About The Trust, Scheme and Investment Manager

Property Share Investment Trust

Property Share Investment Trust is a SEBI-registered Small and Medium Real Estate Investment Trust (SM REIT) established with the objective of providing investors with regulated, transparent, and professionally managed access to income-generating commercial real estate. As India's first licensed SM REIT platform, Property Share aims to bridge the gap between institutional-grade real estate assets and individual investors by offering fractional ownership through a structured and compliant vehicle. The Trust is designed to deliver consistent rental yields and long-term capital appreciation, underpinned by rigorous asset selection, robust governance frameworks, and a focus on investor protection.

Shot at actual location

PropShare Platina

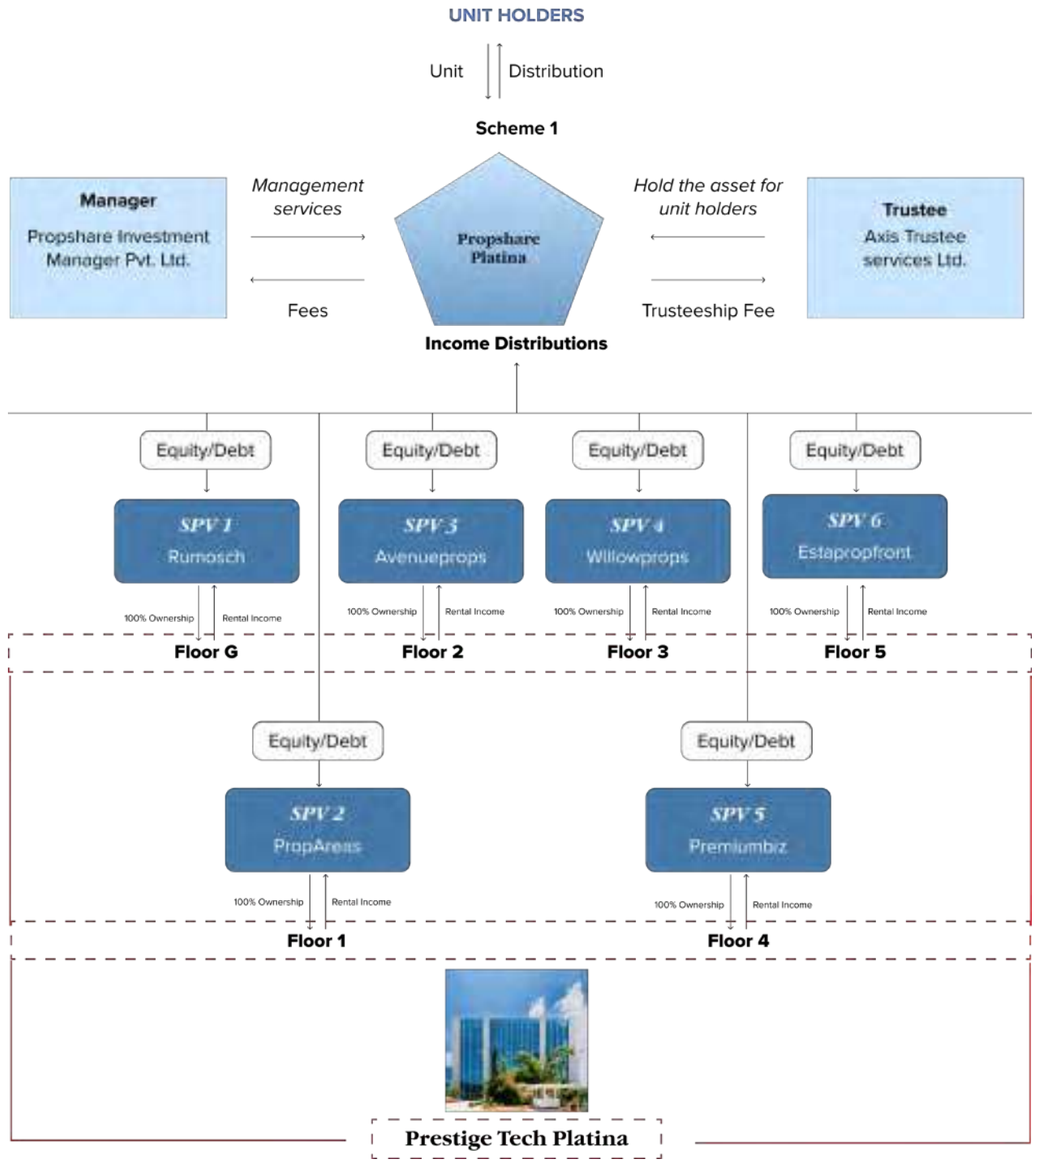

PropShare Platina is the inaugural scheme under the Property Share Investment Trust (PSIT), India's first SEBI-registered Small and Medium Real Estate Investment Trust (SM REIT). The scheme comprises 246,935 square feet of premium office space within Prestige Tech Platina, a LEED Gold-certified commercial building on Bengaluru's Outer Ring Road, one of the city's most prominent IT corridors. As of 30th September 2026, the property was fully leased to 24/7 Customer Private Limited, a U.S.-based technology company. PropShare Platina became the first SM REIT scheme to be listed on the Bombay Stock Exchange, on 10th December 2024.

Intimation of event subsequent to the reporting period: There was no change in tenancy during the half year ended 30th September 2026. Subsequent to the reporting date, a tenancy change has taken effect for the 3rd floor (37,424 sq. ft. super built-up area), which has been leased to Cigna Health Solutions India Private Limited under a lease deed dated September 30, 2026. The lease is for a term of 6 years, commencing on 7th October 2026 and expiring on 6th October 2032. The remainder of the property continues to be leased to 24/7 Customer Private Limited.

PropShare Investment Manager Private Limited

PropShare Investment Manager Private Limited serves as the SEBI-registered Investment Manager to the Property Share Investment Trust (PSIT), India's first Small and Medium Real Estate Investment Trust (SM REIT). Founded by industry veterans Kunal Moktan and Hashim Qadeer Khan, the firm has been instrumental in pioneering regulated fractional ownership in Indian commercial real estate. With a leadership team boasting over 60 years of combined experience in real estate investment, asset management, and technology, the Investment Manager's holding company has successfully managed investments exceeding ₹2,600 crore. PIMPL has invested 5% of the Scheme's total units totaling ₹17.75 crore at the time of listing, aligning its interests with those of its investors. PIMPL's holding company is backed by prominent private equity and venture capital firms such as WestBridge Capital, Lightspeed Venture Partners, BEENEXT and Pravega Ventures.

Structure

Business and Growth Strategies

Our aim is to provide regular and stable income to unitholders through regular distributions along with capital appreciation on exit through active asset management of the underlying property. We intend to achieve this through the following strategies:

1. Proactive tenant management

Our asset management team comes with strong experience in tenant engagement with a proactive approach to long term tenant management. These include maintaining a regular dialogue with the tenant, engaging in tenant centric activities, providing state-of-the-art property management including high quality tenant amenities and best-in-class health and safety norms.

**The above image is a stock image and does not relate to PropShare Platina*

2. Leasing strategy

As on September 30, 2026, our asset is 100% leased with a long tenure of 9 years and a staggered 3-7 year lock-in period (2.81 year weighted average lock-in period remaining as on September 30, 2026). Our strategy is therefore primarily focused on tenant retention. However, in the event there are some unplanned vacancies we aim to use a targeted leasing strategy focused on proactively reaching out to our network of international property consultants, local brokers and existing tenants in our portfolio.

Note: Subsequent to the reporting date, there has been a change in tenancy for the 3rd floor, which has been leased to Cigna Health Solutions India Private Limited with effect from 7 October 2026. As the new lease carries a fresh lock-in period, the weighted average lock-in period remaining for the asset is expected to increase from the 2.81 years reported as on 30 September 2026.

The change diversifies the asset's tenant mix across two multinational companies operating in the technology and healthcare sectors. Additionally, the fresh lock-in period under the new lease is expected to improve the asset's weighted average remaining lock-in period.

3. Exit strategy

The Investment Manager aims to provide the exit opportunity to its investors as per the REIT Regulations and applicable law. Further, an exit option to the Platina Unitholders shall be in accordance with the listing agreement and in accordance with procedure as may be specified by the SEBI and REIT Regulations.

Investors & Advisory Board

The Investment Manager's holding company Altinvest Online Platform Private Limited has investors and an advisory board comprising of leaders who have shaped India's regulatory and business practices specifically in the capital markets and institutional real estate investments.

Chairman's Message

Dear Unitholders,

I am pleased to share the half-yearly report of PropShare Platina, the first Scheme under the Property Share Investment Trust (PSIT), India's first SEBI-registered Small and Medium Real Estate Investment Trust (SM REIT), for the period ended September 30, 2026.

Delivering Consistent Unitholder Value

During the first half of FY 2026–27, PropShare Platina continued to demonstrate the strength of its income-generating portfolio. Its sole asset, a LEED Gold-certified office building in Bengaluru's prime Outer Ring Road micro-market, sustained full occupancy, reflecting the quality of the asset and its established tenant relationship. For the six-month period, the Scheme generated a net distributable cash flow of ₹153.96 million and distributed ₹45,806.92 per unit , translating into an annualised yield of 8.70%. The Net Asset Value stood at ₹3,959.26 million, equivalent to ₹11,78,000.60 per unit, at the close of the period. These outcomes reflect our continued focus on operational discipline and delivering sustainable income to unitholders.

Building on Strong Fundamentals

At PropShare Platina, we believe that long-term value creation extends beyond the performance of the underlying asset. It requires consistent oversight, sound decision-making and a governance framework that places unitholder interests at the forefront. We remain committed to maintaining high standards of disclosure and regulatory compliance, while ensuring that investors have clear and timely visibility into the Scheme's financial and operational performance.

Looking Ahead

Our priorities for the coming periods remain centred on preserving the quality of the asset, strengthening tenant engagement and managing capital efficiently. We will continue to evaluate opportunities to enhance operating performance while maintaining a measured approach to risk and capital allocation.

We recognise that investor confidence is built through consistent execution over time. On behalf of the Board and the entire team at PropShare Investment Manager, I thank our unitholders, partners and stakeholders for their continued trust and support. We remain committed to upholding that trust through responsible stewardship and a sustained focus on unitholder value.

Warm regards,
Hashim Qadeer Khan
Chairman
PropShare Investment Manager Private Limited

Hashim

PropShare Platina - Performance & Business Review

Shot at actual location

Overview

Asset Overview

Prestige Tech Park (PTP) was developed by the Prestige Group, one of India's leading real estate developers known for its high-quality commercial and residential projects. The complex features modern office spaces designed to meet international standards. It stands as one of the largest technology parks in Bengaluru and is located on the Outer Ring Road, which provides good connectivity to other parts of Bengaluru, including the airport and many of the city's tech hubs.

Prestige Tech Platina (PTP) is a premium Grade A commercial asset situated within the expansive Prestige Tech Park campus in Bengaluru. With a total leasable area of approximately 7 million sq ft, the broader campus has established itself as one of the most sought-after corporate destinations in South India, attracting a distinguished roster of global multinational tenants.

Tenant & Ownership Profile

The asset benefits from a high-quality, diversified tenancy comprising globally recognised corporations. Key occupants include JP Morgan Chase, Adobe, and Oracle-each affirming PTP's standing as a preferred destination for multinational occupiers requiring large-format, institutionally managed office space in Bengaluru's technology corridor.

Institutional Ownership Highlight

A significant equity interest in Prestige Tech Park is held by Knowledge Realty trust (KRT), backed by **Blackstone** and **Sattva Group**. This institutional backing provides additional governance assurance, underscores the asset's investment-grade quality, and reinforces its long-term attractiveness to creditworthy tenants.

Key Asset Metrics

Metric	Detail
Total Leasable Area (Campus)	~7.0 Million sq ft
Asset Classification	Grade A Commercial
Location	Prestige Tech Park, Bengaluru
Anchor Tenants	JP Morgan Chase, Adobe, Oracle

Green Building Credentials: LEED Certification

Prestige Tech Platina has been developed and certified to the highest international sustainability standards under the U.S. Green Building Council's (USGBC) Leadership in Energy and Environmental Design (LEED) framework. The building holds multiple LEED certifications across its core & shell and commercial interior components, making it suitable for occupancy by the majority of large multinational corporations with mandatory ESG compliance requirements.
The tiered certification structure demonstrates a commitment to environmental performance at both the whole-building and tenant-fit-out level:

LEED Level	Scope	Floors Covered
Platinum	Commercial Interiors	Ground, 1st, 4th & 5th Floors
Gold	Core & Shell — Entire Building	All Floors
Silver	Commercial Interiors	2nd & 3rd Floors

