## **ACME Solar appoints Ayalur Kumar as Chief Procurement Officer & Supply Chain**

**GURUGRAM, DECEMBER 17, 2025:** ACME Solar Holdings Ltd (ACME Solar) has appointed Mr Ayalur S Kumar as Chief Procurement Officer and Supply Chain of the company strengthening its leadership team as it accelerates its growth plans of achieving 10 GW operational contracted capacity by 2030 in the renewable energy business.

Kumar brings 30 years of experience in procurement, supply chain strategies, operations and logistics across renewable energy, EV infrastructure, biorefinery and power sectors, including more than 15 years in senior leadership roles. He has deep expertise in building and scaling procurement organizations, leading cross-cultural teams, driving supplier relationship management and sustainability assessments, and optimizing globally aligned yet locally anchored supply chains, with a track record of high-tech component sourcing, project insurance optimization and technology transfer. His prior roles with Fortum, Skoda Power, ABB and Alstom along with strong academic foundation that includes a B.Tech in Mechanical Engineering and an MBA in International Business from IIFT, New Delhi.

**About ACME Solar:** ACME Solar Holdings Limited is a leading integrated renewable energy player with a diversified portfolio spanning solar, wind, storage, FDRE and hybrid solutions and an operational capacity of 2,934 MW and under construction capacity of 4,586 MW including ~15 GWh of BESS installation. With an in-house EPC and O&M division, the company does end-to-end development and O&M of the plants, thereby delivering projects in a time & cost-effective manner while ensuring best in class operating performance evident in its industry leading CUF and operating margins.
