Bhadora Industries Limited Secures New Order Worth ₹38.64 Crore; Total Order Book Crosses ₹130 Crore

Indore, 04th November 2026: Bhadora Industries Limited (NSE- SME: BHADORA) Vidhut Cables, a trusted brand under Bhadora Industries Limited, is a leading manufacturer of premium industrial and power cables, has received a **new purchase order worth ₹38.64 crore** from a reputed domestic energy infrastructure and transmission company.

The order involves the **supply of power cables**, with deliveries scheduled between **29th October 2026 and 31st March 2027**. Following this order, the Company's **total order book stands at over ₹130 crore**, strengthening revenue visibility and reinforcing its presence in India's growing power infrastructure and transmission sector.

Order Details

Particulars	Details
Client Name	Reputed domestic energy infrastructure and transmission company
Nature of Order	Supply of Power Cables
Order Value	₹38.64 Crore
Order Type	Domestic Purchase Order
Execution Timeline	29th October 2026 to 31st March 2027
Total Order Book	₹130+ Crore

The new order reflects the Company's continued participation in India's power infrastructure and transmission sector. It further strengthens the Company's order pipeline and provides visibility for manufacturing operations and revenue generation over the coming months.

With a **total order book exceeding ₹130 crore**, Bhadora Industries Limited remains focused on timely execution, maintaining product quality and strengthening relationships with customers in the power and energy infrastructure industry.

Management Commentary

Commenting on the development, **Mr. Shashank Bhadora, Managing Director of Bhadora Industries Limited**, said: *"We are pleased to have secured this new order worth ₹38.64 crore from a reputed company in the energy infrastructure and transmission sector. This order reflects the continued trust customers place in our products, manufacturing capabilities and commitment to quality.*

With our strong order book, we have improved visibility for our business in the coming months. We remain focused on timely order execution, operational efficiency and strengthening our presence in the power cable industry. We believe the growing investments in India's power infrastructure will continue to create opportunities for our business."

About Bhadora Industries Limited

Bhadora Industries Limited is an established manufacturer of industrial cables, providing reliable electricity transmission and distribution solutions to government DISCOMs, EPC companies and customers across various industrial sectors.

Established in 1988, the Company has over three decades of experience in the cable manufacturing industry. It commenced operations with the production of Polyvinyl Chloride (PVC) cables and has progressively expanded its product portfolio to include Low Voltage (LV) Cables, LT Aerial Bunched Cables and CrossLinked Polyethylene (XLPE) Cables.

The Company markets its products under the brand name "Vidhut Cables." Its products cater to diverse applications, ranging from low-voltage power distribution to overhead electricity transmission. The manufacturing facility is equipped with modern production machinery and an in-house testing laboratory to ensure consistent product quality, safety and performance