LEED Certified

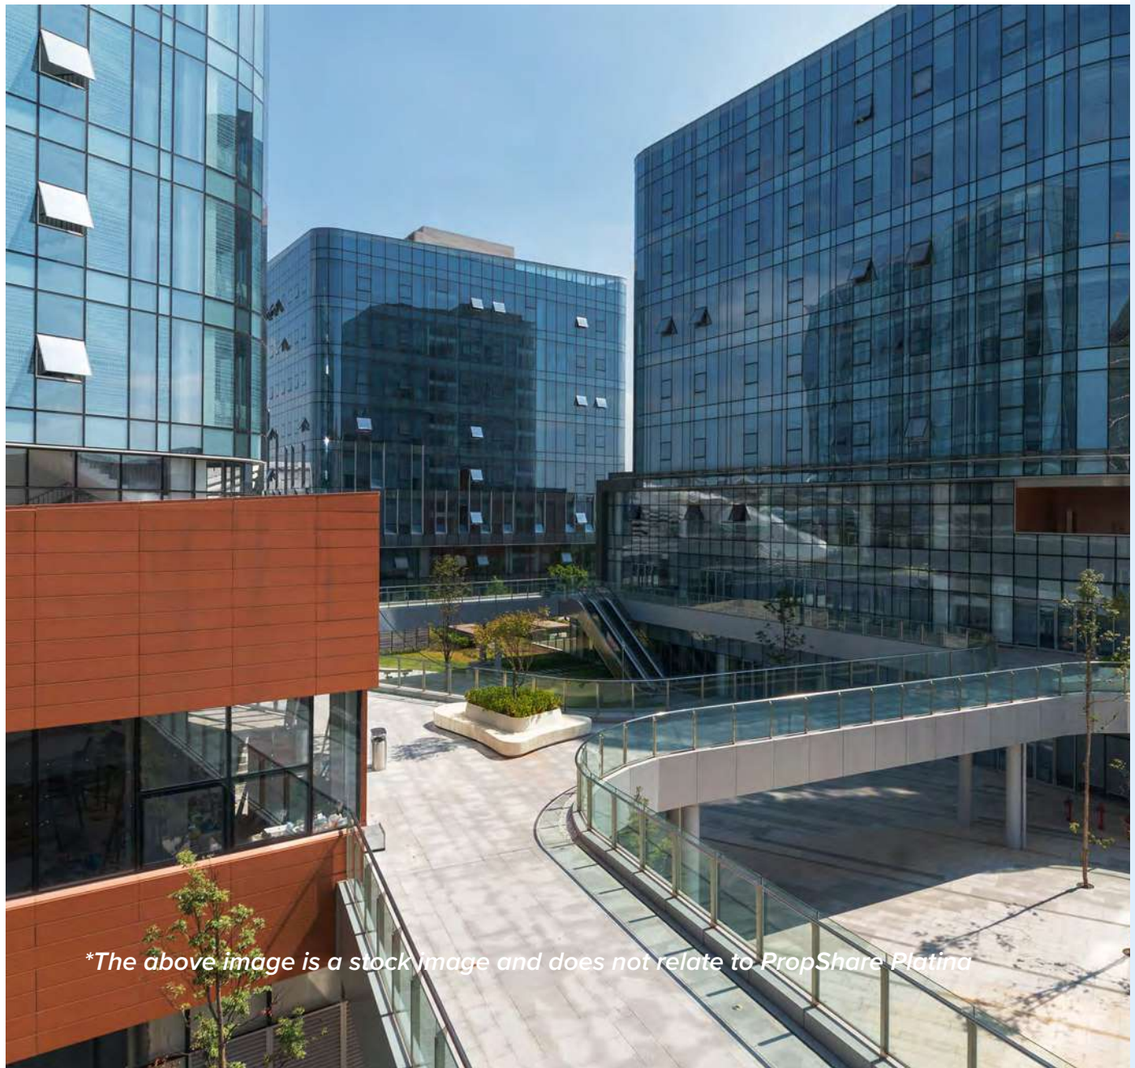

LEED Platinum
Commercial Interiors
Floors G,1,4 & 5

LEED Gold
Core & Shell
Entire Building

LEED Silver
Commercial Interiors
Floors 2 & 3

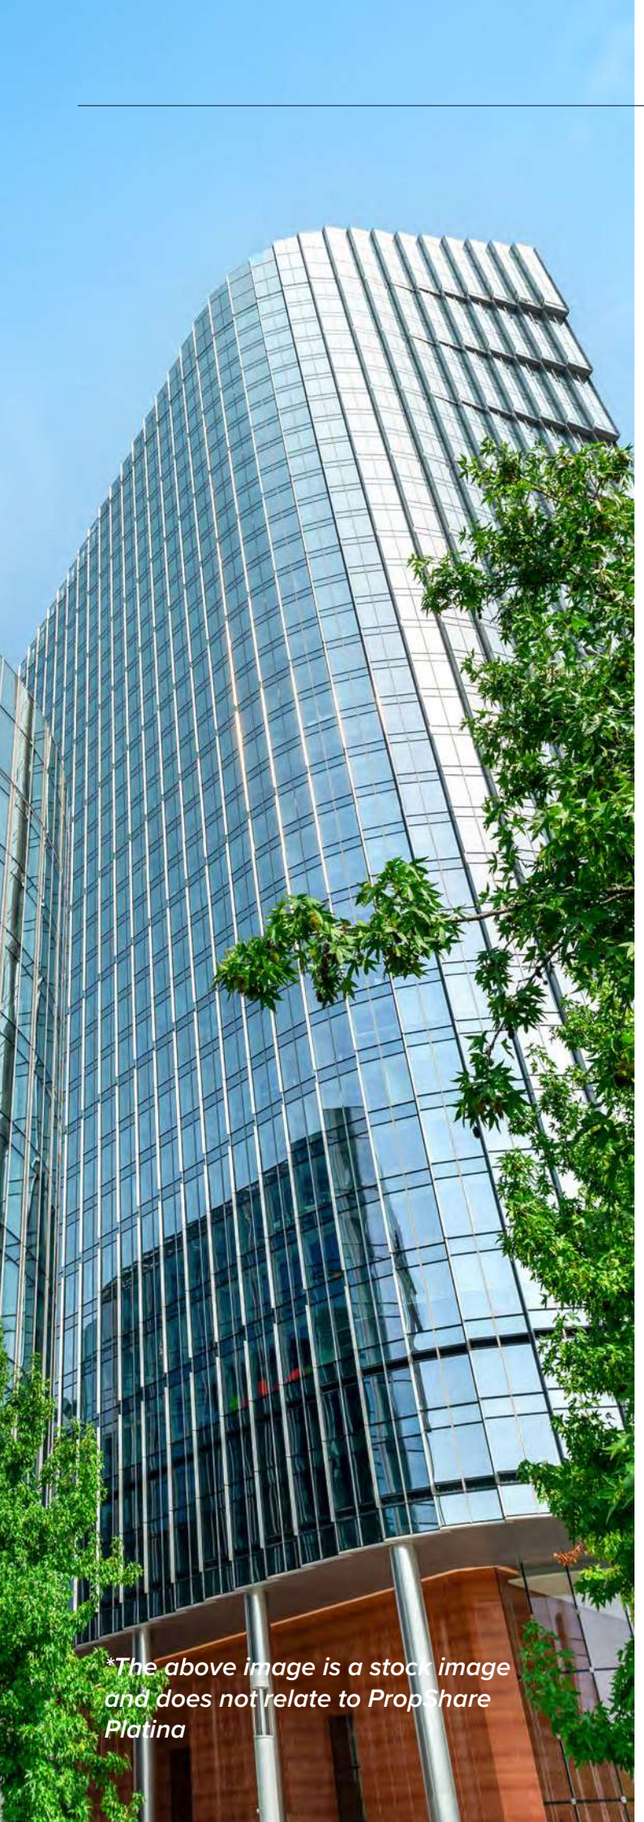

Strategic Positioning

The combination of large leasable scale, high-profile multinational tenants, institutional co-ownership, and robust sustainability credentials collectively reinforces Prestige Tech Platina's status as a landmark commercial asset in Bengaluru's thriving office market. For SM REIT unitholders, the asset represents a stable, income-generating investment underpinned by strong occupier demand and long-term structural tailwinds in India's technology services sector.

Micro-market (ORR) overview

Bengaluru's Premier Office Corridor
Bengaluru's Outer Ring Road (ORR) stretching from Hebbal through KR Puram, Marathahalli, and Sarjapur down to Silk Board Junction, provides vital, uninterrupted connectivity across the city's northern, eastern, and southern corridors with easy access to the Central Business District. Over the last decade, ORR belt has developed manifold primarily owing to the ease of connectivity, easy access to Central Business District (CBD) areas and an expanding tech sector, and has emerged as one of the most preferred and top destinations for major domestic firms and multinational corporations.

As India's largest office cluster, ORR Southeast alone houses 80.1 million square feet of operational Grade A stock, representing nearly a third of Bengaluru's total office footprint. Its high density of premium IT parks and fully integrated ecosystem make it the primary choice for large-scale enterprise expansions, particularly Global Capability Centres (GCCs). Consequently, despite the corridor's maturity, demand remains exceptionally strong, as vacancy stands at a tight 4.7% (compared to the citywide average of 10.6%), pushing average monthly rents to ₹112 per square foot, well above the city average of ₹102.4.

Key demand drivers for FY27 will continue to be led by the sustained expansion of Global Capability Centres (GCCs), which account for a substantial portion of leasing activity. Bengaluru remains the biggest GCC cluster in India, and ORR Southeast has emerged as the most preferred micro-market for these occupiers. It captured ~44% of Bengaluru's GCC leasing during 2016 - 2025 and ~18% of India's cumulative GCC space take-up. The IT-BPM sector, while evolving, remains a dominant contributor to demand, with major tech firms consistently expanding their footprint in Grade A assets along the ORR. Alongside these traditional drivers, the flexible workspace segment has seen a surge in adoption, catering to diverse occupier needs for agility and scalable solutions, with the ORR corridor experiencing increasing enterprise demand for these spaces.

Bengaluru Office Market - Demand, Supply & Vacancy
Bengaluru's Grade A office stock stood at 243.7 million sq. ft. as of H1 2026, representing 25.9% of India's total Grade A office inventory - the largest in the country. The city has maintained remarkably tight vacancy levels, averaging single digits for most of the past decade despite periodic supply additions. Key market statistics are as follows:

Bengaluru's office rental index has risen steadily since 2016 and kept growing through the pandemic. GCCs have been the dominant source of leasing, averaging ~62% of Bengaluru's annual gross leasing volume over 2016-2025. Their share has eased over the last two years as flex operators gained ground, but GCCs remain the city's largest occupier segment. Flex and manufacturing/industrial occupiers are emerging as significant contributors to demand, with Bengaluru increasingly positioned as a GCC hub for engineering R&D firms.

Market Metric	Data (H1 2026)
Total Grade A Stock	237.9 mn sq. ft. (largest in India)
City-Level Vacancy	11.4%
Annual Avg. Share in Pan-India Supply	26–28% (since 2019)
Annual Avg. Share in Pan-India Net Absorption	25–28% (since 2019)
Expected Net Absorption (2026)	13.0-13.5 mn sq. ft
Expected New Supply (2026–2028)	11.5-15 mn sq. ft
Average City Rent	INR 102.4 psf/month (H1 2026)
Green Certified Office Stock	72% of Grade A

ORR Southeast Submarket - Deep Dive

The Outer Ring Road (Southeast) corridor, spanning from Sarjapur to KR Puram via Marathahalli, is the largest and most sought-after office submarket in India. The Subject Property is directly located within this submarket, benefiting from its premium positioning.

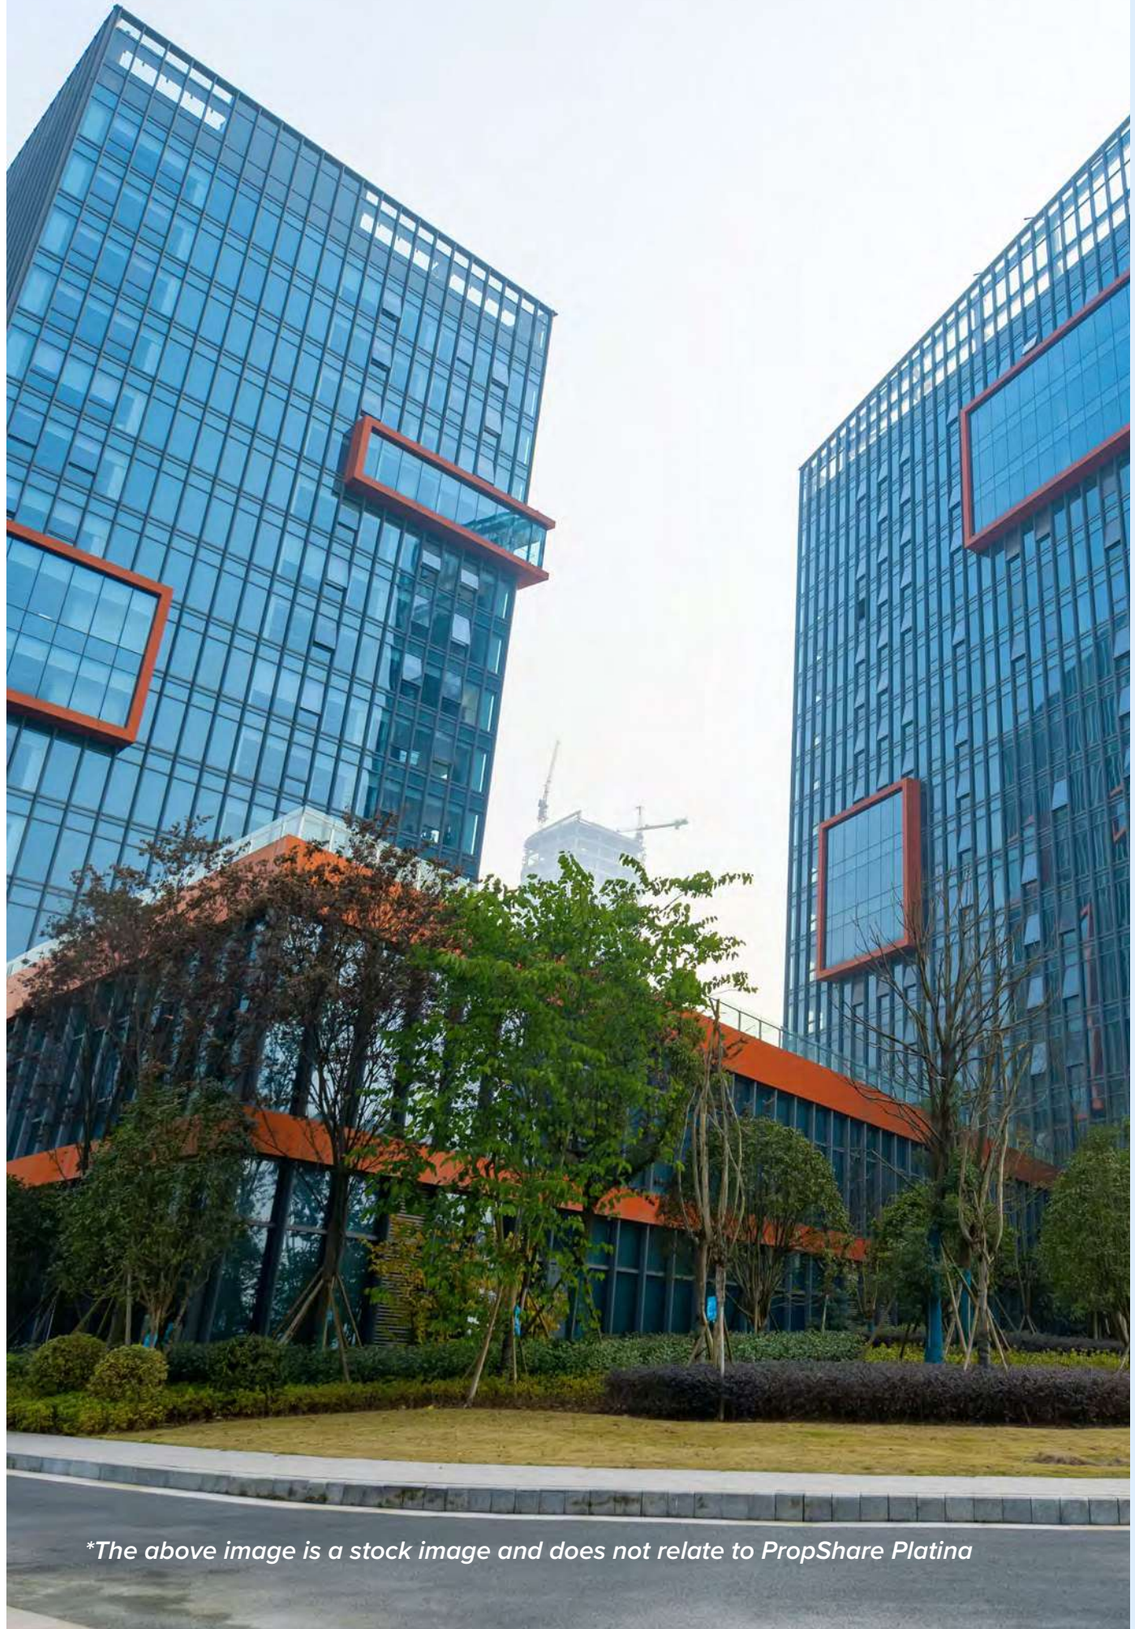

The ORR Southeast submarket continues to post industry-leading occupancy, with vacancy at 4.7% as of H1 2026, well below the city average of 10.6% and the pan-India average of 14.5%. This tight supply-demand balance has supported steady rental growth, with average rents at INR 112 psf/month. It has also drawn strong institutional interest, as the submarket accounts for 42% of Bengaluru's institutionally owned space and 45% of its REIT-owned office stock. Most Fortune 500 occupiers and major tech firms are based along this corridor.

The Blue Metro Line (Phase 2A: Central Silk Board to KR Puram; Phase 2B: KR Puram to Kempegowda International Airport), expected to be completed by mid 2027, should further strengthen the submarket's appeal to occupiers and drive incremental demand. The micro-market is expected to add new supply of 3.0 - 3.5 mn sq. ft. a year during 2026-2027, around 20-25% of the city's overall supply. Average annual net absorption of ~2.3 mn sq. ft. over the same period should keep pace with this supply, keeping vacancy tight.

The ORR Southeast submarket has consistently shown strong leasing velocity. Annual gross leasing averaged 5.0-5.2 mn sq. ft. during 2016–2025, equal to 35-40% of city volumes, and the submarket accounted for ~34.9% of city-level gross leasing in H1 2026. With vacancy at just 4.7%, the 2,46,935 sq. ft. space (a single-building, Grade A, ORR-facing asset) could be re-leased competitively.

Submarket Metric	ORR Southeast (H1 2026)
Completed Grade A Stock	80.1 mn sq. ft. (33% of city stock)
Share of India's Grade A Stock	8.6% — Largest office cluster in India
Submarket Vacancy	4.7% (vs. city average 10.6%)
Cumulative Net Absorption (2016–H1 2026)	41.7 mn sq. ft.
Cumulative New Completions (2016–H1 2026)	45.1 mn sq. ft.
Average Rent (H1 2026)	INR 112 psf/month (ORR overall: INR 111.4)
REIT-Owned Office Space	17.8 mn sq. ft. (45% of Bengaluru REIT space)
Institutional Ownership Share	42% of Bengaluru's institution-owned space
Annual Avg. Gross Lease Volume	5.0–5.2 mn sq. ft. (35–40% of city)
GCC Share in Submarket Leasing	65–70% of annual gross leasing
India GCC Space Capture	18% of India's cumulative GCC space take-up
Under-Construction Supply (H2 2026–2028)	9.1 mn sq. ft.
Historical Rental CAGR (2016–2025)	4.78% per annum

1. WHO WE ARE

Investment Overview

The Scheme owns and manages 246,935 sq. ft. of premium Grade A office space in Prestige Tech Platina. The entire space is 100% leased to 24[7].ai (24/7 Customer Private Limited), a US-based technology company, as on 30 September 2026. The nine-year lease term, combined with staggered lock-in periods of three to seven years, offers the SM REIT a good degree of certainty regarding the asset's future income.

