Report on Review of Interim Financial Information

To the Board of Directors of
Service Care Limited
(Formerly known as "Service Care Private Limited")

Introduction

We have reviewed the accompanying balance sheet, statement of profit & loss and statement of cashflow (together called as 'Interim Financial Statement') of Service Care Limited (hereinafter referred as 'the Company') for the half year ended 30th September 2026. The management is responsible for preparation and true and fair presentation of the interim financial statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Regulations) Regulations, 2015, as amended. Our responsibility is to issue a report on the Statement based on our review.

Scope of Review

We conducted our review of the interim financial statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the interim financial statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Conclusion

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying the interim financial statement does not give a true and fair view of the state of affairs of the company as at 30th September 2026, and of its results of operations and it's cash flows for the six month period then ended in accordance with Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Regulations) Regulations, 2015, as amended.
