Subject: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Business Update (Distribution Agreement with Redington Limited)

Dear Sir/Madam,

Pursuant to Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time, we wish to inform you that NewJaisa Technologies Limited ("NewJaisa" or "the Company") has entered into a Distribution Agreement for Refurbished Products dated July 29, 2026 with Redington Limited ("Redington"), pursuant to which Redington has been appointed as the Company's non-exclusive distributor for its products across India.

The partnership brings together NewJaisa's refurbishment, product quality and lifecycle-management capabilities with Redington's established technology distribution network, with the objective of expanding the availability and reach of professionally refurbished computing products through organised distribution channels across India.

Under the Agreement, Redington shall have the right to resell the Company's refurbished products to dealers, resellers and end customers. The arrangement provides the Company with an additional distribution channel for its refurbished computing products.

The Agreement is entered into on a principal-to-principal basis and does not create a partnership, agency or similar relationship between the parties. The arrangement does not affect the management or control of the Company and is not a related party transaction. The Promoter/Promoter Group of the Company has no interest in Redington Limited.

The partnership is expected to strengthen the Company's distribution reach and enhance the availability of its professionally refurbished computing products across India.

A detailed Press Release in this regard shall be disseminated separately by the Company.

The above information is also being made available on the Company's website at www.newjaisa.com.

We request you to kindly take the above information on record.

Thanking you.

Yours faithfully

For Newjaisa Technologies Limited
