ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 1(f) under the heading of "Report on Other Legal and Regulatory Requirements" of our Independent Auditors' Report of even date to the members of the Company on the standalone financial statements for the year ended March 31, 2016.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Foods and Inns Limited** ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

J. **BORROWING COSTS:**

Borrowing costs, in connection with the borrowing of funds to the extent attributable to the acquisition or construction of a qualifying fixed asset, are capitalised as part of the cost of such asset till such time the asset is ready for its intended use. All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use.

K. **LEASES:**

a. Assets acquired under leases where the Company has substantially all the risks and rewards of ownership are classified as finance leases. Such assets are capitalised at the inception of the lease at the lower of the fair value or the present value of minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability for each period.

In the event of unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only to the extent that there is virtual certainty that sufficient future taxable income will be available to realise such assets.

In other situations, deferred tax assets are recognised only to the extent that there is a reasonable certainty that sufficient future taxable income will be available to realise such deferred tax assets.

The Company offsets deferred tax assets and deferred tax liabilities if it has a legally enforceable right and these relate to taxes on income levied by the same governing taxation laws. The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable income will be available to allow all or part of the deferred tax asset to be utilised.

M. **IMPAIRMENT OF ASSETS:**

The Management periodically assesses, using external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognised wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is the higher of the asset's net selling price and value in use which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal.

N. **SEGMENT REPORTING POLICIES:**

a. Primary Segments are identified based on the nature of products, the different risks and returns and the internal business reporting system. The identification of geographical segments (secondary segment) is based on the geographical location of its customers.

Pursuant to the decision of the Board of Directors in its meeting held on August 23, 2002, the Company had revalued its Land and Building at Deonar, Mumbai, based on open market value as per the Valuation Report dated September 27, 2002 submitted by an expert. Consequent to the revaluation, an amount of ₹ 10,66,79,383 was credited to the Revaluation Reserve in the year of revaluation.

Amount of depreciation on the revaluation of Fixed Assets amounting to ₹ 23,52,024 (Previous Year ₹ 23,45,597), is withdrawn and transferred to General Reserve and the same is reflected under Note 3 on "Reserves and Surplus".

31. Investments include a sum of ₹ 2,40,00,000 (Previous Year ₹ 2,40,00,000) invested in Finns Frozen Foods(I)Limited ("Finns"), an associate. The Company has given a deposit of ₹ 3,00,00,000 (Previous Year ₹ 3,00,00,000) to Finns, for getting exclusive export rights of Frozen Fruit Pulp, etc.

The Company has given advances from time to time for the purchase of Frozen Fruit Pulp, etc. for exports and for certain expenses of Finns, against which the Company had purchased Frozen Fruit Pulp, Vegetables, Packing Materials and has also incurred Cold Storage and Processing charges amounting to ₹ 3,95,39,353 (Previous Year ₹ 5,37,13,601) and Purchase of Machineries amounting ₹ 2,35,09,184 (Previous Year ₹ Nil). Since the net worth of Finns was eroded, the Board of Directors of the Company in its meeting held on August 23, 2002 discussed the restructuring proposal of Finns, the expected improvements in the working of Finns and the future orders in hand with Finns.

Consequently, having regard to the restructuring proposal, strategic nature of the investment and expected improvements in the future operations of Finns, the Board of Directors of the Company perceived the diminution in the value of investments as temporary in nature. But, out of abundant caution, the Board of Directors of the Company, had decided to provide 20% of the investment in Finns, as diminution in the value of investments.

During the year ended March 31, 2015, the Company had entered into an agreement with Finns for job processing of frozen products for its export and domestic orders in line with the approval of the Board of Directors at its meeting held on February 14, 2015. Further, the Board has reviewed from time to time, the working of Finns, based thereon and considering the amounts received during the year, it has decided that the current provision for diminution in value of shares is sufficient and no further provision is needed as on March 31, 2016.

INDEPENDENT AUDITORS' REPORT

To the Members of Foods and Inns Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Foods and Inns Limited (hereinafter referred to as "the Holding Company"), its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") and its associates, which comprise of the Consolidated Balance Sheet as at March 31, 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to Note 31 (b) of the consolidated financial statements which deals with the preparation of the financial statements by Finns Frozen Foods (I) Limited, the Company's associate ("Finns") on a going concern basis despite the erosion in its net worth. The appropriateness of the going concern assumption in the associate is dependent on the said associate's ability to establish consistent profitable operations as well as raising adequate finance to meet its short term and long term obligations. Based on the mitigating factors discussed in the said note, the management of the associate believes that the going concern assumption in the financial statements of the associate is appropriate and no adjustment is required in the financial statements for the year ended March 31, 2016.

