impacts on the carrying value of assets. The Company, as at the date of these financial results has used internal and external sources of information to assess the expected future performance of the Company. The Company expects that the carrying amount of these assets reported in the balance sheet as at 31 March 2020 are fully recoverable. The Company has also estimated the future cash flows with the possible effects that may result from the COVID-19 pandemic and does not foresee any adverse impact on realizing its assets and meeting its liabilities as and when they fall due. The actual impact of the COVID-19 pandemic may be different from that estimated as at the date of approval of these financial results.

The Central and State Governments have initiated steps to relax the lock-down restrictions and the Company is adhering to the same. The Company has resumed its operations. The Company will continue to closely observe the evolving scenario and take into account any future developments arising out of the same.

INDEPENDENT AUDITOR'S REPORT

**To,
The Members of Shri Krishna Devcon Limited,
Report on the Audit of the Consolidated Ind AS Financial Statements**

Opinion

We have audited the accompanying consolidated Ind AS financial statements of Shri Krishna Devcon Limited (hereinafter referred to as "the holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the group"), its associates ,comprising the Consolidated Balance sheet as at March 31, 2020, the Consolidated Statement of Profit and Loss, including the statement of Other Comprehensive Income, the consolidated Cash Flow Statement and the consolidated statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (together hereinafter referred to as " the consolidated Ind AS financial statements")

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements of the subsidiaries which were audited by the other auditors the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2020, its profit including other comprehensive income its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Revenue recognition - refer note 2.5 (i) to the Consolidated financial statements

Key Audit Matters	How the matter was addressed in our audit
Measurement of revenue recorded from sale of residential units and commercial units	Our audit procedures on revenue recognition included the following:
Revenue from real-estate contracts is recognised over a period of time in accordance with the requirements of the Ind AS 115 using the percentage of completion method. This determination is based on the proportion that contract costs actually incurred, bear to the estimated total contract costs, and requires significant judgments, including identification of contractual obligations, the Group's rights to receive payments for performance completed till date, changes in scope and consequential revised contract price.	<ul style="list-style-type: none"> • We read the accounting policy for revenue recognition of the Group and assessed compliance with the requirements of Ind AS 115. • We assessed the management evaluation of recognizing revenue from real estate contracts over a period of time in accordance with the requirements under Ind AS 115. • We tested controls over revenue recognition with specific focus on determination of progress of completion, recording of costs incurred and estimation of costs to complete the remaining contract obligations
Revenue recognition is significant to the financial statements based on the quantitative materiality. The adoption of Ind AS 115, including the impact to retained earnings as at the transition date as per the modified retrospective method requires significant judgment in determining when 'control' of the asset underlying the performance obligation is transferred to the customer. Further, the application of percentage of completion method involves significant judgment as explained above. Accordingly, we regard these as key audit matter	<ul style="list-style-type: none"> • We inspected a sample of underlying customer contracts, performed retrospective assessment of costs incurred with estimated costs to identify significant variations and assess whether those variations have been considered in estimating the remaining costs-to-complete and consequential determination of stage of completion. • We tested controls and management processes pertaining to transfer of control in case of real estate projects. • We performed test of details, on a sample basis, and inspected the underlying customer contracts/ agreements evidencing the transfer of control of the asset to the customer based on which revenue is recognized over a period of time.

Other Information

The Holding Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report, but does not include the consolidated Ind AS financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rule, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated Ind AS financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Group and of its subsidiary partnership firms is responsible for overseeing the financial reporting process of each subsidiary firm.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

(a) We did not audit the financial statements of one subsidiary included in the consolidated financial results, whose financial statements reflect total assets of Rs 309.50 lakhs as at March 31, 2020, total revenues as nil on that date as considered in the consolidated financial results. These financial statements and other financial information have been furnished to us by the management

Our opinion on the statement is not modified in respect of the above matters.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143 (3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief, were necessary for the purposes of our audit of the aforesaid consolidated financial statements;

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Company so far as it appears from our examination of those books;

(c) The consolidated balance sheet, the consolidated statement of profit and loss including other comprehensive income, the consolidated statement of cash flows and the consolidated statement of changes in equity dealt with by this report are in agreement with the books of account;

(d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act;

(e) On the basis of the written representations received from the directors of the Holding company as on 31 March 2020 taken on record by the Board of Directors of the Holding company, none of the directors is disqualified as on 31 March 2020 from being appointed as a director in terms of Section 164 (2) of the Act; and

(f) With respect to the adequacy of the internal financial controls with reference to the financial statements of the Holding company and its subsidiary and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

(g) In our opinion, the managerial remuneration for the year ended March 31, 2020 has been paid / provided by the Holding company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;

