Company Secretary and Compliance Officer

## InfoBeans Technologies Limited Named a 2026 ServiceNow Partner of the Year

Indore, Madhya Pradesh, India - March 2, 2026 - InfoBeans Technologies Limited (NSE: INFOBEAN), a global AI-led design and software solutions provider, today announced it has received a prestigious 2026 ServiceNow Partner of the Year Award, recognizing its outstanding achievements and contributions to the ServiceNow ecosystem.

The company was recognized with the following 2026 ServiceNow Partner of the Year Awards:

Transformation Partner of the Year 2026- Asia Pacific

Honorable Mention for AI Customer Value 2026- Asia Pacific (GenAI Customer Value category)

InfoBeans delivers end to end ServiceNow transformations, spanning consulting, implementation, and long term sustenance. Our focus is on building scalable, AI powered workflows that enable measurable ROI, accelerate platform adoption, and drive sustained business value.

As a trusted partner of ServiceNow for over a decade, InfoBeans helps enterprises digitize and modernize workflows across IT, CRM, AI enablement, HR Service Delivery, and Strategic Portfolio Management. We support enterprise wide deployments with strong governance and execution. This marks InfoBeans' second year as a ServiceNow Partner Award winner in the APAC region, building on its 2024 Consulting and Implementation Partner of the Year.

"Our partners are essential to how ServiceNow wins, and InfoBeans is a great example of what makes our partner ecosystem so vibrant," said Michael Park, Senior Vice President, Global Partnerships and Channels at ServiceNow. "Customers today are looking for the fastest path from AI ambition to real business results, and that doesn't happen without partners who can turn platform potential into measurable outcomes. We're proud to recognize InfoBeans for the role they play in helping customers move from adoption to action and realize the full value of ServiceNow's AI platform."

"We are honored to receive this recognition from ServiceNow," said Siddharth Sethi, Co-founder of InfoBeans. "These awards reflect our commitment to disciplined execution, strong architecture, production-grade AI solutions, and partnerships that drive real outcomes, not just technology deployments."

The ServiceNow 2026 Partner Awards recognize partners across multiple award categories and geographies. The awards are based on a rigorous evaluation process that considers factors such as customer success, innovation, and business impact.

### About InfoBeans Technologies Limited

InfoBeans, founded in 2000 and publicly listed on the NSE (INFOBEAN), is a global digital transformation and technology consulting company. Helps enterprises drive AI-led transformation by delivering digital solutions that modernize systems and automate workflows. The company leverages platforms such as ServiceNow and Salesforce, along with product engineering, to deliver measurable business outcomes.

Operating across India, the United States, Europe, and the Middle East, InfoBeans is known for its outcome driven approach, strong governance standards, and long term client partnerships.