Note: Subsequent to the reporting date, one floor (18% of the leased area) has been leased to Cigna Health Solutions India Private Limited, part of The Cigna Group, a US-based global health services company, with effect from 7 October 2026. The asset remains 100% leased..

Our competitive strengths include the following:

1. Grade A, LEED Gold asset built by one of India's leading developers, The Prestige Group
2. Located on the Outer Ring Road, Bangalore's largest office market
3. Stable cash flows from a long 9-year lease and a 3-7 year staggered lock-in period as of september 30, 2026.
4. Inflation linked cash flows with contracted escalations every 3 years.
5. Improved connectivity with the upcoming metro line expected to be operational by mid 2027.
6. Experienced investment and asset management team.
7. Corporate governance through an experienced board, marquee investors and advisory team.
8. Low management fee with 0.25% in FY27 and going up to a maximum of 0.30% from FY28 onwards.

Forward Outlook

Lease Analysis

As on 30 September 2026, the Subject Property is 100% leased across all six floors (Ground to Fifth) of Building 2, Prestige Tech Platina. The leases contain contractual escalations of approximately 3.85% after the first 3-year period and 15% every 3 years thereafter, structured to align with typical Bengaluru commercial office market practices.

Going forward, subsequent to the reporting date, one floor of the asset has been leased to Cigna Health Solutions India Private Limited, part of The Cigna Group, a US-based global health services company, with effect from 7 October 2026. The lease has been executed on market-aligned terms and has been structured to ensure continuity of rental income to the Scheme. The asset remains fully leased, and the remaining floors continue to be leased to 24/7 Customer Private Limited.

The new lease extends the lock-in profile of the asset and diversifies its tenant base across two US-headquartered multinationals in the technology and healthcare sectors.

Report on Corporate Governance

Overview

Property Share Investment Trust seeks to ensure a high standard of corporate governance consistent with global best practices. Our governance framework emphasises accountability, transparency and integrity, with a view to maximising Unitholder value. Property Share Investment Trust has in place a comprehensive set of compliance policies to implement this corporate governance framework.

Authorisation Structure

The Property Share Investment Trust was settled on June 27, 2024, at Bangalore, Karnataka, India as a contributory, determinate and irrevocable trust under the provisions of the Indian Trusts Act, 1882, pursuant to a trust deed dated June 27, 2024, as amended on July 19, 2024, February 21, 2025, December 12, 2025 and June 02, 2026. The Property Share Investment Trust was registered with Securities and Exchange Board of India ("**SEBI**") on August 5, 2024 as a small and medium real estate investment trust under Regulation 26L(1) of the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 ("**REIT Regulations**") having registration number IN/SM-REIT/24-25/0001. Property Share Investment Trust had listed India's 1st SM REIT scheme "PropShare Platina" with BSE Limited ("**BSE**") on December 10, 2024.

Investment Manager

PropShare Investment Manager Private Limited (**"Investment Manager/ PIMPL"**) is the Investment Manager of the Property Share Investment Trust and its schemes. The Investment Manager is a private limited company incorporated in India under the Companies Act, 2013 pursuant to a certificate of incorporation dated April 02, 2024, issued by the Registrar of Companies, Bengaluru.

The Investment Manager's role is to ensure that it will at all times maintain adequate infrastructure, and sufficient key personnel and resources to perform its functions, duties and responsibilities with respect to the management of the Property Share Investment Trust and its schemes, in accordance with the REIT Regulations, the Investment Management Agreement and applicable law.

Trustee

Axis Trustee Services Limited is the Trustee of the Property Share Investment Trust. The Trustee is a registered intermediary with SEBI under the Securities and Exchange Board of India (Debenture Trustees) Regulations, 1993, as a debenture trustee having registration number IND000000494 which is valid until suspended or cancelled by SEBI. The Trustee is a wholly owned subsidiary of Axis Bank Limited.

The Trustee is not an Associate of the Investment Manager. The Trustee is responsible for holding the assets in Property Share Investment Trust for the benefit of the Unitholders.

Governance Statement

For the half year ended September 30, 2026, the Investment Manager and the Property Share Investment Trust have complied with the provisions of the Trust Deed, Investment Management Agreement, the REIT Regulations and the Corporate Governance policies.

Board of Directors and Management Constitution of the Board

a. The Investment Manager has 6 (six) Directors and half of which are Independent Directors including one Woman Independent Director. The profiles of the Directors are set forth on page 30-31 of this report. Mr. Hashim Qadeer Khan is the Chairman and Chief Executive Officer of the Investment Manager.
b. The Board of the Investment Manager is responsible for the overall management and governance of the Investment Manager.
c. The Chief Financial Officer and Chief Executive Officer of the Investment Manager are responsible for the day-to-day business operations and the management of the Investment Manager and Property Share Investment Trust, subject to the superintendence, control and direction of the Board of Directors of the Investment Manager.

Meetings of the Board of Directors of the Investment Manager ("Board")

a. 6 (Six) Board Meetings were held during the half year ended September 30, 2026, i.e., April 17, 2026, April 21, 2026, May 29, 2026, June 09, 2026, July 13, 2026 and August 04, 2026. The necessary quorum was present physically and through Audio-Visual Electronic Communication means in all the meetings. The time gap between any two board meetings was less than 120 days.
b. The Board meets at regular intervals to discuss and decide on policies and business strategy apart from other Board and compliance matters. Advance notice is given to all directors to schedule the Board meetings, including those held at shorter notice. The agenda and other related papers are circulated to the Directors ahead of the Meetings. The minutes of the meetings of all the Board and Committees are circulated to all the Directors and are finalised after incorporating comments of the Directors, if any. Unanimous decisions were carried through and there were no instances where any director expressed any dissenting views.
c. The Board passed 1 (one) resolution through circulation during the half year ended September 30, 2026 on April 22, 2026.
d. None of the Directors is a member of more than ten Board level committees (considering only Audit Committee and Stakeholders' Relationship Committee) or Chairperson of more than five committees across all public limited companies (listed or unlisted).

Willowprops Private Limited	24/7 Customer Private Limited
Premiumbiz Private Limited	24/7 Customer Private Limited
Estapropfront Private Limited	24/7 Customer Private Limited

Under the Platina Scheme, there are no underconstruction properties. Refer to page no 25, for lease maturity profile

3. Brief summary of the valuation report as at the half year ended September 30, 2026

Please refer to page 78-83 of this report

*The above image is a stock image and does not relate to PropShare Platina

4. Details of changes during the year pertaining to:

a. Addition and divestment of assets including the identity of the buyers or sellers, purchase/sale prices and brief details of valuation for such transactions

Nil

b. Valuation of assets (as per the half yearly valuation report) and NAV

Please refer to pages 78-83 of this report

c. Letting of assets, occupancy, lease maturity, key tenants, etc.

Subsequent to the reporting date as on 30th September 2026, there has been a change in tenancy for the 3rd floor, which has been leased to Cigna Health Solutions India Private Limited with effect from 7 October 2026. There is no change in rental income to the scheme. As the new lease carries a fresh lock-in period, the weighted average lock-in period remaining for the asset is expected to increase from the 2.81 years reported as on 30 September 2026. The change diversifies the asset's tenant mix across two multinational companies operating in the technology and healthcare sectors. Additionally, the fresh lock-in period under the new lease is expected to improve the asset's weighted average remaining lock-in period.

d. Borrowings/repayment of borrowings (standalone and consolidated)

Nil

e. Investment Manager, Trustee, Valuer, directors of the Trustee/ Investment Manager, etc.

There was no change in Investment Manager, Trustee or the Valuer. There was no change in the directors of the Investment Manager. The changes in the directors of Trustee are as follows:

- Mr. Prashant Ramrao Joshi resigned from the position of Non-Executive Non-Independent Director of the Trustee, with effect from April 16, 2026;
- Mr. Sudipto Nag was appointed as a Non-Executive Non-Independent Director of the Trustee, with effect from April 16, 2026;
- Mr. Arun Mehta resigned from the position of Independent Director, with effect from May 12, 2026; and
- Mr. Vipul Mehrotra was appointed as an Independent Director of the Company with effect from June 24, 2026

f. Clauses in Trust Deed, Investment Management Agreement or any other agreement entered into pertaining to activities of SM REIT

During the half year ended September 30, 2026, there were no changes made to the Investment Management Agreement and any other agreement entered into pertaining to activities of SM REIT

However , the following changes were made to the Trust Deed of Property Share Investment Trust

Trust Deed

Amendment Date	Amended Provision
June 02, 2026	IV. PropShare Lumina

1.	**Name of the Scheme**	PropShare Lumina
2.	**Registered office of the Scheme**	16th Floor, SKAV Seethalakshmi, 21/22 Kasturba Road, Bengaluru, Karnataka 560001
3.	**Constitution and Declaration of the Scheme**	The Trustee hereby declares and launches PropShare Lumina with an irrevocable sum of INR 10,000 (Rupees Ten Thousand only) ("**Scheme Corpus**") to be used towards the initial settlement expenses of PropShare Lumina. The initial settlement of PropShare Lumina, along with the Scheme Corpus of PropShare Lumina shall be held by the Trustee in trust for the objects and with the powers and subject to the rights, duties and obligations with regard to PropShare Lumina as specified in this Fourth Amendment Deed
4.	**Investment Objective**	The investment objective of PropShare Lumina will be to carry on the activity of a scheme of a small and medium real estate investment trust as permissible under the REIT Regulations and applicable laws and may be further detailed in the Scheme Documents. It is clarified that the investment of the Scheme shall only be in accordance with the REIT Regulations, in completed and revenue generating real estate properties through SPVs, as permitted under the REIT Regulations.

	Target Asset Class	The target asset class for PropShare Lumina shall be real estate assets as permitted under the REIT Regulations and other applicable laws and as may be decided by the Investment Manager and set out in the Scheme Documents.
	Trustee Fee	For acting as the Trustee and for discharging its functions and responsibilities as the Trustee of PropShare Lumina the Trustee shall be entitled to receive from the Scheme the following fees as agreed in letter dated March 14, 2024 entered into between the Investment Manager and the Trustee I. an initial acceptance fee of INR 1,25,000 (Rupees One Lakh Twenty-Five Thousand only), plus applicable taxes; and ii. during its tenure as Trustee, annual trusteeship fees of INR 1,00,000 (Rupees One Lakh only), plus applicable taxes.

g. Any other material changes or events during the half year

The Investment Manager is currently evaluating and considering to sell the properties held by the SPVs of PropShare Platina, with the objective of providing liquidity and enabling capital appreciation for the benefit of the unitholders . In connection with the proposed sale, post the closure of September 30, 2026 the Investment Manager has also entered into non binding term sheet on October 21, 2026 with prospective purchaser(s) at an enterprise value of Rs. approximately Rs 410.13 Cr by way of transfer of the entire share capital and all other instruments of all the SPVs owned by PS Platina. The Enterprise Value will be subject to customary and identified adjustments (if any) on the closing date for working capital items or other items post which the Net Consideration (subject to applicable taxes) will be realized, if and upon successful consummation of the above-mentioned transaction. For further information, please refer to the BSE intimations dated July 13, 2026 and October 22, 2026

5. Update on development of under-construction properties, if any

Not applicable.

6. Details of outstanding borrowings and deferred payments of PropShare Platina including any credit rating(s), debt maturity profile, gearing ratios of the REIT on a consolidated and standalone basis as at the end of the half year

Not applicable.

7. Debt maturity profile over each of the next 5 years and debt covenants, if any

Not applicable.

8. The total operating expenses of the REIT, including all fees and charges paid to the Investment Manager and any other parties, if any during the half year

The details can be referred from the Financial Statement annexed to the report as **Annexure A**

9. Past performance of PropShare Platina with respect to unit price, distributions and yield for the last 5 years, as applicable and Unit price quoted on the designated stock exchanges at the beginning and end of the half year, the highest and lowest unit price and the average daily volume traded during the half year.

13. Brief details of material litigations and regulatory actions which are pending against the Property Share Investment Trust, Trustee, Investment Manager and its Associates, if any, as at the end of the half year, unless specified otherwise.

This section discloses all outstanding title litigation pertaining to the Trust, Trustee, Investment Manager and its Associates along with details of other title related disclosures. Further, details of all outstanding regulatory actions and criminal matters against the Trust, Trustee, Investment Manager and its Associates (together, "**Relevant Parties**"), have been disclosed. Further, only such outstanding civil/ commercial matters against the Relevant Parties have been disclosed where amounts involved are in excess of the materiality thresholds disclosed below.

It is clarified that for the above purposes, pre-litigation notices received by the Relevant Parties have not been considered as litigation until such time that the Relevant Parties are impleaded as defendants in litigation proceedings before any judicial forum. Additionally, in cases where outcome of one litigation impacts one or more other litigations, which individually are below materiality threshold, but collectively above, such cases will also be disclosed.

Further, all outstanding cases where the amount is not determinable, but an adverse outcome would materially and adversely affect the business, operations, prospects or reputation of the Relevant Parties, irrespective of the amount involved, may be identified as material and disclosed under the relevant section.

I. Material litigation and regulatory action pending against the Trust and its Associates
For the purpose of pending civil/ commercial matters (including all outstanding cases, litigation, claims and arbitration proceedings) against the Trust, matters which are quantifiable, irrespective of the amount involved, have been considered material.

There are no outstanding criminal litigation, non-ordinary course regulatory actions or material civil litigation against the Trust or its associates.

II. Material litigation and regulatory action pending against the Investment Manager and its Associates
For the purpose of pending civil/ commercial matters (including all outstanding cases, litigation, claims and arbitration proceedings) against the Investment Manager and its Associates, matters which are quantifiable, and involve an amount in excess of 5% of the net-worth of the Investment Manager (as of September 30, 2026), have been considered material.
There are no outstanding criminal litigation, non-ordinary course regulatory actions or material civil litigation against the Investment Manager and its Associates.

III. Litigation and Regulatory Actions involving the Trustee
There are "Nil" material civil/ commercial litigations against ATSL, however there is an ongoing investigation before the Competition Commission of India against ATSL in its former official capacity as one of the office bearers of the Trustees Association of India, for alleged cartelization. Further, ATSL has invoked confidentiality in said matter.

Further an appeal (172/2026) has been filed by ATSL against SEBI Adjudication order dt.29.04.2026 before the Securities Appellate Tribunal (SAT), Mumbai challenging. a SEBI order dated 29th April 2026, imposing penalties for findings against ATSL in its capacity as a Trustee to the other REIT, particularly alleging that ATSL is liable to examine whether the CEO of the manager met 'fit and proper' criteria. The Hon'ble SAT has granted a stay subject to payment of 50% of the penalty amount. The next date in the matter is 10th December 2026.

Criminal matters
There are no criminal litigations against the Trustee in its corporate capacity. However, a criminal application has been filed by Ganesh Benzoplast Limited, the security provider to certain NCDs praying for quashing of an FIR filed by the Axis Trustee Services Limited, on behalf of the debenture holders. The FIR was filed by the Trustee in its capacity as a debenture trustee, upon default and on instruction and on behalf debenture holders, before the DCP, Economic Offence Wing, New Delhi for alleged fraud and forgery by promoter, security provider and issuer of NCDs. The matter is currently pending. Further, there is no material allegation litigation against ATSL in this matter.

The Trustee in its various capacities acting as a trustee, debenture trustee, security trustee, among others, has initiated several proceedings against certain parties based on instructions received from its clients, as follows:

i. Applications under Section 138 of Negotiable Instruments Act, 1881, based on the instructions of debenture holders/ lenders, in relation to dishonour of cheques. These matters are pending before various forums.
ii. The Trustee, upon instructions of their client has filed an appeal under Section 26(1) of Prevention of Money Laundering Act, 2002 before the appellate tribunal against the order of the adjudicating authority in the matter OC No.2470 of 2024. The matter is currently pending.

