SUB: Resignation from the position of Deputy General Manager – EHS

Dear Sir,

I hereby tender my resignation from the position as Deputy General Manager – Environment, Health and Safety ("**Senior Management**") at Kennametal India Limited.

It has been a pleasure working with Kennametal India Limited over the last 2 years 6 months. Thank you so much for the opportunity to work in this position. I've greatly enjoyed and appreciated the opportunities I've had to implement the many works related to EHS which have not happened for many years, with no major concerns and Zero Reportable Accidents to DOF (Department of Factories). I've learned many new things related to EHS, ESG and BRSR, all of which I will take with me throughout my career.

Considering my service, please I request you to relieve me on or before 02-06-2026 (2<sup>nd</sup> June 2026) which is a 3 months' notice period as per the terms and condition mentioned in the Offer Letter.

During my notice period, I would like to help with the transition of my accounting duties so that systems continue to function smoothly after my departure. I'll do everything possible to wrap up my duties. Please let me know if there's anything else I can do to help during the transition.

Thank you again for the opportunity to work for Kennametal India Limited. I wish the company continued success.

Thank you.

Best Regards,

Roopendra S  
Deputy General Manager - EHS