(h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies(Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. the Group has disclosed the impact of pending litigations as at 31 March 2020 on its financial position in its consolidated financial statements – Refer Note 30 to the consolidated financial statements;
- ii. the Group did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses;
- iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group during the year ended 31 March 2020.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT ON CONSOLIDATED IND-AS FINANCIAL STATEMENT OF SHRI KRISHNA DEVCON LIMITED FOR THE YEAR ENDED 31ST MARCH, 2020.**(Refer to in our report of even date)****Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the Act.****Opinion**

In conjunction with our audit of the consolidated Ind AS financial statements of Shri Krishna Devcon Limited as of and for the year ended March 31, 2020, we have audited the internal financial controls over financial reporting of Shri Krishna Devcon Limited, incorporated in India ("the Holding Company") and its subsidiary, a partnership firm incorporated in India (together referred to as "the Group") as of that date.

In our opinion, the Holding Company and its subsidiary, a partnership firm, have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31 March 2020, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's responsibility for internal financial controls

The respective Board of Directors of the Holding Company and its subsidiary firm, which are Company/Firm incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary Firm, which are Company/Firm incorporated in India, have, maintained in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our report under Section 143 (3)(I) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Holding Company, insofar as it relates to one subsidiary partnership firm, which are firm incorporated in India, is based on the corresponding representation of managing body of the firm.

Notes forming part of the Consolidated Financial Statements for the year ended March 31, 2020

Note	Particulars	
1	Corporate information Shri Krishna Devcon Limited ('the Company or 'SKDL') and its subsidiary, a partnership firm (together the "Group") and its associates (partnership firms) are real estate developers engaged in the business of construction, development of townships, housing projects, commercial premises and other related activities.	The preparation of the consolidated financial statements in conformity with Ind AS requires the Management to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities), income and expenses and accompanying disclosures. The Management believes that the estimates used in preparation of the consolidated financial statements are prudent and reasonable. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods. Estimates and underlying assumptions are reviewed at each reporting date. Any revision to accounting estimates and assumptions are recognised prospectively i.e. recognised in the period in which the estimate is revised and future periods affected.
2	Significant accounting policies	Significant accounting judgments, estimates and assumptions used by management are as below:
2.1	Basis of Preparation The consolidated financial statements ('financial statements') of the Group have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the consolidated financial statements. The consolidated financial statements have been prepared on a going concern basis in accordance with accounting principles generally accepted in India. Further, the consolidated financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities which are measured at fair values as explained in relevant accounting policies. The financial statements are presented in Rupees, except when otherwise indicated.	<ul style="list-style-type: none"> i) Useful lives Property Plant and Equipment. ii) Computation of percentage completion for projects in progress, project cost, revenue and saleable area estimates. iii) Fair value measurements.
2.2	Current and non-current classification The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is: > Expected to be realized or intended to be sold or consumed in normal operating cycle, > Held primarily for the purpose of trading, > Expected to be realized within twelve months after the reporting period, or > Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current. A liability is current when: > It is expected to be settled in normal operating cycle. > It is held primarily for the purpose of trading. > It is due to be settled within twelve months after the reporting period, or > There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. The Group classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.	2.4 Fair Value Measurements Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Normally at initial recognition, the transaction price is the best evidence of fair value. However, when the Group determines that transaction price does not represent the fair value, it uses inter-alia valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy. This categorization is based on the lowest level input that is significant to the fair value measurement as a whole: Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date; Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and Level 3 inputs are unobservable inputs for the asset or liability Financial assets and financial liabilities that are recognised at fair value on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period.
2.3	Use of Estimates	

Notes forming part of the Consolidated Financial Statements for the year ended March 31, 2020

2.5 Basis of Consolidation

The consolidated financial statements comprise of financial statements of the Shri Krishna Devcon Limited and it's subsidiary (a partnership firm) for which Group fulfills the criteria pursuant to Ind AS 110.

i) Subsidiary

Subsidiaries are entities controlled by the Company. Control exists if and only if all of the following conditions are satisfied –

- (a) has power over the investee,
- (b) it is exposed, or has rights, to variable returns from its involvement with the investee and
- (c) has the ability to affect those returns through its power over the investee.

The Company reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements listed above. In assessing control, potential voting rights that currently are exercisable are taken into account.

The financial statements of the subsidiaries are consolidated on a line-by-line basis and intra-group balances and transactions including unrealized gain / loss from such transactions are eliminated upon consolidation. The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances.

