Notes:

1. The above consolidated financial results have been reviewed by the Audit Committee and are approved by the Board of Directors at their meeting held on 13th November 2026. The statutory auditors have carried out limited review of the consolidated financial results for the Financial Period Ended 30th September 2026.

2. The Company has Voluntarily adopted the quarterly consolidated unaudited financial results for the quarter ended 30th September, 2026.

3. There are no reportable Segments under Accounting Standard (AS) 17- Segment Reporting, as the company is operating only in the hospitality Service segment, therefore disclosures of segment wise information are not applicable.

4. The Company had acquired land worth Rs.1.88 Crore at Village Shivrajpur, District Chhatarpur, Madhya Pradesh near Panna Tiger Reserve on 16th October 2025 for the purpose of future development of a wildlife resort at this land but during the mutation process company came to know that the title of the said land was disputed. Hence to safeguard the interest of the shareholders and recovery of consideration amount company had filled a legal case against the seller's of the land and the court had directed to banks of seller to debit freeze the accounts. The recoverability of the aforesaid amount is contingent upon the final outcome of the ongoing litigation. As on 30th September 2026 Rs. 1.34 Crore has been recovered and the balance amount has been recognised as recoverable and classified the same as a current receivable in the financial statements.

5. The Company had been allotted land admeasuring 5.950 hectares situated at Village Parsili, Khasra Nos. 113 and 116, District Sidhi, Madhya Pradesh, by the Madhya Pradesh Tourism Board ("MPTB") for development of a resort/tourism project. A 90-year Lease Deed in respect of the said land was executed on 20 January 2025. As the said land is situated in the vicinity of the Banas River, the Company approached the Forest Department, Government of Madhya Pradesh, for the requisite No-Objection Certificate ("NOC") for development of a wildlife resort on the said land. However, the Forest Department, Government of Madhya Pradesh, declined to grant the requisite NOC on the ground that the allotted land falls within the National Chambal Gharial Sanctuary (Parsili Region), thereby rendering the proposed resort development legally impermissible at the said site. The matter was thereafter placed before the Madhya Pradesh State Wildlife Board, which did not approve the proposal for development of the resort. Company has already received Upfront Premium of ₹1,22,00,000/- and and Performance Security Bank Guarantee of ₹50,00,000/- (BG No. 191GT02242360012 issued by HDFC Bank Limited) from Madhya Pradesh Tourism Board. The Company had incurred expenditure aggregating to ₹51,79,387/- towards pre-operative and other project-related expenditure in connection with the proposed development of the said project. In view of the cancellation of the Lease Deed and the consequent abandonment of the proposed project, the said expenditure no longer has any future economic benefit to the Company and is not recoverable or attributable to any other ongoing project.
