VENLON ENTERPRISES LTD. MYSORE

Independent Auditor's Limited Review Report on Unaudited Financial Results of Venlon Enterprises Limited ("the Company") for the Quarter and Half Year ended on September 30, 2026 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To,
The Board of Directors,
Venlon Enterprises Limited
Mysore

1. We have reviewed the accompanying Statement of Unaudited Financial Results of Venlon Enterprises Limited ("the Company") for the quarter and half year ended September 30, 2026 (hereinafter referred to as "the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

2. The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations, including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India ("ICAI"). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. **Emphasis of Matter**

   We draw attention to Note 3 of the financial results, which states that the financial statements have been prepared on an "Other than Going Concern" basis.

   Our opinion is not modified in respect of this matter.

5. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable Indian Accounting Standards ("Ind AS") specified under Section 133 of the Companies Act, 2013, as amended, read with relevant Rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes to the Statement of Unaudited Financial Results for Quarter and Half year ended September 30, 2026

1. The above financial results have been prepared in accordance with recognition and measurement principles laid down in Ind AS 34 Interim Financial Reporting prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder, other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, (as amended).

2. The above financial results were reviewed by the Audit Committee and approved by the Board of Directors in their meeting held on November 13, 2026. The statutory auditors have carried out limited review of the above results for the quarter and half year ended September 30, 2026. An unmodified report has been issued by them thereon.

3.1 The financial results of the Company for the quarter and half year ended September 30, 2026, have been prepared on an "Other than Going Concern" basis due to material uncertainties regarding the Company's operational viability. Various factors, coupled with the fact that the Company's net worth has been substantially eroded and its current liabilities exceeded its current assets as of September 30, 2026, indicate that the going concern assumption is no longer appropriate.

3.2 Consequent to the cessation of operations, management has initiated a structured plan for the orderly disposal of the Company's remaining assets. Management intends to systematically realize the investments, plant and machinery, and land.

3.3 The Company owns a large parcel of industrial land. Given the complexities involved in identifying a single buyer or dividing the land for piecemeal sale to multiple parties, management estimates the realization process may take two to three years. Accordingly, the land has been classified as a non-current asset.

3.4 Other remaining assets, including plant and machinery, furniture and fixtures, and investments, are anticipated to be realized in near future and have therefore been classified as current assets.

3.5 In alignment with the "Other than Going Concern" basis of accounting, Property, Plant, and Equipment (Current and Non-Current) and other assets are valued at the lower of historical cost or Net Realizable Value (NRV). Financial Investments are measured and carried at fair value in accordance with the principles prescribed under Ind AS 109.

4. The Company had received an interest-free loan (ECB) of USD 13.85 million in various tranches starting from FY 2002–03 from a shareholder holding a 29% stake in the company. Partial repayments of USD 0.50 million and USD 1.23 million were made in 2009 and 2016, respectively. The repayment terms were extended multiple times, each without any interest or enforcement by the shareholder.

Additionally, the lenders have agreed for a moratorium period and have extended the repayment schedule starting from April 2030. These loans do not carry any interest.

In view of the long-standing non-recourse nature of the arrangement and absence of any repayment demand from the lender, and the fact that the amount is now settled or otherwise dealt with solely at the discretion of the Company, the loan has been reclassified as other equity as at March 31, 2025.

5. The figures of previous periods have been re-grouped/reclassified wherever necessary, to conform to the current period's presentation.