Non-controlling interests in the net assets of consolidated subsidiary are identified separately from the capital attributable to shareholders of the Company. The interest of non-controlling partners is initially measured at the non-controlling interests' proportionate share of the fair value of the acquiree's identifiable net assets. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity. Total comprehensive income is attributed to non-controlling interests even if it results in the non-controlling interest having a deficit balance.

ii) Associates

Associates are those entities in which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but not control or joint control those policies. Significant influence is presumed to exist when the Company holds between 20 to 50 percent of the voting power or profit sharing ratio of another entity. The results are incorporated in these Consolidated financial statements using the equity method of accounting as described below.

iii) Equity Method of Accounting

An interest in an associate is accounted for using the equity method from the date in which the investee becomes an associate and are recognized initially at cost. The Group's investment includes goodwill identified on acquisition, net of any accumulated impairment losses. The consolidated financial statements include the Group's share of profits or losses and equity movements of equity accounted investees, from the date that significant

influence or joint control commences until the date that significant influence ceases.

The details of subsidiaries and associates are as follows:

Name of partnership firms/ Entity	Percentage of Holding

2.6 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. The Group recognizes revenue when the amount of revenue can be reliably measured and it is reasonably certain that the ultimate collection will be made and no significant uncertainty exists regarding the amount of considerations. The revenue recognition policy is as under:

i) Revenue from real estate development:

Revenue is recognised upon transfer of control of real estate units to customers, in an amount that reflects the consideration the Group expects to receive in exchange for those real estate units. The Group determines the performance obligations associated with the contract with customers at contract inception and also determine whether they satisfy the performance obligation over time or at a point in time. the group recognise revenue over time if one of the following criteria is met:

- a) The customer simultaneously receives and consumes the benefits provided by the group performance as the group performs; or
 - b) The Group performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
 - c) The Group performance does not create an asset with an alternative use to the Group and the entity has an enforceable right to payment for performance completed to date.
- The group fulfills above third (c) criteria of performance obligation over time in the case of revenue from real estate units and accordingly recognizes revenue over time.

ii) Share in profit/ loss of partnership firms

Share of profit / loss from partnership firm is recognised based on the financial information provided and confirmed by the respective firms.

iii) Dividend Income

Revenue is recognised when the shareholders' or unit holders' right to receive payment is established, which is generally when shareholders approve the dividend.

Notes forming part of the Consolidated Financial Statements for the year ended March 31, 2020

iv) Interest Income

Interest income is recognised using the effective interest rate method

v) Other Income

Other Income is accounted on accrual basis except where the receipt of income is uncertain.

2.7 Property, Plant and Equipment

Property, plant and equipment are stated at their cost of acquisition on transition to Ind AS, the Group had elected to measure all of its property, plant and equipment at the previous GAAP carrying value (deemed cost).

Property, plant and equipment held for use in the construction or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment loss. Cost includes all expenses directly incidental to acquisition, bringing the asset to the location and installation including site restoration up to the time when the asset is ready for intended use. Such Costs also include Borrowing Cost if the recognition criteria are met.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively.

Depreciation

Depreciation on Property, Plant & Equipment is provided on Straight Line Method based on estimated useful life of the assets which is same as envisaged in schedule II of the Companies Act, 2013. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate

De-recognition

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss

2.8 Inventories

(i) Trading Stock:

Trading Stock represents Plots of land and Flats for resale. Trading stock are valued at lower of cost and net realisable value. Cost includes cost of acquisition and other related cost on acquisition.

(ii) Work in progress:

Work in Progress (including land inventory) represents cost incurred in respect of unsold area of the real estate development projects or cost incurred on projects where the revenue is yet to be recognised. Work in Progress are valued at lower of cost and net realisable value. Cost includes cost of land/development rights, materials, construction, services, borrowing costs and other overheads relating to projects.

(iii) Finished Goods:

Finished Goods represents unsold units of completed projects. Finished Goods are valued at

lower of cost and net realisable value. Cost is determined by including cost of land/development rights, materials, services and other related overheads.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs of necessary to make the sale.

2.9 Financial Assets

Initial Recognition and Measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortized cost.

Subsequent Measurement

For purpose of subsequent measurement financial assets are classified in following broad categories:-

(i) Financial assets at amortized cost

(ii) Financial Assets at fair value through profit or loss

(iii) Financial Assets at fair value through other comprehensive income (OCI)

i) A financial asset that meets the following two conditions is measured at amortized cost:

Business Model Test: The objective of the Group business model is to hold the financial asset to collect the contractual cash flows

Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

ii) 'All other financial assets are measured at fair value through profit and loss

Where assets are measured at fair value through profit of loss, gains and losses are recognized in the statement of profit and loss, or recognized in other comprehensive income

Where assets are measured at fair value through other comprehensive income, gains and losses are recognized in other comprehensive income

iii) 'A financial asset that meets the following two conditions is measured at fair value through OCI:-

- **Business Model Test:** The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.

