Respected Sir/ Ma'am,

We, Supreme Infrastructure India Limited, wish to inform you that, as part of the Company's continuous endeavor towards resolution and recovery of long-outstanding receivables, a significant development has taken place in relation to one of its major recoveries from Mumbai Metropolitan Region Development Authority (MMRDA).

M/s. Supreme Infrastructure India Ltd. has an outstanding claim of ₹45.47 Crores pertaining to flyover works executed at Rajnoli and Mankoli Junctions on the Thane-Bhiwandi Bypass Road (NH-3).

In a positive step towards resolution, the Mumbai Metropolitan Region Development Authority (MMRDA) has constituted a Dispute Resolution Committee ("DRC" / "Committee")

The Committee has recently convened its preliminary meeting on 10.04.2026 and has set out the framework for further proceedings.

The constitution and commencement of proceedings before the DRC marks a constructive and time-bound mechanism for adjudication of the Company's claim, and reflects tangible progress in the Company's ongoing efforts to resolve its legacy receivables.

Kindly take the above information on record.
