Sub.: Disclosure of event or information under Regulation 30 of SEBI (LODR) Regulations, 2015

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI LODR Regulations, 2015, this is to inform that one of GAIL's long-term suppliers, Petronet LNG Limited (PLL), has issued a Force Majeure (FM) notice on 3rd March 2026 under its Gas Sale and Purchase Agreement. The notice has been served due to constraints faced by certain LNG vessels arising from maritime navigation restrictions related to the Strait of Hormuz during transit between India and Qatar, and as well as possibly due to reported shutdown of liquefaction facility at Ras Laffan.

Further, QatarEnergy, PLL's upstream LNG supplier, has also issued a communication indicating a potential Force Majeure event owing to the recent hostilities in the region.

Consequently, due to supply restrictions imposed by PLL, the allocation of LNG quantities to GAIL under the said contract has been reduced to zero with effect from 4th March 2026.

GAIL is currently assessing the situation with respect to any supply curtailment that may need to be imposed on its downstream customers. Notwithstanding the above, LNG supplies to GAIL from other sources/suppliers are currently unaffected.

At this stage, the potential impact of the ongoing Force Majeure situation cannot be quantified. The Company is closely monitoring developments and will continue to keep the stock exchanges informed of any material updates.

This disclosure is in compliance of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Thanking you,
Yours faithfully,

Sd/-
