Subject: Regulation 30 of SEBI (LODR) Regulations, 2015 – Update on Operational Performance and Capacity Expansion for FY 2025–26

Scrip Code: 543874

Dear Sir/Madam,

Pursuant to Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015, we hereby submit an update on Company's Operational Performance and Capacity Expansion for the financial year 2025–26.

Maiden Forgings Limited has achieved its highest-ever production of 35,546 MT in FY 2025–26, reflecting growth of over 11.5% over the previous year, along with revenue exceeding Rs. 233 crores, registering growth of over 9.5% on a year-on-year basis along with notable progress in the B2G segment. The Company has also completed construction of its new plant, which is expected to commence operations by Q1 FY 2026–27.

A copy of the Announcement is enclosed herewith as Annexure-A

Submitted for your kind information and necessary records.

Thanking you,

**For and on behalf of
Maiden Forgings Limited**

ANNOUCEMENT

We are pleased to inform all our stakeholders that **Maiden Forgings Limited** has achieved a significant milestone in FY 2025–26 by recording the highest production quantity in the company’s history, reaching **35,546 MT**, compared to **31,879 MT** in the previous year—marking a growth of over **11.5%**.

This achievement corresponds to a revenue of **₹233+ crores**, reflecting a growth of more than **9.5%** for the organization.

During the financial year, the company also made notable progress in the **B2G segment** by securing registrations with several prestigious government organizations, including:

- Ordnance Factory, Murad Nagar
- Terminal Ballistics Research Laboratory (TBRL), DRDO
- Centre for Military Airworthiness & Certification (CEMILAC), DRDO
- Ordnance Factory Board, Kolkata (in the previous financial year)

In addition, Maiden Forgings Limited successfully executed and delivered multiple orders to esteemed B2G organizations such as **HAL, BHEL, and NTPC**.

Furthermore, FY 2025–26 has been a landmark year in terms of infrastructure development, with a strong focus on the construction of our new plant. We are delighted to share that this objective has been successfully accomplished. The new facility is expected to become operational by the end of **Q1 FY 2026–27**, with **Unit II** fully relocated to the new premises.

With this business update, we reaffirm our commitment to achieving even higher growth and building a stronger future in the years ahead.
