Accordingly, Acuité has downgraded the long-term Bank Loan Rating to "ACUITE B- | Issuer not co-operating" and reaffirmed the short-term Bank Loan Rating at "ACUITE A4 | Issuer not co-operating**".**

The details of the credit ratings assigned by Acuité are set out below:

The Company further wishes to clarify that the aforesaid rating action is attributable solely to the classification of the Company as an "Issuer not co-operating". The bank facilities in respect of which the rating has been assigned were availed from Union Bank of India and have since been fully repaid, pursuant to which the lending bank has issued a No Objection Certificate ("NOC"). Accordingly, there is no subsisting exposure under the said facilities. The aforesaid rating action, therefore, pertains exclusively to facilities that stand fully discharged and should not be construed as a reflection of the Company's current credit profiles.

Thanking you,

Yours truly,

For and on behalf of