- **Cash flow characteristics test:** The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

All equity investments are measured at fair value in the balance sheet, with value changes recognized in the statement of profit and loss, except for those equity investments for which the entity has elected irrevocable option to present value changes in OCI

Notes forming part of the Consolidated Financial Statements for the year ended March 31, 2020

Impairment of Financial Assets

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the need to provide for the same in the Statement of Profit and Loss.

Derecognition of financial assets

A financial asset is derecognized only when Group has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized.

2.10 Financial Liabilities

Initial recognition and measurement

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortized cost, using the effective interest method.

Subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the EIR method. Financial liabilities carried at fair value through profit or losses are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

2.11 Cash & Cash Equivalents

Cash and cash equivalent in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

2.12 Employee benefits

Employee benefits include short term benefits like salaries and wages which are recognized as an expense in the statement of Profit and Loss of the year in which the related service is rendered.

2.13 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

2.14 Borrowing Costs

Borrowing costs directly attributable to acquisition/ construction of qualifying assets (including real estate projects) are capitalised until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use/ sale. All other borrowing costs not eligible for inventorisation/ capitalisation are charged to statement of profit and loss.

2.15 Foreign Currency Transactions

All transactions in foreign currency are recorded on the basis of the exchange rate prevailing as on the date of transaction. The difference, if any, on actual payment / realisation is recorded to the Statement of Profit and Loss. Monetary assets and liabilities denominated in foreign currency are restated at rates prevailing at the year-end. The net loss or gain arising out of such conversion is dealt with in the Statement of Profit and Loss

2.16 Income Taxes

Provision for tax is made for the current accounting period (reporting period) on the basis of the taxable profits computed in accordance with the Income-tax Act, 1961 and the Income Computation and Disclosure Standards prescribed therein.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realized.

SHRI KRISHNA DEVCON LIMITED

Notes forming part of the Consolidated Financial Statements for the year ended March 31, 2020

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority

2.17 Provisions and contingencies

The Group creates a provision when there is

present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

(iii) Fair Value hierarchy

The fair values of financial instruments have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The categories used are as follows:

Level 1: Quoted prices for identical instruments in an active market;

Level 2: Directly or indirectly observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data.

The following tables provides the fair value measurement hierarchy of the Company's financial assets

Note: 35 Financial risk management objectives and policies

The risk management policies of the Group are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed

regularly to reflect changes in market conditions and the Group's activities. The Management of parent company has overall responsibility for the establishment and oversight of the Group's risk management framework. In performing its operating, investing and financing activities, the Group is exposed to the Credit risk, Liquidity risk and Market risk.

Notes forming part of the Consolidated Financial Statements for the year ended March 31, 2020

a) Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counter-party fails to meet its contractual obligations.

Trade Receivables

The Group's trade receivable does not have any expected credit risk as these receivables are related to sales of properties.

No Impairment is observed on the carrying value of trade receivables

Other financial assets

The Group's maximum exposure to credit risk as at 31 March 2020 and 31 March 2019 is the carrying value of each class of financial assets.

b) Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or

another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation. It maintains adequate sources of financing from related parties & other sources at an optimized cost.

The Group's maximum exposure to liquidity risk for the components of the balance sheet at 31 March 2020 and 31 March 2019 is the carrying amounts. The liquidity risk is managed on the basis of expected maturity dates of the financial liabilities. The average credit period taken to settle trade payables is about 30 to 90 days. Borrowings from related parties is considered as payable on demand since there is no fixed repayment schedule although these related parties are always ready to assist to company in any adverse liquidity situations. The other payables are with short-term durations. The following table analysis financial liabilities by remaining contractual maturities:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of three types of risks: interest rate risk, currency rate risk and price risk. Financial instruments affected by market risk include borrowings, Investment, loans and trade receivables. The Company is exposed to Interest rate risks and price risks.

in fixed and floating interest rates. The Management is responsible for the monitoring of the Company's interest rate position. Various variables are considered by the Management in structuring the Company's borrowings to achieve a reasonable, competitive, cost of funding.

The following table demonstrates the sensitivity to a possible change in floating interest rates on that portion of borrowings outstanding at the balance sheet date. With all other variables held constant, the Group's profit before tax is affected through the impact on floating rate borrowings, as follows:

₹

Particulars	Year ended 31-March-2020	Year ended 31-March-2019
Decrease in interest rate by 50 basis points	1,47,755	2,04,858