Regulatory actions
Except as stated below, there is no regulatory action involving the Trustee as on September 30, 2026

1. Show cause notice dated May 30, 2025, issued by SEBI under rule 4(1) of SEBI (Procedure for Holding Inquiry and Imposing Penalties) Rules, 1995 with respect of role of the Trustee in the matter of fit and proper criteria in relation to key managerial personnel of a real estate infrastructure trust.
2. Appeal No. 172 of 2026 has been filed by ATSL before Securities Appellate Tribunal, Mumbai, against SEBI Adjudication Order dated April 29, 2026 (Order No. Order/JS/DP/2026-27/32396). The next date in the matter is 10th December 2026.

The details of Disciplinary Action of Trustee as of September 30, 2026 is annexed as **Annexure B**.

14. Risk factors

Risks Related to Our Business and Industry

1. Our revenues, results of operations, cash flows and financial condition may be adversely affected by low occupancy and rent levels of our commercial office spaces.
2. Any future proposals to upgrade existing projects in our SPVs may be exposed to a number of risks and uncertainties which may adversely affect our business, financial condition, results of operations and cash flows.
3. Tenant leases across our SPVs are subject to certain risk of default, non-renewal, early termination, adequate stamp duty payment, regulatory or legal proceedings or changes in applicable laws or regulations, thereby impacting leasing and other income.
4. We may be subject to risks inherent in acquiring ownership interests in properties which are part of a larger development or which share or have common areas.
5. If the Indian real estate market weakens, our business, financial condition, results of operations and cash flows may be adversely affected.
6. The valuation reports obtained for our SPVs are based on various assumptions and may not be indicative of the true value of our assets.
7. We may be required to record significant charges to earnings in the future when we review our SPVs for potential impairment.
8. The title and development rights or other interests over land where assets are located, and/or rights and interests in our SPVs may be subject to legal uncertainties and defects, which may interfere with our ownership of the SPVs and result in us incurring costs to remedy and cure such defects.
9. We may face certain risks relating to our reliance on third party operators in operating and managing our assets and on contractors and third parties in upgradation of our projects that may adversely affect our reputation, business, financial condition, results of operations and cash flows.
10. We may not be able to achieve profitability and we can provide no assurance of our future operating results.
11. If we are unable to maintain relationships with other stakeholders of our SPVs, our financial conditions and results of operation may be adversely affected.
12. We are exposed to a variety of risks associated with safety, security and crisis management.
13. Inadequate property asset management could reduce the attractiveness of our SPVs and as a result, adversely affect our business, financial condition, results of operations and cash flows.
14. We track certain operational metrics with internal systems and tools, or that are based on management estimates and information provided by our tenants. Such metrics are subject to inherent challenges in measurement and may be incomplete or unreliable, which may adversely affect our business and reputation.
15. Non-compliance with, and changes in, environmental, health and safety laws and regulations could adversely affect the operations and maintenance of our properties and our financial condition.
16. We may be adversely affected if the SPVs are unable to obtain, maintain or renew all regulatory approvals that are required for their respective business.
17. Our SPVs are subject to ongoing compliance requirements under various laws, and there may be instances of non-compliance.
18. There may be conflicts of interests between the Lead Manager and/or their associates and affiliates and the Investment Manager, the Trustee and/or their respective associates/ affiliates.
19. We may not be able to successfully meet working capital or capital expenditure requirements of our SPVs due to the unavailability of funding on acceptable terms.
20. The assets in our SPVs may be subject to increases in direct expenses and other operating expenses. Renovation work, repair and maintenance or physical damage to the assets in our SPVs may disrupt our operations and collection of revenue from lease rentals or otherwise result in an adverse impact on our financial condition and results of operation.
21. Unfavorable media coverage could harm our brand, business, financial condition, cash flows and results of operations.
22. The Property Share Investment Trust does not own the trademark “Property Share Investment Trust” and the associated logo to be used by us for our business and our ability to use the trademark may be impaired.
23. If we are unable to compete effectively, our business, financial condition, results of operations and cash flows may be adversely affected.
24. Our operating results may differ significantly from period to period which may adversely affect our business and financial condition.
25. Our business may be adversely affected by the illiquidity of real estate investments.
26. Security and IT risks may disrupt our business, result in losses or limit our growth.

Risks Related to our Organization and Structure

27. We do not provide any assurance or guarantee of any distributions to the Unitholders. We may not be able to make distributions to Unitholders in the manner described in this Trust Offer Document and any scheme offer documents issued by the Trust or at all, and the level of distributions may decrease.
28. The REIT Regulations impose restrictions on the investments made by us and require us to adhere to certain investment conditions, which may limit our ability to acquire and/or

dispose of assets or explore new opportunities. Further, the regulatory framework governing real estate investment trusts in India is relatively new.

Risks Related to our Relationships with the Investment Manager

29. We and parties associated with us are required to maintain the eligibility conditions specified under REIT Regulations as well as the Certificate of Registration on an ongoing basis. We may not be able to ensure such ongoing compliance by the Investment Manager and the Trustee, which could result in the cancellation of our registration.
30. We depend on the Investment Manager and its personnel for our success and our results of operations, financial condition, cash flows and ability to make distributions may be harmed if the Investment Manager fails to perform satisfactorily, for which our recourse may be limited. We may not find a suitable replacement for the Investment Manager if the Investment Management Agreement is terminated or if key personnel cease to be employed by the Investment Manager or otherwise become unavailable to us.

Risks Related to India

31. Political, macroeconomic, demographic and other changes and natural disasters, fires, epidemics, pandemics, acts of war, civil unrest and other events could adversely affect economic conditions in India.
32. Financial instability in other countries may cause increased volatility in Indian financial markets.
33. A downgrade in ratings of India, may affect the trading price of the Units.
34. It may not be possible for Unitholders to enforce foreign judgments.
35. We are subject to taxes and other levies imposed by the central and state governments in India, as well as other financial policies and regulations. Tax laws are subject to changes and differing interpretations, which may materially and adversely affect our operations and growth prospects.
36. Investors may be subject to Indian taxes arising out of capital gains on the sale of Units.
37. Our business and activities may be regulated by the Competition Act, 2002 and any breach thereof may invite sanctions.
38. Compliance with the European Union Directive on Alternative Investment Fund Investment Managers and the United Kingdom Regulation on Alternative Investment Fund Investment Managers may increase administrative and regulatory burdens on the Investment Manager and us.

Risks Related to Project Platina

39. A significant portion of our revenues will be derived from a proposed single tenant. Any conditions that impact this tenant, the properties or the markets may adversely affect our business, revenue from operations and financial condition.
40. The Valuation Reports obtained for our Project Platina are based on various assumptions and may not be indicative of the true value of Project Platina.
41. The Investment Manager may not be able to execute our growth strategy successfully resulting in inability to offer projected yields
42. Any change in the prevailing rental levels of the submarket could adversely affect our business, results of operations and financial condition.

Risks Related to the Ownership of the Platina Units

43. Trusts such as us may be dissolved, and the proceeds from the dissolution thereof may be less than the amount invested by the Platina Unitholders.
44. The reporting requirements and other obligations of small and medium real estate investment trusts post-listing are still evolving. Accordingly, the level of ongoing disclosures made to and the protections granted to Platina Unitholders may be more limited than those made to or available to the shareholders of a company that has listed its equity shares upon a recognized stock exchange in India.
45. Fluctuations in the exchange rate of the Indian Rupee with respect to other currencies will affect the foreign currency equivalent of the value of the Platina Units and any distributions.
46. Any future issuance of Platina Units by us or sales of Platina Units by any of the significant Platina Unitholders may materially and adversely affect the trading price of the Platina Units.
47. Our rights and the rights of the Platina Unitholders to recover claims against the Investment Manager or the Trustee are limited.
48. NAV per Platina Unit may be diluted if further issues are priced below the current NAV per Platina Unit.

15. Information of the contact person of Property Share Investment Trust

16. Auditor's Limited Review report
Please refer to page 74 of this report.

17. REIT Management Fees
During FY 2025–26, no management fees were paid to the Investment Manager. As per the Final Offer Document, a Scheme Management Fee of up to 0.25% of the gross proceeds of the distributions or the assets under management of the Scheme is to be charged for FY 2026–27.

Accordingly, management fees amounting to ₹4.41 million were charged and paid to the Investment Manager during FY 2026–27 up to 30 September 2026. This change is disclosed pursuant to Clause 4.6.1 of Chapter 4 of SEBI Master Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2025/99 dated July 11, 2025.

Kasturba Road, Bengaluru – 560001

1. We have reviewed the accompanying Unaudited Condensed Standalone Interim Ind AS Financial Statements of PropShare Platina (the "Scheme") which comprises of the Unaudited Condensed Standalone Balance Sheet as at September 30, 2026, the Unaudited Condensed Standalone Statement of Profit and Loss, including other comprehensive income for the quarter and half year ended September 30, 2026, Unaudited Condensed Standalone Statement of Cash Flows for the quarter and half year ended September 30, 2026, the Unaudited Condensed Standalone Statement of Changes in Unitholders Equity for the half year ended September 30, 2026, the Unaudited Condensed Standalone Statement of Net Assets at Fair Value as at September 30, 2026, the Unaudited Condensed Standalone Statement of Total Returns at Fair Value for the half year ended September 30, 2026, the Unaudited Statement of Net Distributable Cash Flows for the quarter and half year ended September 30, 2026 and a summary of the material accounting policies and select explanatory notes (together hereinafter referred to as the "Condensed Standalone Interim Ind AS Financial Statements").

2. The Investment Manager is responsible for the preparation of the Condensed Standalone Interim Ind AS Financial Statements in accordance with the requirement of Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations' 2014, as amended including any guidelines and circulars issued thereunder ("SM REIT Regulations"). The Condensed Standalone Interim Ind AS Financial Statements has been approved by the Board of Directors of the Investment Manager. Our responsibility is to express a conclusion on the Condensed Standalone Interim Ind AS Financial Statements based on our review.

3. We conducted our review of the Condensed Standalone Interim Ind AS Financial Statements in accordance with the Standard on Review Engagements (SRE) 2410' "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Condensed Standalone Interim Ind AS Financial Statements is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Condensed Standalone Interim Ind AS Financial Statements, prepared in all material respects in accordance with the requirements of Ind AS 34, as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with the relevant rules issued thereunder and other accounting principles generally accepted in India to the extent not inconsistent with the SM REIT Regulations, has not disclosed the information required to be disclosed in terms of the SM REIT Regulations read with the SEBI Circulars, including the manner in which it is to be disclosed or that it contains any material misstatement.

Emphasis of matter

5. We draw attention to Note 10(b)(i) of the Condensed Standalone Interim Ind AS Financial Statements which describes the presentation of "Unit Capital" as "Equity" instead of compound financial instrument to comply with the REIT Regulations. Our opinion is not modified in respect of this matter.

6. We draw attention to Note 25 to the Condensed Standalone Interim Ind AS Financial Statements, which states that the Board of Directors of the Investment Manager, at its meeting held on July 13, 2026, approved a proposal to evaluate the potential sale of the assets held under PropShare Platina with a view to assessing the commercial feasibility and maximising value for the unitholders. As described in the said note, the evaluation is preliminary in nature, and any decision to proceed with the sale of the assets will be subject to the applicable provisions of the SM REIT Regulations, along with the requisite approvals. The Board's approval is limited to evaluating the proposed sale and does not constitute approval for the sale or transfer of the assets. Our opinion is not modified in respect of this matter.

Condensed Standalone Financial Statements
Notes to the Condensed Standalone Financial Statements
(All amounts are in Rs. million, unless otherwise stated)

I. Standalone Statement of Net Assets at Fair Value (NAV)

Particulars	As at September 30, 2026 (Unaudited)		As at March 31, 2026 (Audited)	
	Book Value	Fair Value	Book Value	Fair Value
(A) Total Assets	3,129.86	3,959.74	3,256.95	3,846.21
(B) Total Liabilities	(0.48)	(0.48)	(0.50)	(0.50)
(C) Net Assets	**3,129.38**	**3,959.26**	**3,256.45**	**3,845.71**
(D) No. of Units	3,361.00	3,361.00	3,361.00	3,361.00
NAV (C) / (D)	9,31,085.99	11,78,000.60	9,68,893.19	11,44,216.01

Measurement of fair values:

The fair value of investments in SPVs are computed basis the fair value of the underlying investment properties as at September 30, 2026 and March 31, 2026 along with values of other assets and liabilities accounted in the respective SPV financial statements as at September 30, 2026 and March 31, 2026. The fair value have been determined by independent external property valuers, having appropriately recognized professional qualifications and recent experience in the location and category of the property being valued.

Valuation technique:

The fair value measurement for all of the investment property has been categorized as a Level 3 fair value based on the inputs to the valuation technique used.

The valuers have followed a Discounted Cash Flow method. The valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account existing lease arrangements, expected rental growth rate, vacancy period, occupancy rate. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality and lease terms.

Notes:

1. Break up of Net Asset Value:

Particulars	As at September 30, 2026 (Unaudited)	As at March 31, 2026 (Audited)
Fair value of Investment in SPVs	3,940.74	3,824.02
Other assets	19.00	22.19
Less: Liabilities	(0.48)	(0.50)
Net Assets	**3,959.26**	**3,845.71**

2) The Scheme of Trust holds investment in SPVs which in turn hold the properties. Hence, the break-up of property wise fair value has been disclosed in Condensed Consolidated Financial Statements.

II. Standalone Statement of Total Returns at Fair Value

Particulars	For the half year ended September 30, 2026 (Unaudited)	For the year ended March 31, 2026 (Audited)
Total comprehensive income —(A)	27.78	70.47
Add : Changes in fair value not recognised (refer Note 1 below)—(B)	208.12	310.33
Total Returns C = (A+B)	**235.90**	**380.80**

Notes:

1. In the above statement, changes in fair value have been computed based on the difference in fair values of Investment Property from March 31, 2025 to September 30, 2026 and March 31, 2025 to March 31, 2026 respectively, adjusted for other assets/ liabilities. The fair values of the aforementioned assets as at September 30, 2026 and March 31, 2026 are solely based on the valuation report of the independent valuer appointed under the REIT Regulations.

Particulars	For the quarter ended September 30, 2026	For the quarter ended June 30, 2026	For the quarter ended September 30, 2025	For the half year ended September 30, 2026	For the half year ended September 30, 2025	For the year ended March 31, 2026
Cashflows from operating activities of the scheme of REIT	(0.64)	(0.45)	(0.40)	(1.09)	(1.56)	(2.01)
Add: Cash flows received from SPV's which represent distributions of NDCF computed as per relevant framework	78.01	76.86	70.90	154.87	143.99	300.41
Add: Treasury income/ income from investing activities (interest income received from FD, tax refund, any other income in the nature of interest, profit on sale of Mutual funds, investments, assets etc., dividend income etc., excluding any Ind AS adjustments. Further clarified that these amounts will be considered on a cash receipt basis)	0.02	0.00	0.03	0.02	0.08	0.10
Add: Proceeds from sale of real estate investments, real estate assets adjusted for the following: •Applicable capital gains and other taxes •Related debts settled or due to be settled from sale proceeds •Directly attributable transaction costs	-	-	-	-	-	-
Less: Finance cost on Borrowings, excluding amortisation of any transaction costs as per Profit and Loss Account and any shareholder debt / loan from Scheme of REIT.	-	-	-	-	-	-
Less: Debt repayment at schemes of the REIT level (to include principal repayments as per scheduled EMI's except if refinanced through new debt including overdraft facilities and to exclude any debt repayments / debt refinanced through new debt in any form or funds raised through issuance of units)	-	-	-	-		-
Less: Any reserve required to be created under the terms of, or pursuant to the obligations arising in accordance with, any: (i). loan agreement entered with financial institution, or (ii). terms and conditions, covenants or any other stipulations applicable to debt securities issued by the schemes of the REIT or any of its SPVs, or (iii). terms and conditions, covenants or any other stipulations applicable to external commercial borrowings availed by the schemes of the REIT or any of its SPVs, or (iv). agreement pursuant to which the schemes of the REIT operates or owns the real estate asset, or generates revenue or cashflows from such asset (such as, sale deed, lease agreement, and any other agreement of a like nature, by whatever name called), or (v). statutory, judicial, regulatory, or governmental stipulations	-	-	-	-	-	-
Less: Any capital expenditure on existing assets owned/ leased by the scheme of REIT, to the extent not funded by debt/ equity or from contractual reserves created in the earlier years	-	-	-	-	-	-
NDCF at scheme of trust level	**77.39**	**76.41**	**70.52**	**153.80**	**142.50**	**298.50**
Add: Distribution from surplus cash reserve (as per note 4(iii) on Framework for calculation of Net Distributable Cash Flows as per SEBI/HO/DDHS-PoD-2/P/CIR/2025/99)	(0.00)	0.16	3.48	0.16	8.19	10.50
NDCF at scheme of trust level (including distribution from surplus cash reserve)	**77.39**	**76.57**	**74.00**	**153.96**	**150.70**	**309.00**

PropShare Platina
(a first scheme of the Property Share Investment Trust)
SM REIT Reg No (Trust): IN/SM-REIT/24-25/0001
Condensed Standalone Financial Statements
Disclosure pursuant to SEBI Master Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2025/99
(All amounts are in Rs. million, unless otherwise stated)

Notes:

(i) The Board of Directors of the Investment Manager, in its meeting held on October 12, 2026, have declared distribution to unitholders of Rs. 23,024.83 per unit which aggregate to Rs. 77.39 million for the quarter ended September 30, 2026. The distribution of Rs. 23,024.83 per unit comprises of Rs. 4,138.91 per unit in form of interest payment, Rs. 18,885.92 per unit in the form of repayment of debt.

