Dear Sir/Madam,

Sub: Intimation on Successful Completion and Commissioning of 400 kV Gadag-II Transmission Line Project in Karnataka.

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Jyoti Structures Limited ("JSL") is pleased to inform about the successful completion and commissioning of the **400 kV Gadag-II Transmission Line Project** for its client, Renew Power, in the state of Karnataka.

The project comprises approximately **100 CKM of twin High-Temperature Low-Sag (HTLS) transmission line** between **Gadag Pooling Station and Koppal Pooling Station**, traversing through challenging Right of Way (ROW) districts, namely **Koppal and Gadag**, and difficult interior areas characterized by **black cotton soil conditions**.

The project forms part of the **Inter-State Transmission System (ISTS)** for evacuation of power from renewable energy sources in the **Koppal Solar Energy Zone (1500 MW)**.

The successful completion and commissioning of this nationally significant project will support renewable power evacuation and contribute towards **India's renewable energy targets**.

We request you to take the same on record.

Thanking you,

Yours faithfully,

For **Jyoti Structures Limited**

Sonali K. Gaikwad

Company Secretary
