Sub: Press Release – Order Book

Dear Sir/Madam,

Pursuant to regulation 30 of SEBI (Listing (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are submitting herewith copy of the press release on award of domestic order from Oil and Natural Gas Corporation Limited ("ONGC") for the supply of Integral Blade Stabilizers.

The Press release is self-explanatory. This is for your information and record.

Thanking You,

Yours Faithfully,
For United Drilling Tools Limited

Anand Kumar Mishra
Company Secretary
M. No. FCS-7207

Award of Order from ONGC

New Delhi, Monday, April 20, 2026, United Drilling Tools Ltd. (UDTL) (BSE - 522014, NSE - UNIDT) is delighted to announce that it has secured a significant order from **Oil and Natural Gas Corporation (ONGC)** Limited, one of India's most respected Public Sector Undertakings (PSUs) in the oil and gas sector, for the **supply of Intergal Bade Stabilizer** and the order **valued at INR 50.30 MN.**

Under the terms of the contract, the Company will **supply high-performance Integral Blade Stabilizers**, which play a critical role in drilling operations by ensuring superior directional control, minimizing vibration, reducing tool wear, and enhancing overall drilling efficiency and wellbore quality.

The Company is among the few manufacturers in India with the capability to produce such high-technology products. Its Integral Blade Stabilizers are engineered with advanced design precision and metallurgical strength, offering high durability, optimal balance, and consistent performance under demanding drilling conditions. This technical proficiency enables improved rate of penetration (ROP) and extended tool life, contributing to cost-effective and efficient drilling operations.

This order further reinforces the Company's established track record of delivering reliable products for the oil and gas industry. The continued trust placed by public sector undertakings (PSUs), including ONGC, reflects sustained confidence in the Company's product quality, engineering excellence, and execution capabilities.

The order is expected to be executed within 4-5 months, in accordance with ONGC's specifications and stringent quality standards.

Commenting on the order awarded, Shri Jyoti Kumar, GM-Sales and Marketing said that "We are pleased to receive this order from ONGC. This win highlights our technical expertise in manufacturing high-performance stabilizers and reinforces our commitment to delivering reliable and efficient oilfield solutions. We value the continued confidence shown by leading PSUs in our products and capabilities."

UDTL remains focused on strengthening its presence in the oil and gas sector by providing innovative, efficient, and cost-effective solutions.

About UDTL

Striding successfully since 1985, based out of Noida, Uttar Pradesh, India, UDTL is a *leading Manufacturer of large OD casing pipe with muti start high performance connector, Wireline & well service equipment, Gas lift equipment and Downhole Tools*. All the equipments can be supplied with most reliable designs and quality and are very competitively priced as compared to other suppliers.

UDTL is dedicated to manufacture high-quality products of field-proven test designs in conformity with international standards as per **ISO & API standards** and continues to improve and innovate.

As of today UDTL has **32 registered Trademarks**, out of which 24 are registered in India & rest 08 are registered in other Countries.

Also, as regards Patents, there are **14 Design Patents** registered, out of which 09 are registered in India, while rest 05 are registered in UK. We have applied Patents in India & other countries wherein **08 Patents** received in **India**.
