Dear Sir/Madam,

**Sub: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

Ashapura is pleased to announce the commissioning of a critical bridge over the Konkoure river, one of the longest rivers in Guinea, connecting its Mines in Boffa East with the logistics route to the Boffa port. The east part of this mining lease area was earlier inaccessible. The east part of lease area has good exportable grade of Bauxite with approximately 80 million tonnes of reserves.

The newly constructed bridge is first of its kind project for Ashapura, giving us immense confidence to achieve our target for exports of Bauxite. It also highlights our commitment to infrastructure development, transforming the region's landscape and improving the overall yield of bauxite within the Boffa region.

Additional information in this regard is available on the Company's website.

Thanking you.

Yours faithfully,  
For **ASHAPURA MINECHEM LTD.,**