(ii) The Board of Directors of the Investment Manager, in its meeting held on July 13, 2026, have declared distribution to unitholders of Rs. 22,782.09 per unit which aggregate to Rs. 76.57 million for the quarter ended June 30, 2026. The distribution of Rs. 22,782.09 per unit comprises of Rs. 4,489.82 per unit in form of interest payment, Rs. 18,292.27 per unit in the form of repayment of debt.

PropShare Platina
(a first scheme of the Property Share Investment Trust)
SM REIT Reg No (Trust): IN/SM-REIT/24-25/0001
Notes to the Condensed Standalone Financial Statements

1. Trust and Scheme Information

The Property Share Investment Trust was settled on June 27, 2024, at Bangalore, Karnataka, India as a contributory, determinate and irrevocable trust under the provisions of the Indian Trusts Act, 1882, pursuant to a trust deed dated June 27, 2024, as amended on February 21, 2025. The Property Share Investment Trust was registered with SEBI on August 05, 2024, as a small and medium real estate investment trust under Regulation 26L (1) of the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 and as amended from time to time having registration number IN/SM-REIT/24-25/0001. The Property Share Investment Trust has been settled by the Investment Manager for an aggregate initial sum of ₹0.02 million. The first scheme of the Trust *i.e.* PropShare Platina has been settled by the Property Share Investment Trust with an initial corpus of ₹0.01 million.

The principal place of business of the Property Share Investment Trust and PropShare Platina is situated at 16th Floor, SKAV Seethalakshmi, 21/22, Kasturba Road, Bangalore 560001, India.

PropShare Platina, a first scheme of the Trust, having six wholly owned SPVs under its structure ("**Platina SPVs**"), in accordance with the REIT Regulations.

PropShare Investment Manager Private Limited is the "Investment Manager" or "Manager" of the Property Share Investment Trust. The Investment Manager is a private limited company incorporated in India under the Companies Act, 2013 pursuant to a certificate of incorporation dated April 02, 2024, issued by the Registrar of Companies, Karnataka at Bangalore. Axis Trustee Services Limited is the Trustee to the Property Share Investment Trust.

Units of PropShare Platina ("Scheme of Trust" or "Scheme") were listed on the Bombay Stock Exchange (BSE) on December 10, 2024.

The condensed standalone financial statements were approved for issue in accordance with a resolution passed by the Board of Directors of the Manager on behalf of the Scheme of Trust on October 12, 2026.

The shareholding pattern of Special Purpose Vehicles (SPV) of the Scheme of Trust are as follows:

Sl No	Name of the SPV/ Subsidiary	Shareholding
1	Rumosch Private Limited	100%
2	PropAreas Private Limited	100%
3	Avenueprops Private Limited	100%
4	Willowprops Private Limited	100%
5	Premiumbiz Private Limited	100%
6	Estapropfront Private Limited	100%

2. Basis of Preparation and Material Accounting Policies

2.1 Basis of preparation and Statement of Compliance

The Condensed Standalone Financial Statements (hereinafter referred to as the 'Standalone financial statements' or 'SFS') has been prepared in accordance with the requirements of SEBI (Real Estate investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued

thereunder read with SEBI Master Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2025/99 dated July 11, 2025 (the "REIT Regulations" or "SM REIT Regulations"); Indian Accounting Standard (Ind AS) as prescribed in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT Regulations.

The Standalone Financial Statements of the Scheme of Trust comprises the Condensed Standalone Balance Sheet as at September 30, 2026, the Condensed Standalone Statement of Profit and Loss, including other comprehensive income for the quarter and half year ended September 30, 2026, Condensed Standalone Statement of Cash Flows for the quarter and half year ended September 30, 2026, the Condensed Standalone Statement of Changes in Unitholders Equity for the half year ended September 30, 2026, the Condensed Standalone Statement of Net Assets at Fair Value as at September 30, 2026, the Condensed Standalone Statement of Total Returns at Fair Value for the half year ended September 30, 2026, the Statement of Net Distributable Cash Flows for the quarter and half year ended September 30, 2026 and a summary of the material accounting policies and select explanatory notes

The standalone financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, standalone financial statements have been prepared on the historical cost basis except for the accounting policies below. The accounting policies have been applied consistently over all the period presented in these standalone financial statements.

All amounts disclosed in the standalone financial statements and notes have been rounded off to the nearest millions, unless otherwise stated.

2.2 Operating cycle and basis of classification of assets and liabilities

Current versus non-current classification

The Scheme of Trust presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Scheme of Trust classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Scheme of Trust has identified twelve months as its operating cycle.

2.3 Use of judgements and estimates

The preparation of the standalone financial statements in conformity with generally accepted accounting principles in India requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimated and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognized in the standalone financial statements is included in the following notes:

- Presentation of "Unit Capital" as "Equity" in accordance with the REIT Regulations
- Valuation of financial instruments.

Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the standalone financial statements.

2.4 Functional and presentation currency

Items included in the standalone financial statements of the Scheme of Trust are measured using the currency of the primary economic environment in which the entity operates (the functional currency). These standalone financial statements are presented in Indian Rupees (INR), which is also the Scheme of Trust's functional currency.

2.5 Fair value measurement

'Fair value' is the price that would be received to sell an asset or paid to transfer liability in an orderly transaction between market participants at the measurement date in the principal market or, in its absence, the most advantageous market to which the Scheme of Trust has access at that date. The fair value of a liability reflects its non-performance risk.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the standalone financial statements on a recurring basis, the Scheme of Trust determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

2.6 Revenue from Operations

Recognition of dividend and interest income

Dividend income is recognised in the statement of profit and loss on the date on which Scheme of Trust's right to receive payment is established.

Interest income is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.

ln calculating interest income, the effective interest rate is applied to the gross carrying amount of the asset (asset is not credit-impaired). However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset.

2.7 Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Scheme of Trust shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled, and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised, or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Scheme of Trust offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to

realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

2.8 Provisions

Provisions are recognised when the Scheme of Trust has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Scheme of Trust expects some or all of a provision to be reimbursed the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the standalone statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2.9 Operating segments

The objective of the Scheme of Trust is to undertake activities in accordance with the provisions of the SEBI REIT Regulations and the Trust Deed. The principal activity of the Scheme of Trust is to own and invest in rent or income generating real estate and related assets in India through the SPVs.

The Board of Directors of the Investment Manager allocates the resources and assesses the performance of the Scheme of Trust, thus are the Chief Operating Decision Maker (CODM). In accordance with the requirements of Ind AS 108 - "Segment Reporting", the CODM monitors the operating results of the business. as a single segment, hence no separate segment needs to be disclosed. As the Scheme of Trust operates only in India, no separate geographical segment is disclosed.

2.10 Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of Scheme of Trust or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. Contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably.

Contingent liability is not recognised in the books of accounts but its existence is disclosed in the standalone financial statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote**.**

2.11 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value and, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e. the date that the Scheme of Trust commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- Financial asset at amortised cost
- Financial asset at Fair Value Through Other Comprehensive income (FVTOCI)
- Financial asset at Fair Value Through Profit and Loss (FVTPL)

Financial assets are measured at the amortised cost, if both of the following conditions are met:

(i) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
(ii) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Standalone Statement of Profit and Loss. The losses arising from impairment are recognised in the Standalone Statement of Profit and Loss. This category generally applies to investments, trade receivables, loans, cash and cash equivalent, bank balance other than cash and cash equivalent and other financial assets.

Financial asset is classified as FVTOCI, if both of the following criteria are met:

(i) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and
(ii) The asset's contractual cash flows represent SPPI.

Financial asset included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in OCI. However, the Scheme of Trust recognizes interest income, impairment losses and foreign exchange gain or loss in the Standalone Statement of Profit and Loss. On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to the Standalone Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

FVTPL is a residual category for financial asset. Any financial asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Financial asset included within the FVTPL category are measured at fair value with all changes recognized in the Standalone Statement of Profit and Loss.

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. If the Scheme of Trust decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to the Standalone Statement of Profit and Loss, even on sale of the investments. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the standalone statement of profit and loss.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a Scheme of Trust of similar financial assets) is primarily derecognised (i.e. removed from the balance sheet) when:
• The rights to receive cash flows from the asset have expired; or
• The Scheme of Trust has transferred its rights to receive cash flows from the asset and either (a) the Scheme of Trust has transferred substantially all the risks and rewards of the asset, or (b) the Scheme of Trust has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Scheme of Trust applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets and credit risk exposure.

For recognition of impairment loss on other financial assets and risk exposure, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the Scheme of Trust reverts to recognising impairment loss allowance based on twelve-month ECL.
Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The twelve-month ECL is a portion of the lifetime ECL which results from default events that are possible within twelve months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Scheme of Trust in accordance with the contract and all the cash flows that the Scheme of Trust expects to receive (i.e., all cash shortfalls), discounted at the original effective interest rate. ECL impairment loss allowance (or reversal) recognized during the year is recognized as income/ expense in the Standalone Statement of Profit and Loss.

For assessing increase in credit risk and impairment loss, the Scheme of Trust combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value. The Scheme of Trust's financial liabilities include trade payables and other financial liabilities.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortised cost

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Separated embedded derivatives are also classified as held for trading, unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognised in the standalone statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk are recognized in OCI. These gains/losses are not subsequently transferred to the Standalone Statement of Profit and Loss. However, the Scheme of Trust may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Standalone Statement of Profit and Loss.

Financial liabilities at amortised cost

After initial recognition, gains and losses are recognised in the Standalone Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the standalone statement of profit and loss.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Standalone Statement of Profit and Loss.

Reclassification of financial assets and liabilities

The Scheme of Trust determines classification of financial assets and liabilities on initial recognition. After initial recognition, no re-classification is made for financial assets which are equity instruments and financial liabilities.

For financial assets which are debt instruments, a re-classification is made only if there is a change in the business model for managing those assets. A change in the business model occurs when the Scheme of Trust either begins or ceases to perform an activity that is significant to its operations. If the Scheme of Trust reclassifies financial assets, it applies the re-classification prospectively from the re-classification date, which is the first day of the immediately next reporting period following the change in business model. The Scheme of Trust does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Offsetting of financial instruments

Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

2.12 Investment in SPV

The Scheme of Trust has elected to recognize its investments in SPV at cost in accordance with Ind AS 27, 'Separate Financial Statements'. Investments in SPV are reviewed for impairment, whenever events or changes in circumstances indicate that carrying amount may not be recoverable.

2.13 Unit Capital

Units issued by the Scheme of Trust are classified as equity. Incremental costs directly attributable to the issuance of units are recognized as a deduction from equity, net of any tax effects.

2.14 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, cheques on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

2.15 Distribution Policy

Under the provisions of the REIT Regulations, the Scheme of Trust is required to distribute to the unitholders not less than 100% of the net distributable cash flows ('NDCF') of the Scheme of Trust ("REIT Distributions"). The NDCF is calculated in accordance with the REIT Regulations and in the manner defined by the Manager. REIT Distributions shall be declared at least once in every quarter of the financial year and not later than 15 working days from the end of the quarter. The distributions are paid to the unit holders within 5 working days from the record date. The record date for the payment of distributions shall be the date which is 2 working days from the date of declaration of the distribution (excluding date of distribution and record date).

In terms of the REIT Regulations and NDCF framework prescribes the following minimum amount of NDCF to be distributed to the Scheme of Trust:

- not less than 95% of the NDCF of the SPV are required to be distributed to the Scheme of Trust, in proportion to its shareholding in the SPV, subject to applicable provisions of the Companies Act, 2013.

The aforesaid net distributable cash flows are made available to Scheme Trust in the form of (I) interest paid on Shareholder Debt, (ii) Repayment of Shareholder Debt, (iii) dividends (net of applicable taxes), (iv) interest paid on optionally convertible debentures and (v) Redemption proceeds of optionally convertible debentures or other similar instruments or as specifically permitted under the Trust Deed or in such other form as may be permissible under the applicable law.

2.16 Cash distribution to Unitholders

The Scheme of Trust recognizes a liability to make cash distributions to Unitholders when the distribution is authorized. As per the REIT Regulations, a distribution is authorized when it is approved by the Board of Directors of the Manager. A corresponding amount is recognized directly in equity.

2.17 Statement of Cash flows

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Scheme of Trust are segregated.

2.18 Earnings per unit

Basic earnings per unit is calculated by dividing the net profit or loss attributable to unit holders of the Scheme of Trust by the weighted average number of units outstanding during the period.

For the purpose of calculating diluted earnings per unit, the net profit or loss for the period attributable to unitholders of the Scheme of Trust and the weighted average number of units outstanding during the adjusted for the effects of all dilutive potential units.

2.19 Statement of net assets at fair value

The disclosure of statement of Net Assets at Fair Value comprises of the fair values of the properties held by SPV as well as book values of the total liabilities and other assets of the Scheme. The fair value of the property held by SPV are reviewed annually taking into consideration market conditions existing at the reporting date, and other generally accepted market practices.

2.20 Recent pronouncements

The Scheme of Trust applied for the first-time certain standards and amendments, which are effective for annual periods beginning on or after 1 April 2025. The Scheme of Trust has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

(i) Amendments to Ind AS 21 - Lack of exchangeability

The Ministry of Corporate Affairs (MCA) notified the Companies (Indian Accounting Standards) Amendment Rules, 2025, which amend Ind AS 21, *The Effects of Changes in Foreign Exchange Rates* to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its standalone financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows. The amendments are effective for annual reporting periods beginning on or after 1 April 2025. When applying the amendments, an entity cannot restate comparative information. The amendments do not have a material impact on the Scheme of Trust's standalone financial statements.

(ii) Amendments to Ind AS 1 - Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

In August 2025, the MCA notified amendments to paragraphs 69 to 76 of Ind AS 1 to specify the requirements for classifying liabilities as current or non-current. The amendments clarify:

- What is meant by a right to defer settlement
- That a right to defer must exist at the end of the reporting period
- That classification is unaffected by the likelihood that an entity will exercise its deferral right
- That only if an embedded derivative in a convertible liability is itself an equity instrument would the terms of a liability not impact its classification

In addition, a requirement has been introduced to require disclosure when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months. If there is a breach of a material covenant of a long term loan arrangement on or before the end of the reporting period, resulting in the liability becoming payable on demand as at the reporting date, and the lender agrees—after the reporting period but before the standalone financial statements are approved for issue—not to demand repayment for at least 12 months as a consequence of the breach, this shall be treated as an adjusting event. Accordingly, the entity is not required to classify the liability as current. The amendments are effective for annual reporting periods beginning on or after 1 April 2025 retrospectively in accordance with Ind AS 8. The amendments do not have a material impact on the classification of Scheme of Trust's liabilities.

(iii) Amendments to Ind AS 7 and Ind AS 107 - Supplier Finance Arrangements

In August 2025, the MCA notified amendments to Ind AS 7 *Statement of Cash Flows* and Ind AS 107 *Financial Instruments: Disclosures* to clarify the characteristics of supplier finance arrangements and require additional disclosure of such arrangements. The disclosure requirements in the amendments are intended to assist users of standalone financial statements in understanding the effects of supplier finance arrangements on an entity's liabilities, cash flows and exposure to liquidity risk. The Scheme of Trust does not have any supplier finance arrangements and hence, the said amendments do not have a material impact on the Scheme of Trust's standalone financial statements.

