- The above results for the quarter and year ended 31 March 2026 have been reviewed by the Audit Committee and thereafter approved by the Board of Directors at their respective meetings held on 05th May 2026. These financial results have been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard (Ind AS) as prescribed under section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").
- The Statutory Auditors of the Company have conducted audit of the annual financial results and review of quarterly financial results of the Company for the year/quarter ended 31 March 2026. The financial results for the quarters ended March 31, 2026 and March 31, 2025 respectively are balancing figures between audited results for the full financial year and the published year to date figures upto the third quarter of the respective financial year which were subjected to limited review.
- The Company recognises its sale of crucibles activity as its only primary business segment since its operations predominantly consist of manufacture and sale of crucibles to its customers. The 'Chief Operating Decision Maker' monitors the operating results of the Company's business as single segment. Accordingly in context of Ind AS 108 'Operating Segments' the principle business of the Company constitutes a single reportable segment.
- The Company has filed an application for renewal of the Advanced Pricing Agreement (APA) for five years (FY 2021-22 to 2025-26) on 26 March 2021. The current tax working for year ended 31 March 2026 is calculated based on the APA signed on 18 August 2021 for 5 years ended 31 March 2021.
- On August 22, 2025, Morgan Advanced Materials plc, erstwhile ultimate holding company of Fosco Crucible (India) Limited (FCIL) formerly known as Morganite Crucible (India) Ltd, entered into a Share Purchase Agreement (SPA) with Vesuvius Plc to divest its Molten Metal Systems (MMS) business, which includes a 75% equity stake in FCIL, for aggregate consideration of Rs. 65,394 lakhs.
 The transaction has been executed through a share swap arrangement. As part of this deal, Fosco India Ltd (FIL), a Vesuvius Group entity, has acquired 75% stake in FCIL from Morganite Crucible Ltd (UK) and Morgan Terrassen B.V., and in return, FIL has issued new equity shares to FCIL's promoters under the share swap structure in the agreed ratio.
 FIL received in principle approvals from the National Stock Exchange (NSE) and the Bombay Stock Exchange (BSE) on 3 November 2025 and 4 November 2025, respectively. Subsequently on 12 November 2025, upon fulfilment of all terms and conditions stipulated in the Share Purchase Agreement (SPA) dated 22 August 2025, the Vesuvius Group, through Fosco India Limited, acquired control over FCIL.
 The acquisition triggered a Mandatory Tender Offer (MTO) under Regulations 3(1) and 4 of the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations. Following the completion of the MTO, FIL holds 76.77% of the issued share capital of FCIL, meaning that the Company's public shareholding has fallen below the statutory limit of 25%. FIL is in the process of taking steps to return the public shareholding to 25%.
 The Company's name was changed from Morganite Crucible (India) Limited to Fosco Crucible (India) Limited effective 9 February 2026, pursuant to approval from the MCA.

In preparing the Financial Results, the Board of Directors is responsible for assessing the Company's ability, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities

(a) Audit of the Financial Results for the year ended March 31, 2026

Our objectives are to obtain reasonable assurance about whether the Financial Results for the year ended March 31, 2026 as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the LODR Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Financial Results, including the disclosures, and whether the Annual Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

gv
Raj.

Deloitte Haskins & Sells LLP

- Obtain sufficient appropriate audit evidence regarding the Annual Financial Results of the Company to express an opinion on the Annual Financial Results.

Materiality is the magnitude of misstatements in the Annual Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(b) Review of the Financial Results for the quarter ended March 31, 2026

We conducted our review of the Financial Results for the quarter ended March 31, 2026 in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Other Matters

- The Statement includes the results for the Quarter ended March 31, 2026 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subject to limited review by us. Our report on the Statement is not modified in respect of this matter.
