MCFL LAUNCHES GROUNDNUT OIL

Mayank Cattle Food Limited is excited to announce the Production of its latest product, **Groundnut Oil**. As a leading provider of quality Cattle Feed and edible oil, we are committed to introducing a product that meet the evolving needs of our consumers. This launch marks a significant impact in our growth strategy, strengthening our presence in the fast-moving consumer goods (FMCG) sector and reinforcing our commitment to delivering high-quality, health-focused food products to consumers.

About product:

Our newly launched Premium **Groundnut Oil** is manufactured using carefully selected, high-grade groundnuts processed under stringent quality control measures. The product is designed to cater to the growing demand for healthy, natural, and chemical-free cooking oils. It stands out in the market due to its superior sourcing, advanced processing standards, and uncompromising commitment to quality.

Key Benefits of our product:

- **Premium Household Edition:** Our Groundnut Oil is specially crafted to meet the daily cooking needs of modern families while maintaining superior quality and nutrition standards. The Groundnut Oil is processed under strict hygienic conditions to preserve its natural aroma, rich taste, and essential nutrients.
- **Superior Quality Standards:** Multiple quality checks are conducted at various production stages, including testing for purity, safety, and compliance with applicable food safety regulations. This disciplined and systematic approach ensures that every pack delivered to consumers reflects the highest benchmarks of quality, reliability, and safety.
- **Heart-friendly cooking oil:** Our High-Oleic Groundnut Oil variant is specially developed to support heart health while delivering superior cooking performance. It helps maintain healthy cholesterol levels when used as part of a balanced diet.
- **Versatile Cooking:** Ideal for deep frying, sauteing, and daily cooking due to its high smoke point and neutral, slightly buttery flavor. It promotes overall well-being without compromising on taste or aroma.

- **Bulk HoReCa Pack:** Groundnut Oil is specifically designed to meet the high-volume requirements of hotels, restaurants, cafes, catering services, and institutional kitchens. Its cost efficiency, ease of storage, convenient to handling for large-scale users and Economical solution for professional kitchens that demand consistency and efficiency every day

Comments from Mr. Bharat Vachhani, Managing Director:

I am delighted to announce the introduction of our latest offering, **Groundnut Oil**, by Mayank Cattle Food Limited. As Managing Director, it brings me great pleasure to witness our company's continued commitment to innovation and excellence in the oil manufacturing sector.

Groundnut Oil stands as a testament to our dedication to providing products of the highest quality, crafted with both care and expertise.

Further, the launch of Groundnut Oil by Mayank Cattle Food Limited is expected to boost revenue, diversify income sources, and enhance market penetration by catering to health-conscious consumers. This move strengthens the company's brand image, provides a competitive edge, and lays the groundwork for long-term growth through further product development and market expansion.

Thank you for your continued trust and support.