(iv) International Tax Reform—Pillar Two Model Rules – Amendments to Ind AS 12

In August 2025, the MCA notified amendments to Ind AS 12 *Income Taxes* in response to the OECD's BEPS Pillar Two rules and include:

- A mandatory temporary exception to the recognition and disclosure of deferred taxes arising from the jurisdictional implementation of the Pillar Two model rules; and
- Disclosure requirements for affected entities to help users of the standalone financial statements better understand an entity's exposure to Pillar Two income taxes arising from that legislation, particularly before its effective date.

The mandatory temporary exception – the use of which is required to be disclosed – applies immediately. The remaining disclosure requirements apply for annual reporting periods beginning on or after 1 April 2025, but not for any interim periods ending on or before 31 March 2026. The amendments had no impact on the Scheme of Trust's standalone financial statements as the Scheme of Trust is not in scope of the Pillar Two model rules.

3. Non-current Investments

Particulars	As at September 30, 2026	As at March 31, 2026

(i) Terms/ rights attached to the Units:

The Scheme of Trust has only one class of Units. Each Unit represents an undivided beneficial interest in the Scheme of Trust. Each holder of Units is entitled to one vote per unit. The Unitholders have the right to receive 100% of the Net Distributable Cash Flows of the Scheme of Trust at least once in every quarter in each financial year in accordance with the SM REIT Regulations The Board of Directors of the Manager approves distributions to Unitholders. The distribution will be in proportion to the number of Units held by the Unitholders. The Scheme of Trust declares and pays distributions in Indian Rupees.

Under the provisions of the REIT Regulations, Propshare Platina is required to distribute to Unitholders not less than 100% of the net distributable cash flows of Propshare Platina for each financial year. Accordingly, a portion of the Unitholders' funds contains a contractual obligation of the Scheme to pay cash to the Unitholders. Thus, in accordance with the requirements of Ind AS 32 Financial Instruments: Presentation, the Unit Capital should have been classified as compound financial instrument which contains both equity and liability components. However, Paragragh 4.2.3 of Chapter 4 of the SEBI master circular no. SEBI/HO/DDHS-PoD-2/P/CIR/2025/99 dated 11 July 2025 issued under the REIT Regulations, require the Unit Capital in entirety to be presented/classified as which is at variance from the requirements of Ind AS 32. In order to comply with the aforesaid SEBI requirements, the Propshare Platina has presented unit capital as equity in these financial results. Consistent with funds being classified as equity, the distributions to Unitholders in the form of interest and dividend is presented in Statement of Changes in Unitholders' Equity and distribution to Unitholder in the form of repayment of capital is presented as a seperate line item on face of the Balance Sheet and not as finance cost. In line with the above, the distributions payable to Unitholders is recognised as liability when the distributions are approved by the Board of Directors of the Investment Manager.

(ii) PropShare Platina has not allotted any fully paid-up units by way of bonus units nor has it bought back any class of units from the date of incorporation until the balance sheet date. Further, the scheme of trust has not issued any units for consideration other than cash from the date of incorporation until the balance sheet date.

(iii) The manager hold 5% of the units (169 Units) in accordance with SM REIT Regulations.

17. Earnings per unit (EPU)

Basic EPU is calculated by dividing the profits for the period attributable to unitholders of the scheme of trust by the weighted average number of units outstanding during the period. Diluted EPU is calculated by dividing the profits for the period attributable to unitholders of the scheme of trust by the weighted average number of units outstanding during the period plus the weighted number of units that would be issued on conversion of all dilutive potential units into unit capital.

Particulars	For the quarter ended September 30, 2026	For the quarter ended June 30, 2026	For the quarter ended September 30, 2025	For the half year ended September 30, 2026	For the half year ended September 30, 2025	For the year ended March 31, 2026

- Diluted (Rupees/ Unit)	3,914.12	4,351.03	5,384.96	8,265.15	11,066.79	20,966.35

18. Income tax

Propshare Platina (the "Scheme of Trust") is a business trust registered under SEBI REIT Regulations, 2014. Hence, the interest and dividend received or receivable by the trust is exempt from tax under section 10(23FC) of the Income tax Act, 1961 (the "Act") and the rental income received or receivable is exempt from tax under section 10(23FCA) of the Act. Further, any expenditure incurred in relation to earning the exempt income is not tax deductible in view of provision of section 14A of the Act. The income of the trust, other than exempt income, is chargeable to tax at the maximum marginal rates in force.

19. Investment Manager Fee

Pursuant to the Investment Management Agreement entered by Axis Trustee Services Limited (as a trustee of PropShare Real Estate Investment Trust) and PropShare Investment Manager Private Limited (as a "Investment Manager") dated June 27, 2024 and the amendment agreement to the Investment Management Agreement dated July 19, 2024 and November 05, 2024; Investment Manager is entitled to receive SMREIT Management which shall be percentage of the assets of the scheme or of the gross proceeds (including the Investment Manager's contribution) from the scheme's offer ("Gross Proceeds"); or of the distributions; or of assets under management; or of the lease rentals, each for such specified period as may be described in the scheme documents and as set out in Schedule I of the investment management agreement. The Investment Manager is also entitled to receive a Property Acquisition Fee, which is equivalent to such agreed percentage of the purchase price or Gross Proceeds, or value of such REIT asset acquired by the scheme as certified by an independent valuer as may be described in the offer documents. The fees may be paid out of the funds available, or reserves created with the Property Share Investment Trust or in Units. If the fees are paid in Units, the issue price of such Units shall be at the prevailing market price as determined in accordance with the REIT Regulations and applicable law.

The scheme of trust shall pay to the Investment Manager fees as follow: (i) no scheme management fee for financial year 2024-2025 and financial year 2025-2026, scheme management fee of up to 0.25% of the gross proceeds or of the distributions; or the assets under management of the scheme for financial year 2026-2027 and scheme management fee of up to 0.30% of the gross proceeds or of the distributions; or assets under management of the scheme for financial year 2027-2028 and onwards; (ii) no property management fee; (iii) a property acquisition fee of up to 1.5% of the Gross Proceeds; and (iv) a Divestment Fee of up to 3% of the Gross Proceeds.

20. Trustee Fee

The trustee is entitled to an initial acceptance fee of Rs. 0.125 million and an annual fee of Rs. 0.10 million, exclusive of all applicable taxes and any other out of pocket expenses, as applicable. The annual fee shall be subject to revision.

(This space has been intentionally left blank)

21. Financial instruments - Fair value measurement

A) The carrying value and fair value of financial instruments by categories are as below:

Particulars	Carrying Value September 30, 2026	Fair Value September 30, 2026	Carrying Value March 31, 2026	Fair Value March 31, 2026
Financial assets				
At amortised cost				
Investment in equity shares	347.72	1,177.60	347.72	934.88
Investment in optionally convertible debentures	2,085.94	2,085.94	2,085.94	2,088.03
Loans	677.20	677.20	801.11	801.11
Cash and cash equivalents	4.26	4.26	0.20	0.20
Other bank balances	0.02	0.02	-	-
Other financial assets	14.33	14.33	21.93	21.93
Total	**3,129.47**	**3,959.35**	**3,256.90**	**3,846.15**
Financial liabilities				
At amortised cost				
Trade payables	0.42	0.42	0.47	0.47
Other financial liabilites	0.02	0.02	-	-
Total	**0.44**	**0.44**	**0.47**	**0.47**

The management has assessed that the fair value of cash and cash equivalents, other bank balance, trade payables, other current/non-current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments

B) Measurement of fair values

The level of fair values are defined below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Transfers between Level 1, Level 2 and Level 3
There were no transfers between Level 1, Level 2 or Level 3 during the quarter and period ended September 30, 2026.

23. Commitments and Contingent liabilities

There are no amount of claims against the Scheme of trust that are not acknowledged as debts or guarantees or other amounts for which the Scheme of Trust is contingently liable. There are no commitments as at September 30, 2026.

24. Segment reporting

The Scheme of Trust has no operating segment. Hence, disclosure under Ind AS 108, "Operating Segments" is not applicable.

25. The Board of Directors of the Investment Manager, in its meeting held on July 13, 2026, have approved the proposal to evaluate the potential sale of the assets held under PropShare Platina, with a view to assessing the commercial feasibility and maximising value for the unitholders. The proposed evaluation is preliminary in nature and any decision to proceed with the sale of the assets shall be subject to the applicable provisions of the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014, as amended, the SEBI Master Circular for Real Estate Investment Trusts dated July 11, 2025. The approval is limited to the evaluation of the proposed sale and shall not be construed as approval for the sale or transfer of the assets.

26. There were no significant adjusting events that occurred subsequent to the reporting period.

Independent Auditor's Review Report on the quarterly and half year ended September 30, 2026 Unaudited Condensed Consolidated Interim Ind AS Financial Statements of PropShare Platina (a First Scheme of the Property Share Investment Trust)

Review Report to
The Board of Directors
PropShare Investment Manager Private Limited
(in the capacity of the "Investment Manager" of Property Share Investment Trust)
10th Floor, SKAV Seethalakshmi, 21/22,
Kasturba Road, Bengaluru – 560001

1. We have reviewed the accompanying Unaudited Condensed Consolidated Interim Ind AS Financial Statements of PropShare Platina (the "Scheme"), its Special Purpose Vehicles (SPV) (Scheme and its SPVs together referred to as the "Group") which comprises of the Unaudited Condensed Consolidated Balance Sheet as at September 30, 2026, the Unaudited Condensed Consolidated Statement of Profit and Loss, including other comprehensive income for the quarter and half year ended September 30, 2026, Unaudited Condensed Consolidated Statement of Cash Flows for the quarter and half year ended September 30, 2026, the Unaudited Condensed Consolidated Statement of Changes in Unitholders Equity for the half year ended September 30, 2026, the Unaudited Condensed Consolidated Statement of Net Assets at Fair Value as at September 30, 2026, the Unaudited Condensed Consolidated Statement of Total Returns at Fair Value for the half year ended September 30, 2026, the Unaudited Statement of Net Distributable Cash Flows for the quarter and half year ended September 30, 2026 and a summary of the material accounting policies and select explanatory notes (together hereinafter referred to as the "Condensed Consolidated Interim Ind AS Financial Statements").

2. The Investment Manager is responsible for the preparation of the Condensed Consolidated Interim Ind AS Financial Statements in accordance with the requirement of Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations' 2014, as amended including any guidelines and circulars issued thereunder ("SM REIT Regulations"). The Condensed Consolidated Interim Ind AS Financial Statements has been approved by the Board of Directors of the Investment Manager. Our responsibility is to express a conclusion on the Condensed Consolidated Interim Ind AS Financial Statements based on our review.

3. We conducted our review of the Condensed Consolidated Interim Ind AS Financial Statements in accordance with the Standard on Review Engagements (SRE) 2410' "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Condensed Consolidated Interim Ind AS Financial Statements is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. The Condensed Consolidated Interim Ind AS Financial Statements includes the financial information of the entities mentioned in Annexure 1 to this report.

5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Condensed Consolidated Interim Ind AS Financial Statements, prepared in all material respects in accordance with the requirements of Ind AS 34, as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with the relevant rules issued thereunder and other accounting principles generally accepted in India to the extent not inconsistent with the SM REIT Regulations, has not disclosed the information required to be disclosed in terms of the SM REIT Regulations read with the SEBI Circulars, including the manner in which it is to be disclosed or that it contains any material misstatement.

Emphasis of matter

6. We draw attention to Note 9(b)(i) of the Condensed Consolidated Interim Ind AS Financial Statements which describes the presentation of "Unit Capital" as "Equity" instead of compound financial instrument to comply with the REIT Regulations. Our opinion is not modified in respect of this matter.

7. We draw attention to Note 29 to the Condensed Consolidated Interim Ind AS Financial Statements, which states that the Board of Directors of the Investment Manager, at its meeting held on July 13, 2026, approved a proposal to evaluate the potential sale of the assets held under PropShare Platina with a view to assessing the commercial feasibility and maximising value for the unitholders. As described in the said note, the evaluation is preliminary in nature, and any decision to proceed with the sale of the assets will be subject to the applicable provisions of the SM REIT Regulations, along with the requisite approvals. The Board's approval is limited to evaluating the proposed sale and does not constitute approval for the sale or transfer of the assets. Our opinion is not modified in respect of this matter.

Condensed Consolidated Financial Statements
Notes to the Condensed Consolidated Financial Statements
(All amounts are in Rs. million, unless otherwise stated)

I. Consolidated Statement of Net Assets at Fair Value (NAV)

Particulars	As at September 30, 2026 (Unaudited)		As at March 31, 2026 (Audited)	
	Book Value	Fair Value	Book Value	Fair Value
(A) Total Assets	3,551.10	4,176.42	3,589.57	4,036.80
(B) Total Liabilities	(217.16)	(217.16)	(191.09)	(191.09)
(C) Net Assets	**3,333.94**	**3,959.26**	**3,398.48**	**3,845.71**
(D) No. of Units	3,361	3,361	3,361	3,361
NAV (C) / (D)	9,91,948.82	11,78,000.60	10,11,151.44	11,44,216.01

Measurement of fair values:

The fair value of investment properties as at September 30, 2026 and March 31, 2026 have been determined by independent external property valuers, having appropriately recognized professional qualifications and recent experience in the location and category of the property being valued.

Valuation technique:

The fair value measurement for all of the investment property has been categorized as a Level 3 fair value based on the inputs to the valuation technique used.

The valuers have followed a Discounted Cash Flow method. The valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account existing lease arrangements, expected rental growth rate, vacancy period, occupancy rate. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality and lease terms.

Notes:

1. Project wise break-up of Fair Value of the assets as at September 30, 2026 and March 31, 2026:

Name of the Entity	Property Name	As at September 30, 2026 (Unaudited)	As at March 31, 2026 (Audited)
Rumosch Private Limited PropAreas Private Limited Avenueprops Private Limited Willowprops Private Limited Premiumbiz Private Limited Estapropfront Private Limited	Leasable Space in 6 (six) floors in Building 2, Prestige Tech Platina	4,176.42	4,036.80
Net Assets		**4,176.42**	**4,036.80**

Fair value of the investment property as at September 30, 2026 and March 31, 2026 are solely based on the fair valuation report of the independent valuer appointed under the REIT regulations.

II. Consolidated Statement of Total Returns at Fair Value

Particulars	For the half year ended September 30, 2026 (Unaudited)	For the year ended March 31, 2026 (Audited)
Total comprehensive income —(A)	90.31	235.20
Add : Changes in fair value not recognised (refer Note 1 below)—(B)	145.59	145.60
Total Returns C = (A+B)	**235.90**	**380.80**

Notes:

1. In the above statement, changes in fair value have been computed based on the difference in fair values of Investment Property from March 31, 2026 to September 30, 2026 and March 31, 2025 to March 31, 2026 respectively, adjusted for other assets/ liabilities. The fair values of the aforementioned assets as at September 30, 2026 and March 31, 2026 are solely based on the valuation report of the independent valuer appointed under the REIT Regulations.

PropShare Platina
(a first scheme of the Property Share Investment Trust)
SM REIT Reg No (Trust): IN/SM-REIT/24-25/0001
Notes to the Condensed Consolidated Financial Statements

1. Trust and Scheme Information

The Condensed Consolidated Financial Statements (hereinafter referred to as the "Consolidated Financial Statements" or "CFS") comprise financial statements of PropShare Platina ("the Scheme of Trust" or "Trust") and its Subsidiaries/ Special Purpose Vehicles ("SPV") (collectively, the "Group" or "PropShare Platina Group"). The SPVs are companies domiciled in India.

The Property Share Investment Trust was settled on June 27, 2024, at Bangalore, Karnataka, India as a contributory, determinate and irrevocable trust under the provisions of the Indian Trusts Act, 1882, pursuant to a trust deed dated June 27, 2024, as amended on February 21, 2025. The Property Share Investment Trust was registered with SEBI on August 05, 2024, as a small and medium real estate investment trust under Regulation 26L (1) of the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014 and as amended from time to time having registration number IN/SM-REIT/24-25/0001. The Property Share Investment Trust has been settled by the Investment Manager for an aggregate initial sum of ₹0.02 million. The first scheme of the Trust *i.e.* PropShare Platina has been settled by the Property Share Investment Trust with an initial corpus of ₹0.01 million

The principal place of business of the Property Share Investment Trust and PropShare Platina is situated at 16th Floor, SKAV Seethalakshmi, 21/22, Kasturba Road, Bangalore 560001, India.