Our opinion is not qualified in respect of this matter.

Other Matters

The financial statements and financial information of Asim Exports International Limited, an associate ("Asim"), which is included in the consolidated financial statements have been audited by us. We did not audit the financial statements and financial information of Dravya Finance Limited, another associate ("Dravya") and FNI Asia PTE Limited, a foreign subsidiary ("FNI Asia"), which have been audited by other auditors whose reports have been furnished to us by the Management. Further, for Finns Frozen Foods (I) Limited, an associate ("Finns"), for which we are not the auditors, the financial statements and financial information have not yet been audited but the same are certified by the Management and have been furnished to us. Our opinion on the consolidated financial statements, insofar as it relates to the amounts and disclosures

included in respect of these subsidiary and associates, is based solely on the aforesaid audited/certified financial statements. Since the financial statements of Finns, which were compiled by the management and were not audited, any adjustment to their balances, when audited, could have consequential effects on the attached consolidated financial statements. However, the size of the said associate in the consolidated position is not significant in relative terms. Details of assets and revenues in respect of these subsidiary and associates as considered in the consolidated financial statements are given below:

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 1(f) under the heading of "Report on Other Legal and Regulatory Requirements" of our Independent Auditors' Report of even date on the consolidated financial statements for the year ended March 31, 2016.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Foods and Inns Limited** (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") and its associate companies, as of March 31, 2016 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary company, its associate companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We have conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary company and its associate companies have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

1. SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF ACCOUNTING

a. Accounting Convention:

These consolidated financial statements ('CFS') are prepared in accordance with the generally accepted accounting principles in India (Indian GAAP) under the historical cost convention except for certain tangible assets which are being carried at revalued amounts as also on accrual basis. These consolidated financial statements have been prepared to comply with the accounting standards prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 ('the Accounting Standards') and the relevant provisions of the Act (to the extent notified). In the light of Rule 4A of the Companies (Accounts) Rules 2014, the items contained in these financial statements are in accordance with the definitions and other requirements specified in the Accounting Standards.

B. Principles of Consolidation:

a. The consolidated financial statements (the 'CFS') relate to Foods & Inns Limited ("the Company") and its wholly owned subsidiary FNI Asia PTE Limited and its associates, Asim Exports International Limited, Dravya Finance Limited and Finns Frozen Foods (I) Limited ("the Group"). Asim Exports International Limited and Dravya Finance Limited ceased to be subsidiaries from March 30, 2015 and with effect from March 31, 2015, those have become associates. - i. The financial statements of a foreign subsidiary have been combined on a line-by-line basis by adding together the book value of the like items of assets, liabilities, income and expenses, after fully eliminating intra group balances and intra group transactions and the unrealised profits/losses as per Accounting Standard 21 on "Consolidated Financial Statements" ("AS 21").
- ii. In case of the foreign subsidiary, being non-integral foreign operations, revenue items, which are not material, and all assets and liabilities are converted at the rate prevailing at the end of the year. To the extent items of income and expenses which are material are translated at exchange rates at the date of transactions. All resulting exchange differences arising out of the transaction are accumulated in foreign currency translation reserve.
- iii. The Investment in associates is accounted for using the Equity Method of accounting, as laid down under Accounting Standard 23 on "Accounting for Investment in Associate in "Consolidated Financial Statements" ("AS 23"). The investment is initially recognised at cost, and carrying amount is increased or decreased to recognise the investor's share of profit or loss of the investee after the acquisition date. The Group's investment in the associates includes goodwill, if any, identified on acquisition. The unrealised profits/losses on transactions with the associates are eliminated by reducing the carrying amount of investments.

Consequently, having regard to the restructuring proposal, strategic nature of the investment and expected improvements in the

NOTES FORMING PART OF THE STATEMENT OF CONSOLIDATED PROFIT AND LOSS FOR THE YEAR ENDED MARCH 31, 2016

future operations of Finns, the Board of Directors of the Company perceived the diminution in the value of investments as temporary in nature. But, out of abundant caution, the Board of Directors of the Company, had decided to provide 20% of the investment in Finns, as diminution in the value of investments.

During the year ended March 31, 2015, the Company had entered into an agreement with Finns for job processing of frozen products for its export and domestic orders in line with the approval of the Board of Directors at its meeting held on February 14, 2015.
