Subject: Akiko Global Services Limited ('Akiko Global/ the Company) Announces Major Expansion: 30 New Branches & Workforce Growth Across India and Dubai

Dear Sir/Ma'am

We are pleased to announce Akiko Global's significant growth and expansion initiatives. The company is embarking on a major nationwide rollout with 30 new branches scheduled to open across India over the next two months, with a strong emphasis on strengthening our presence in South India. These branches will allow us to deliver faster customer service within a 200 km radius, enabling quicker loan processing and an enhanced experience for our online leads.

To support this expansion, we have substantially increased our workforce growing from 600 employees as of 31st October to an additional 300 team members in the last two months. We remain on track to reach a total of 1,200 employees by 31st March 2026. Each new branch will be led by experienced professionals with strong banking backgrounds, ensuring superior service quality and robust credit evaluation practices.

Internationally, our Dubai operations continue to grow steadily. Currently supported by 150 active employee visas, our Dubai team is set to expand further with the addition of 100-150 new employees in the coming two months to meet rising business volumes and strengthen our global operations.

These expansion efforts across India and Dubai reflect the increasing demand for our financial ecosystem and our commitment to delivering excellence across all product lines. We are also advancing technologically, with the upcoming launch of AI-generated lead systems designed to further improve customer engagement and operational efficiency.

With monthly loan disbursements reaching INR 400 crore and over 15,000 monthly credit card approvals, Akiko Global continues to fortify its position as a leading and rapidly scaling financial ecosystem. We look forward to sustained growth and value creation for all our shareholders.

Please take the same on your records.