PropShare Platina, a first scheme of the Trust, having six wholly owned SPVs under its structure ("**Platina SPVs**"), in accordance with the REIT Regulations.

PropShare Investment Manager Private Limited is the "Investment Manager" or "Manager" of the Property Share Investment Trust. The Investment Manager is a private limited company incorporated in India under the Companies Act, 2013 pursuant to a certificate of incorporation dated April 02, 2024, issued by the Registrar of Companies, Karnataka at Bangalore. Axis Trustee Services Limited is the Trustee to the Property Share Investment Trust.

Units of PropShare Platina (Scheme of Trust or Scheme) were listed on the Bombay Stock Exchange (BSE) on December 10, 2024.

The consolidated financial statements were approved for issue in accordance with a resolution passed by the Board of Directors of the Manager on behalf of the Scheme of Trust on October 12, 2026.

The details of the Subsidiary/ Special Purpose Vehicles (SPV) considered in the preparation of the Consolidated Financial Statements are as follows:

Sl No	Name of the SPV/ Subsidiary	Shareholding
1	Rumosch Private Limited	100%
2	PropAreas Private Limited	100%
3	Avenueprops Private Limited	100%
4	Willowprops Private Limited	100%
5	Premiumbiz Private Limited	100%
6	Estapropfront Private Limited	100%

2. Basis of Preparation and Material Accounting Policies

2.1 Basis of preparation and Statement of Compliance

The Condensed Consolidated Financial Statements (hereinafter referred to as the 'Consolidated Financial Statements' or 'CFS') has been prepared in accordance with the requirements of SEBI (Real Estate investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued thereunder read with Master Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2025/99 dated July 11, 2025 (the "REIT Regulations" or "SM REIT Regulations"); Indian Accounting Standard (Ind AS) as prescribed in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT Regulations.

The Consolidated Financial Statements of the Group comprises Consolidated Balance Sheet as at September 30, 2026, the Consolidated Statement of Profit and Loss, including other comprehensive income for the quarter and half year ended September 30, 2026, Consolidated Statement of Cash Flows for the quarter and half year ended September 30, 2026, the Consolidated Statement of Changes in Unitholders Equity for the half year ended September 30, 2026, the Consolidated Statement of Net Assets at Fair Value as at September 30, 2026, the Consolidated Statement of Total Returns at Fair Value for the half year ended September 30, 2026, the Statement of Net Distributable Cash Flows for the quarter and half year ended September 30, 2026 and a summary of the material accounting policies and select explanatory notes (together hereinafter referred to as the " Consolidated Financial Statements"). The Consolidated Financial Statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, consolidated financial statements have been prepared on the historical cost basis except for the accounting policies below. The accounting policies have been applied consistently over all the period presented in these consolidated financial statements.

All amounts disclosed in the consolidated financial statements and notes have been rounded off to the nearest millions, unless otherwise stated.

2.2 Basis of consolidation

The Consolidated Financial Statements comprise the financial statements of the Group. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns.

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee.

- Rights arising from other contractual arrangements.
- The Group's voting rights and potential voting rights
- The size of the group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the period are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the Consolidated Financial Statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group members financial statements in preparing the Consolidated Financial Statements to ensure conformity with the Group's accounting policies.

The Financial Statements of all subsidiaries used for the purpose of consolidation are drawn up to same reporting date as that of the Scheme of Trust. When the end of the reporting period of the Scheme of Trust is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the Scheme of Trust to enable the Scheme of Trust to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Consolidation procedure

- Combine like items of assets, liabilities, equity, income, expenses and cash flows of the Scheme of Trust with those of its subsidiaries. For this purpose, the income and expenses of the subsidiaries are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.

- Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the Scheme of Trust's portion of equity of each subsidiary.

- Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full consolidation.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. Of the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary at their carrying amounts at the date when control is lost
- Derecognises the carrying amount of any non-controlling interests
- Derecognises the cumulative translation differences recorded in equity
- Recognises the fair value of the consideration received
- Recognises the fair value of any investment retained
- Recognises any surplus or deficit in profit or loss
- Recognise that distribution of shares of subsidiary to Group in Group's capacity as owners

Reclassifies the Scheme of Trust's share of components previously recognised in OCI to profit or loss or transferred directly to retained earnings, if required by other Ind ASs as would be required if the Group had directly disposed of the related assets or liabilities.

2.3 Operating cycle and basis of classification of assets and liabilities

Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

2.4 Use of judgements and estimates

The preparation of the Consolidated Financial Statements in conformity with generally accepted accounting principles in India requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimated and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognized in the consolidated financial statements is included in the following notes:

- Presentation of "Unit Capital" as "Equity" in accordance with the REIT Regulations
- Valuation of financial instruments.
- Estimation of useful life of investment property

Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the Consolidated Financial Statements.

2.5 Functional and presentation currency

Items included in the Consolidated Financial Statements of the Group are measured using the currency of the primary economic environment in which the entity operates (the 'functional currency'). These consolidated financial statements are presented in Indian Rupees (Rs), which is also the Scheme of Trust's functional currency.

2.6 Fair value measurement

'Fair value' is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal market or, in its absence, the most advantageous market to which the Group has access at that date. The fair value of a liability reflects its non-performance risk.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the consolidated financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

2.7 Investment properties

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment properties are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in profit or loss as incurred.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Type of Asset	Estimated useful Life
Commercial building	60 Years

The Group depreciates the Commercial building over estimated useful lives prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition. In determining the amount of consideration from the derecognition of investment properties the Group considers the effects of variable consideration, existence of a significant financing component, non-cash consideration, and consideration payable to the buyer (if any).

Transfers are made to (or from) investment properties only when there is a change in use. Transfers between investment property, owner-occupied property and inventories do not change the carrying amount of the property transferred and they do not change the cost of that property for measurement or disclosure purposes.

Assessment is done at each Balance Sheet date as to whether there is any indication that assets (Investment Properties) may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. For the purpose of assessing impairment, the recoverable amount is determined for an individual asset, unless the asset does not

generate cash inflows that are largely independent of those from other assets or groups of assets. The smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit (CGU). An asset or CGU whose carrying value exceeds its recoverable amount is considered impaired and is written down to its recoverable amount. Assessment is also done at each balance sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting years may no longer exist or may have decreased.

2.8 Revenue from Operations

Revenue from lease rentals

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lock-in period. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lock-in term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Recognition of interest income

Interest income is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.

In calculating interest income, the effective interest rate is applied to the gross carrying amount of the asset is not credit-impaired). However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset.

2.9 Leases

As a lessor

At inception or on modification of a contract that contains a lease component, the Group allocates the consideration in the contract to each lease component on the basis of their relative stand-alone prices.

When the Group acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease.

To classify each lease, the Group makes an overall assessment of whether the lease transfers substantially all of the risks and rewards incidental to ownership of the underlying asset. If this is the case, then the lease is a finance lease; if not, then it is an operating lease. As part of this assessment, the Group considers certain indicators such as whether the lease is for the major part of the economic life of the asset.

If an arrangement contains lease and non-lease components, then the Group applies Ind AS 115 to allocate the consideration in the contract

The Group recognises lease payments received under operating leases as income on a straight-line basis over the lease term as part of ‘other income’.

2.10 Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Group shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled, and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised, or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Group offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

2.11 Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Group expects some or all of a provision to be reimbursed the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2.12 Operating segments

The objective of the Group is to undertake activities in accordance with the provisions of the SEBI REIT Regulations and the Trust Deed. The principal activity of the Group is to own and invest in rent or income generating real estate and related assets in India through the SPVs.

The Board of Directors of the Investment Manager allocates the resources and assesses the performance of the Group, thus are the Chief Operating Decision Maker (CODM). In accordance with the requirements of Ind AS 108 - "Segment Reporting", the CODM monitors the operating results of the business. as a single segment, hence no separate segment needs to be disclosed. As the Group operates only in India, no separate geographical segment is disclosed.

2.13 Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. Contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. Contingent liability is not recognised in the

books of accounts but its existence is disclosed in the Consolidated Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

2.14 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value and, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e. the date that the Group commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- Financial asset at amortised cost
- Financial asset at Fair Value Through Other Comprehensive income (FVTOCI)
- Financial asset at Fair Value Through Profit and Loss (FVTPL)

Financial asset is measured at the amortised cost, if both of the following conditions are met:

(i) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
(ii) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Consolidated Statement of Profit and Loss. The losses arising from impairment are recognised in the Consolidated Statement of Profit and Loss. This category generally applies to investments, trade receivables, loans, cash and cash equivalent, bank balance other than cash and cash equivalent and other financial assets.

Financial asset is classified as FVTOCI, if both of the following criteria are met:

(i) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and

(ii) The asset's contractual cash flows represent SPPI.

Financial asset included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in OCI. However, the Group recognizes interest income, impairment losses and foreign exchange gain or loss in the Consolidated Statement of Profit and Loss. On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to the Consolidated Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

FVTPL is a residual category for financial asset. Any financial asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Financial asset included within the FVTPL category are measured at fair value with all changes recognized in the Consolidated Statement of Profit and Loss.

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to the Consolidated Statement of Profit and Loss, even on sale of the investments. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the consolidated statement of profit and loss.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of the Group of similar financial assets) is primarily derecognised (i.e. removed from the balance sheet) when:

• The rights to receive cash flows from the asset have expired; or
• The Group has transferred its rights to receive cash flows from the asset and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets and credit risk exposure.

For recognition of impairment loss on other financial assets and risk exposure, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the Group reverts to recognising impairment loss allowance based on twelve-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The twelve-month ECL is a portion of the lifetime ECL which results from default events that are possible within twelve months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the

Group expects to receive (i.e., all cash shortfalls), discounted at the original effective interest rate. ECL impairment loss allowance (or reversal) recognized during the year is recognized as income/ expense in the Consolidated Statement of Profit and Loss.

For assessing increase in credit risk and impairment loss, the Group combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value. The Group's financial liabilities include trade payables and other financial liabilities.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortised cost

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Separated embedded derivatives are also classified as held for trading, unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognised in the Consolidated Statement of Profit and Loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk are recognized in OCI. These gains/losses are not subsequently transferred to the Consolidated Statement of Profit and Loss. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Consolidated Statement of Profit and Loss.

Financial liabilities at amortised cost

After initial recognition, gains and losses are recognised in the Consolidated Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Consolidated Statement of Profit and Loss.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Consolidated Statement of Profit and Loss.

Reclassification of financial assets and liabilities

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no re-classification is made for financial assets which are equity instruments and financial liabilities.

For financial assets which are debt instruments, a re-classification is made only if there is a change in the business model for managing those assets. A change in the business model occurs when the Group either begins or ceases to perform an activity that is significant to its operations. If the Group reclassifies financial assets, it applies the re-classification prospectively from the re-classification date, which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Offsetting of financial instruments

Financial assets and financial liabilities are offset, and the net amount is reported in the Consolidated Balance Sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

2.15 Unit Capital

Units issued by the Group are classified as equity. Incremental costs directly attributable to the issuance of units are recognized as a deduction from equity, net of any tax effects.

2.16 Cash and cash equivalents

Cash and cash equivalent in the Consolidated Balance Sheet comprise cash at banks and on hand, cheques on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

2.17 Distribution Policy

Under the provisions of the REIT Regulations, the Scheme of Trust is required to distribute to the unitholders not less than 100% of the net distributable cash flows ('NDCF') of the Scheme of Trust ("REIT Distributions"). The NDCF is calculated in accordance with the REIT Regulations and in the manner defined by the Manager. REIT Distributions shall be declared at least once in every quarter of the financial year and not later than 15 working days from the end of the quarter. The distributions are paid to the unit holders within 5 working days from the record date. The record date for the payment of distributions shall be the date which is 2 working days from the date of declaration of the distribution (excluding date of distribution and record date).

In terms of the REIT Regulations and NDCF framework prescribes the following minimum amount of NDCF to be distributed to the Scheme of Trust:

- not less than 95% of the NDCF of the SPVs are required to be distributed to the Scheme of Trust, in proportion to its shareholding in the SPVs, subject to applicable provisions of the Companies Act, 2013.

The aforesaid net distributable cash flows are made available to Scheme of Trust in the form of (I) interest paid on Shareholder Debt, (ii) Repayment of Shareholder Debt, (iii) dividends (net of applicable taxes), (iv) interest paid on optionally convertible debentures and (v) Redemption proceeds of optionally convertible debentures or other similar instruments or as specifically permitted under the Trust Deed or in such other form as may be permissible under the applicable law

2.18 Cash distribution to Unitholders

The Group recognizes a liability to make cash distributions to Unitholders when the distribution is authorized. As per the REIT Regulations, a distribution is authorized when it is approved by the Board of Directors of the Manager. A corresponding amount is recognized directly in equity.

2.20 Consolidated Statement of Cash flows

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated.

2.21 Earnings per unit

Basic earnings per unit is calculated by dividing the net profit or loss attributable to unit holders of the Group by the weighted average number of units outstanding during the period.

For the purpose of calculating diluted earnings per unit, the net profit or loss for the period attributable to unitholders of the Group and the weighted average number of units outstanding during the adjusted for the effects of all dilutive potential units.

2.22 Statement of net assets at fair value

The disclosure of statement of Net Assets at Fair Value comprises of the fair values of the properties held by SPVs as well as book values of the total liabilities and other assets of the PropShare Platina Group. The fair value of the property held by SPVs are reviewed annually taking into consideration market conditions existing at the reporting date, and other generally accepted market practices.

2.23 Recent pronouncements

The Group applied for the first-time certain standards and amendments, which are effective for annual periods beginning on or after 1 April 2025. The Group has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

(i) Amendments to Ind AS 21 - Lack of exchangeability

The Ministry of Corporate Affairs (MCA) notified the Companies (Indian Accounting Standards) Amendment Rules, 2025, which amend Ind AS 21, *The Effects of Changes in Foreign Exchange Rates* to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its standalone financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows. The amendments are effective for annual reporting periods beginning on or after 1 April 2025. When applying the amendments, an entity cannot restate comparative information. The amendments do not have a material impact on the Group's consolidated financial statements.

(ii) Amendments to Ind AS 1 - Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

In August 2025, the MCA notified amendments to paragraphs 69 to 76 of Ind AS 1 to specify the requirements for classifying liabilities as current or non-current. The amendments clarify:

- What is meant by a right to defer settlement
- That a right to defer must exist at the end of the reporting period
- That classification is unaffected by the likelihood that an entity will exercise its deferral right
- That only if an embedded derivative in a convertible liability is itself an equity instrument would the terms of a liability not impact its classification

In addition, a requirement has been introduced to require disclosure when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months. If there is a breach of a material covenant of a long term loan arrangement on or before the end of the reporting period, resulting in the liability becoming payable on demand as at the reporting date, and the lender agrees—after the reporting period but before the standalone financial statements are approved for issue—not to demand repayment for at least 12 months as a consequence of the breach, this shall be treated as an adjusting event. Accordingly, the entity is not required to classify the liability as current. The amendments are effective for annual reporting periods beginning on or after 1 April 2025 retrospectively in accordance with Ind AS 8. The amendments do not have a material impact on the classification of Group's liabilities.

(iii) Amendments to Ind AS 7 and Ind AS 107 - Supplier Finance Arrangements

In August 2025, the MCA notified amendments to Ind AS 7 *Statement of Cash Flows* and Ind AS 107 *Financial Instruments: Disclosures* to clarify the characteristics of supplier finance arrangements and require additional disclosure of such arrangements. The disclosure requirements in the amendments are intended to assist users of consolidated financial statements in understanding the effects of supplier finance arrangements on an entity's liabilities, cash flows and exposure to liquidity risk. The Scheme of Trust does not have any supplier finance arrangements and hence, the said amendments do not have a material impact on the Group's consolidated financial statements.

