Dear Sir/Madam,

Sub: Intimation under Regulation 30 – Receipt of UL certification, dispatch and new orders

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other applicable provisions, we wish to inform you of the following business updates in the ordinary course of business of Parth Electricals and Engineering Limited ("the Company"):

1. Receipt of UL Certification and First Dispatch to USA

Parth Electricals and Engineering Limited has received the approval from UL for the dispatch of first lot of Intelligent Motor Control Canter includes 1x MCC and 7x VFD & LCS worth \$ 1.2 million to USA against total export order of \$4.8 million. The balance panels are under manufacturing and expected to be dispatch in March and April 2026. This development will open the door for the company to participate in the overall UL switchgear panels market in the USA, which is valued at \$1.2 billion. This is an important milestone in establishing the Company's presence in the North America & Latin America markets.

2. Receipt of Export Order from Zambia

The Company has secured a new export order worth \$1 million from a customer in Zambia for the supply of IEC products from our Baroda unit, with a fast-track delivery timeline of two months. A substantial portion of this order is expected to be executed and shipped within the current financial year, with the balance, to be fulfilled in April 2026.

 **As on date, the Company has orders worth ₹ 210 crores on hand, to be executed over the next 12 months.**

This is for your kind information and record.

Thanking you,

Yours faithfully,

For, Parth Electricals & Engineering Limited
