FOR IMMEDIATE RELEASE

Megamont Sells 250 MT of Soyabean Oil Worth Rs. 3.64 Crores to Patanjali Foods

Mumbai, 3rd November, 2026: Megamont Limited has **sold 250 MT of Crude Degummed Soyabean Oil worth Rs. 3.64 Crores (including GST) to Patanjali Foods Limited**. Of this, **174.58 MT is being lifted today**, and the **remaining balance will be lifted tomorrow, 4th November, 2026**.

Details of the Supply:

Megamont Limited is supplying Crude Degummed Soyabean Oil to Patanjali Foods Limited at its factory in Patalganga, Raigad, Maharashtra. Supplies against the contract have commenced, with six consignments totalling 174.58 MT being lifted by road from JNPT, Navi Mumbai today, 3rd November, 2026. The remaining balance quantity will be lifted on 4th November, 2026.

The entire quantity being lifted within two days reflects the company's ability to source, move and deliver bulk edible oil on a tight timeline.

Strategic Significance:

Patanjali Foods Limited is one of India's leading food and FMCG companies and a large buyer of edible oils. Executing a supply of this size for such a customer **validates Megamont's execution capability and strengthens its position as a dependable bulk supplier**.

The orders add to the company's relationship with a marquee customer and open the door to repeat business as Megamont continues to expand its presence in the edible oil and agri-commodity segment.

Industry Outlook:

India is among the world's largest consumers and importers of edible oils, and soyabean oil is a core part of the country's edible oil basket. Demand from packaged food makers, refiners and household consumers remains steady, and large refiners depend on reliable, on-time bulk sourcing of crude oils. A supplier that can deliver quality product on schedule is well placed to build lasting relationships with leading buyers.

Management Commentary:

Mr. Tejas Patil, Director, Megamont Limited, commented: "We are pleased to have sold 250 MT to Patanjali Foods Limited, with lifting already under way and the balance to follow tomorrow. This reflects the trust our customers place in us and our focus on timely execution. We will continue to look for opportunities to grow our business with leading customers."

About Megamont Limited:

Megamont Limited is an international trading and supply-chain company engaged in sourcing and supplying industrial raw materials, metals, energy commodities, edible oils and agricultural commodities across global markets. The company operates across diverse product portfolios, including edible oils and agri commodities, metals and mining resources, building materials, industrial chemicals and rubber, machinery and equipment, electronics and technology, and energy and petrochemical products.

With sourcing relationships across India, CIS, China, Brazil, South Africa, Russia and Europe, Megamont combines sourcing, trade structuring, trade finance, logistics and risk management to connect global producers with industrial and commercial buyers.