(iv) International Tax Reform—Pillar Two Model Rules – Amendments to Ind AS 12

In August 2025, the MCA notified amendments to Ind AS 12 *Income Taxes* in response to the OECD's BEPS Pillar Two rules and include:

- A mandatory temporary exception to the recognition and disclosure of deferred taxes arising from the jurisdictional implementation of the Pillar Two model rules; and

- Disclosure requirements for affected entities to help users of the standalone financial statements better understand an entity's exposure to Pillar Two income taxes arising from that legislation, particularly before its effective date.

The mandatory temporary exception – the use of which is required to be disclosed – applies immediately. The remaining disclosure requirements apply for annual reporting periods beginning on or after 1 April 2025, but not for any interim periods ending on or before 31 March 2026. The amendments had no impact on the Group's consolidated financial statements as the Group is not in scope of the Pillar Two model rules.

Notes:

(i) Terms/ rights attached to the Units:

The Scheme of Trust has only one class of Units. Each Unit represents an undivided beneficial interest in the Scheme of Trust. Each holder of Units is entitled to one vote per unit. The Unitholders have the right to receive 100% of the Net Distributable Cash Flows of the Scheme of Trust at least once in every quarter in each financial year in accordance with the SM REIT Regulations The Board of Directors of the Manager approves distributions to Unitholders. The distribution will be in proportion to the number of Units held by the Unitholders. The Scheme of Trust declares and pays distributions in Indian Rupees.

Under the provisions of the REIT Regulations, Propshare Platina is required to distribute to Unitholders not less than 100% of the net distributable cash flows of Propshare Platina for each financial year. Accordingly, a portion of the Unitholders' funds contains a contractual obligation of the Scheme to pay cash to the Unitholders. Thus, in accordance with the requirements of Ind AS 32 Financial Instruments: Presentation, the Unit Capital should have been classified as compound financial instrument which contains both equity and liability components. However, Paragragh 4.2.3 of Chapter 4 of the SEBI master circular no. SEBI/HO/DDHS-PoD-2/P/CIR/2025/99 dated 11 July 2025 issued under the REIT Regulations, require the Unit Capital in entirety to be presented/classified as which is at variance from the requirements of Ind AS 32. In order to comply with the aforesaid SEBI requirements, the Propshare Platina has presented unit capital as equity in these financial results. Consistent with funds being classified as equity, the distributions to Unitholders in the form of interest and dividend is presented in Statement of Changes in Unitholders' Equity and distribution to Unitholder in the form of repayment of capital is presented as a seperate line item on face of the Balance Sheet and not as finance cost. In line with the above, the distributions payable to Unitholders is recognised as liability when the distributions are approved by the Board of Directors of the Investment Manager.

(ii) PropShare Platina has not allotted any fully paid-up units by way of bonus units nor has it bought back any class of units from the date of incorporation until the balance sheet date. Further, the scheme of trust has not issued any units for consideration other than cash from the date of incorporation until the balance sheet date.

(iii) The manager hold 5% of the units (169 Units) in accordance with SM REIT Regulations.

21. Income tax

Trust Level

Property Share Investment Trust (the "Trust") is a business trust registered under SEBI REIT Regulations, 2014. Hence, the interest and dividend received or receivable by the trust is exempt from tax under section 10(23FC) of the Income tax Act, 1961 (the "Act") and the rental income received or receivable is exempt from tax under section 10(23FCA) of the Act. Further, any expenditure incurred in relation to earning the exempt income is not tax deductible in view of provision of section 14A of the Act. The income of the trust, other than exempt income, is chargeable to tax at the maximum marginal rates in force.

Deferred tax liabilities (net)	**(66.31)**	**(48.51)**

22. Investment Manager Fee

Pursuant to the Investment Management Agreement entered by Axis Trustee Services Limited (as a trustee of PropShare Real Estate Investment Trust) and PropShare Investment Manager Private Limited (as a "Investment Manager") dated June 27, 2024 and the amendment agreement to the Investment Management Agreement dated July 19, 2024 and November 05, 2024; Investment Manager is entitled to receive SMREIT Management which shall be percentage of the assets of the scheme or of the gross proceeds (including the Investment Manager's contribution) from the scheme's offer ("Gross Proceeds"); or of the distributions; or of assets under management; or of the lease rentals, each for such specified period as may be described in the scheme documents and as set out in Schedule I of the investment management agreement. The Investment Manager is also entitled to receive a Property Acquisition Fee, which is equivalent to such agreed percentage of the purchase price or Gross Proceeds, or value of such REIT asset acquired by the scheme as certified by an independent valuer as may be described in the offer documents. The fees may be paid out of the funds available, or reserves created with the Property Share Investment Trust or in Units. If the fees are paid in Units, the issue price of such Units shall be at the prevailing market price as determined in accordance with the REIT Regulations and applicable law.

The scheme of trust shall pay to the Investment Manager fees as follow: (i) no scheme management fee for financial year 2024-2025 and financial year 2025-2026, scheme management fee of up to 0.25% of the gross proceeds or of the distributions; or the assets under management of the scheme for financial year 2026-2027 and scheme management fee of up to 0.30% of the gross proceeds or of the distributions; or assets under management of the scheme for financial year 2027-2028 and onwards; (ii) no property management fee; (iii) a property acquisition fee of up to 1.5% of the Gross Proceeds; and (iv) a Divestment Fee of up to 3% of the Gross Proceeds.

23. Trustee Fee

The trustee is entitled to an initial acceptance fee of Rs. 0.125 million and an annual fee of Rs. 0.10 million, exclusive of all applicable taxes and any other out of pocket expenses, as applicable. The annual fee shall be subject to revision.

(This space has been intentionally left blank)

24. Financial instruments - Fair value measurement

A) The carrying value and fair value of financial instruments by categories are as below:

Particulars	Carrying Value September 30, 2026	Fair Value September 30, 2026	Carrying Value March 31, 2026	Fair Value March 31, 2026
Financial assets				
At amortised cost				
Cash and cash equivalents	188.37	188.37	68.57	68.57
Other bank balances	0.02	0.02	-	-
Other financial assets	15.72	15.72	144.32	144.32
Total	**204.11**	**204.11**	**212.89**	**212.89**
Financial liabilities				
At amortised cost				
Trade payables	1.00	1.00	1.23	1.23
Other financial liabilities	119.66	119.66	106.57	106.57
Total	**120.66**	**120.66**	**107.80**	**107.80**

The management has assessed that the fair value of cash and cash equivalents, other bank balances, trade payables, other current/ non-current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments

B) Measurement of fair values

The level of fair values are defined below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Transfers between Level 1, Level 2 and Level 3
There were no transfers between Level 1, Level 2 or Level 3 during the quarter and half year ended September 30, 2026.

Karnataka, India

Submitted To:

PropShare Platina SM REIT

Date of Valuation:

30-September-2026

Date of Report:

12 October 2026

Prepared By:

KZEN VALTECH PRIVATE LIMITED

IBBI/RV-E/05/2022/164

EXECUTIVE SUMMARY

Subject Project Name	Prestige Tech Platina, Bengaluru, Karnataka, India.
Subject Property Address	Floors Ground to Fifth (both floors included), Building 2, Prestige Tech Platina, Property No. 380/201, Kadubisanahalli Village, Bengaluru, Karnataka, India 560103
Land Area	Proportionate undivided share, right, title and interest of 73,523 (Seventy Three Thousand Five Hundred and Twenty Three) square feet (~6,830.51 (six thousand eight hundred thirty point five one) square meters) in the Subject Project land together with 355 (three hundred and fifty five) exclusive car parking spaces (*inclusive of stack parking*) *i.e.,* 193 (One Hundred and Ninety Three) car parking spaces in the lower basement, 150 (One Hundred and Fifty) car parking spaces in the upper basement, and 12 (Twelve) surface-level car parking spaces along with rights to enjoy other utilities including cricket pitch, basketball court, amphitheatre with common services and facilities, all rights of easements, latent or patent, enjoyed or reputed to be enjoyed in connection with the Schedule Property including right to use the internal roads of Prestige Tech Platina and 24/7 Tech Hotel (*developed on lands adjacent to the Prestige Tech Platina*).
Brief Description	Subject Project and Subject Property are located in Zone 1 of the Outer Ring Road (ORR) in the southeast quadrant of Bengaluru, which is one of the fast-developing IT corridors of the city with high concentration of IT Park, Campus type & SEZ developments. It is situated along Outer Ring Road, 1.5 km the Marathahalli Junction and at a distance of approx. 4.5 km from the Sarjapura - Outer Ring Road Junction. Subject Project and Subject Property are Grade A commercial/office developments that are currently operational. Subject Property offers a total leasable area of approximately 246,935 sq. ft. covering Ground + 5 Upper Floors building (out of G+12 upper floors that constitute the Subject Tower). Subject Project has good frontage along the access road with one (1) main entrance, separate exit and separate secured gates for the buildings within. Subject Project is predominantly surrounded by commercial office spaces followed by residential and industrial developments.
Subject Property Details	Leasable area details of the Subject Property as shared by the Client is given below:

Sl. No.	Subject Project Name	Leasable Area (sq.ft.) of Subject Property
1.	Prestige Tech Platina	246,935
	Total Leasable Area	**246,935**

Based on the site inspection, it is found that the Subject Tower and Subject Property are completed and operational. There are no under-construction components within the Subject Property, Subject Tower, and Subject Project.

Location Map

Key Assumptions

The table below summarizes key valuation assumptions used in the estimate.

Particulars	Description
Subject Property Specific Information	
Nature of Property	Commercial / Office
Current Status	Completed and Operational
Total Leasable Area	246,935 sq.ft.
Age of Towers in the Subject Project	See below

Sl. No.	Subject Project Name	Age of the Subject Project	Usage Type	Status	Subject Property Leasable Area (sq. ft.)
1.	Prestige Tech Platina	~ 10.6 years	Non-SEZ	Completed in 2015 as per Technical Due Diligence Report provided by Client	246,935

In addition to the above, the undivided rights, title and interest in the following components are also part of the Subject Property.

- Total utility areas and internal roads.
- Total open spaces.
- Other areas, such as open amphitheatre, basketball court, cricket pitch, among others.

Revenue Assumptions	
In-Place Rent	INR 103.17 per sq.ft. per month
Market / Marginal Rent	INR 103.00 per sq. ft. per Month for Year 1
Financial Assumptions	
Exit Cap Rate	8.00%
Discount Rate / WACC	11.75%

Opinion on Market Value as on 30th September 2026

With all assumptions as mentioned in this report, Valuer is of the opinion that the Market Value of the Subject Asset, which are all cash flows due to the Client, from Subject Property comprising total leasable area of 246,935 sq.ft., which is part of Prestige Tech Platina, located along Outer Ring Road, Kadubeesanahalli Village, Bengaluru, Karnataka, India 560103, as on **30 September 2026** is estimated to be approx. **INR3,885,550,000/- (Indian Rupees Three Billion Eight Hundred Eighty-Five Million Five Hundred Fifty Thousand)**

***Note**: Opinion on market value presented in this report is under the following facts and Special and Significant Assumptions:*

a) Client has confirmed that proposed SPVs in the previous valuation of this Subject Asset have successfully concluded and registered sale deeds for each of their individual respective floors along with fresh lease deeds with the current occupants (which were the earlier owners of the Subject Property)

b) Client has further confirmed that these sale deeds and lease deeds have been executed on the exact terms and conditions that were envisaged in the earlier LOI

c) Client, in addition, confirms that the provisions of the earlier LO also stand currently valid, and that complete ownership, rights, and interests in the Subject Property have fully devolved, with no limitation nor any encumbrance and no dilution of any manner, to the respective SPVs.

d) Client also confirms that these SPVs are now the sole, primary, and exclusive beneficiary of all cash flows from the Subject Property from the dates indicated in the aforementioned executed and registered sale deeds.

e) Client has reconfirmed that there are no arrears and/or payments due to any government authority(ies) and/or banks and/or financial institutions and/or any other creditor(s) who may have the first and/or subsequent charges on the title, ownership, rights, and interests of the reference-cited Subject Property, it can be freely transacted without any encumbrances and/or restrictions in the open market, and there are no onerous aspects pertaining to the legal ownership of SPVs, who are now the current owners of their respective floors in the Subject Property, with respect to the reference-cited Subject Property that may hinder and/or obstruct its, and/or any of its part(s), free and unrestricted sale in the open market.

f) Client has also stated that there is no debt pending against the Subject Property, and any part thereof, and Client and/or SPVs will not raise any debt against this Subject Property going forward from the date of registered sale deeds.

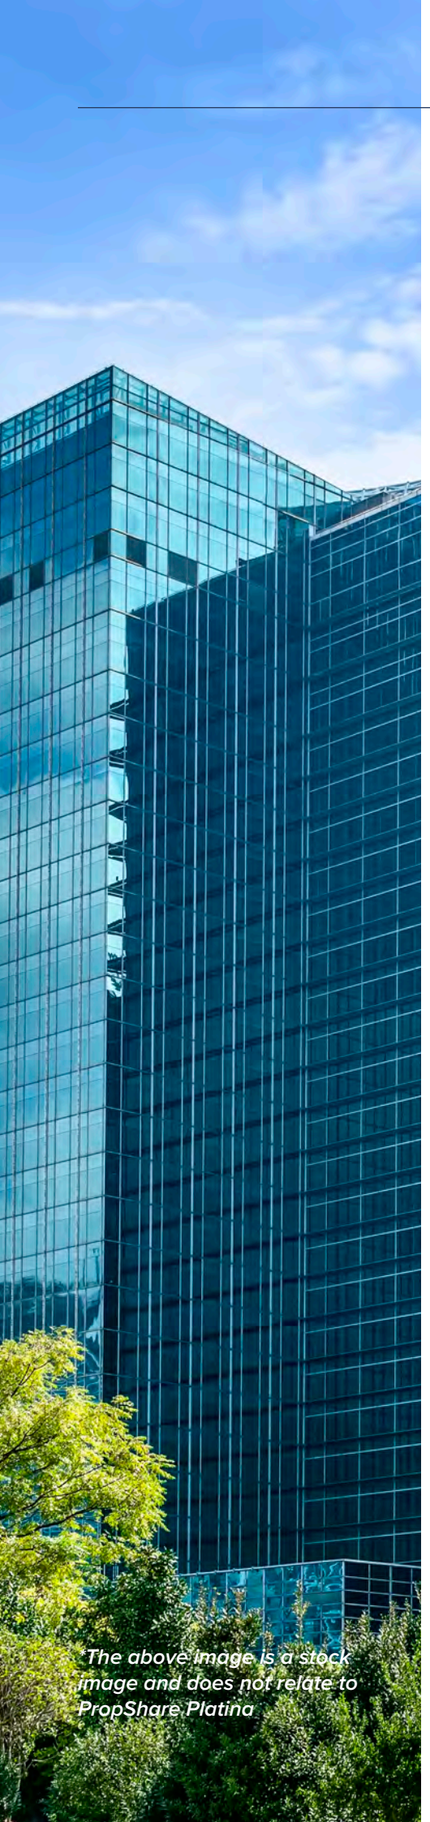

g) Client has instructed Valuer to provide an opinion on market value of the Subject Property only as a whole considering consolidated cash flows, and that individual SPV-based opinions on market value of each floor are not to be provided individually and/or separately.

Readers of the report are hereby advised that the aforementioned opinion on market value of the Subject Asset is contingent and based on current Client confirmations and the earlier LO (please refer Annexure – 7 to this report for the LO issued by Trilogal to Client and Valuer in the previous valuation of Subject Asset dated 01 September 2024), in the absence of any updated LO, with respect to ownership, rights, and interests in the Subject Property, among other aspects stated in the earlier LO. In the event that the executed and registered sale deeds and lease deeds, between the various SPVs and their respective tenants, with respect to ownership, rights, and interests, liens, encumbrances, debt, among other aspects related to and in the Subject Property along with Client's confirmations, are discovered to be non-binding, defective, and/or not valid among other adverse situations and scenarios, as on the valuation date and PS Platina has no or limited ownership, rights, and/or interests in the Subject Property as on valuation date, then this opinion on market value of Subject Asset will be rendered invalid, voided, and will stand cancelled, and is not to be considered for any purposes, including those as indicated in this report. Readers of this report are also advised that these Special and Significant Assumptions are not exhaustive in nature and are to be read in conjunction with and context of this entire report. Opinion on market value of Subject Asset presented in this report is subject to the aforementioned Special and Significant Assumptions along with other caveats, disclaimers, disclosures, among other commentary, presented in other parts of this Report.
