BRICS' meeting ends without joint statement

PUSHING FOR PEACE. India's outcome document says members sought an early resolution to the current West Asia crisis

Amiti Sen
New Delhi

The BRICS Foreign Ministers' meeting in New Delhi concluded on Friday without a joint statement amid "differing views" on the situation in West Asia region.

"There were differing views among some members as regard to the situation in the West Asia region. BRICS members expressed their respective national positions and shared a range of perspectives," per the chair's statement and outcome document issued by India on Friday.

The BRICS grouping includes Brazil, Russia, India, China, South Africa, Iran, Egypt, Ethiopia, Indonesia, Saudi Arabia and the UAE. India is the current chair of the grouping.

Iran and the UAE are engaged in a spat over the latter's alleged involvement in Israel's (and the US') war on Iran.

On May 13, Israeli Prime Minister Benjamin Netanyahu said he "secretly visited" the UAE and met its President during the war with Iran.

UAE-IRAN COLLUSION
While the UAE Foreign Ministry refuted Israel's claims as "unfounded", Iran's Foreign Minister Abbas Araghchi, who attended the BRICS meet in New Delhi, said the UAE's "collusion" with Israel was unforgivable.

Araghchi on Thursday called on the BRICS grouping to unequivocally con-

demn "violations of international law" by the US and Israel.

Others who attended include Russian Foreign Minister Sergey Lavrov, Iran's Abbas Araghchi, Brazil's Mauro Vieira, Indonesia's Sugiono, and South Africa's Ronald Lamola.

"Views articulated by member countries included the need for an early resolution of the current crisis, the value of dialogue and diplomacy, respect for sovereignty and territorial integrity, upholding international law, the importance of safe and unimpeded flow of maritime commerce through international waterways, and the protection of civilian infrastructure and civilian lives," the statement noted.

On the Palestine-Israel conflict, BRICS members managed to be on the same page.

"They reaffirmed their support for the State of Palestine's full membership in the UN in the context of

the unwavering commitment to the two-state solution, in accordance with international law, including relevant UN Security Council and General Assembly resolutions, and the Arab Peace Initiative, that includes the establishment of a sovereign, independent and viable State of Palestine within the internationally recognised 1967 borders, which included the Gaza Strip and the West Bank, with East Jerusalem as its capital, in order to achieve the vision of two States living side by side, in peace and security," the outcome document noted.

However, it was noted in a footnote that "a member had reservations" about parts of sections where the Gaza Strip was recognised as an inseparable part of the Occupied Palestinian Territory.

The Ministers believed BRICS countries would continue to play a pivotal role in voicing the concerns and priorities of the Global South.

Delegation from BRICS nations visits GIFT City

Our Bureau
Ahmedabad

The GIFT City on Friday hosted a delegation comprising representatives from BRICS nations, providing them with an overview of India's evolving International Financial Services Centre (IFSC) ecosystem and the growing opportunities in cross-border finance,

fintech, trade and global business services.

The visit assumes significance as India holds the BRICS Chair for 2026 under the theme "Building for Resilience, Innovation, Cooperation and Sustainability." India is also set to host the 18th BRICS Summit and related ministerial engagements during the year, an official release stated here.

As part of the visit, the del-

egation was apprised of GIFT City's development as India's maiden IFSC and its emergence as a gateway for international financial services, global capital flows and foreign currency transactions from within India. Senior officials from GIFT City and International Financial Services Centres Authority made a detailed presentation covering the city's regulatory ecosystem,

globally benchmarked infrastructure, business environment and sectoral opportunities across banking, capital markets, fund management, insurance and reinsurance, aircraft leasing, fintech and global capability centres.

Commenting on the visit, Sanjay Kaul, Managing Director and Group CEO, GIFT City, stated, "GIFT City is steadily emerging as a globally competitive financial

and innovation hub, enabling international financial services and cross-border business from India. The visit by the BRICS delegation provided an important opportunity to showcase GIFT City's integrated financial and urban ecosystem, and to exchange perspectives on areas such as cross-border investments, sustainable finance, fintech innovation and economic cooperation."

India, UAE ink pact to have framework for defence partnership

Our Bureau
New Delhi

India and the UAE have signed a pact to establish a framework for strategic defence partnership during Prime Minister Narendra Modi's visit to Abu Dhabi on Friday, seeking cooperation across several domains such as for industrial collaboration, innovation, advanced technology, maritime security, cyber defence and secure communications.

The agreements were inked following Prime Minister Modi holding talks with President Sheikh Mohammed bin Zayed Al Nahyan, with both the countries looking to firm up partnership for a broader stronger security architecture in view of West Asia crisis. The armed forces of the two countries have been engaging in regular exercises, holding defence dialogues. Besides that UAE's

EDGE Group and India's Adani Defence & Aerospace had earlier formed a global defence platform to jointly manufacture unmanned aerial systems (UAS) and advanced counter-drone systems.

SHIP REPAIR
An MoU was also inked between Cochin Shipyard Ltd (CSL) and Drydocks World (DDW) for setting up a Ship Repair Cluster at Vadinar in Dwarka district of Gu-

jarat, said the Ministry of External Affairs. Ahead of Modi's UAE tour, the Union Cabinet on May 5 gave nod to the ₹1,570 crore ship repair facility in Vadinar, to be developed jointly by Deendayal Port Authority and CSL.

The cooperation for setting up a Ship Repair Cluster at Vadinar, including offshore fabrication, is under the Maritime Development Fund Scheme launched by the Government of India, the MEA said.

Another MoU between CSL, DDW and Centre of Excellence in Maritime & Shipbuilding is for skill development in ship repair. The tripartite agreement establishes a framework to mobilise, train and employ skilled maritime workforce, said the Ministry. The MoU seeks to enhance capabilities of maritime workforce and position India as a hub for skilled shipbuilding and ship repair professionals, it added.
