

Date- 11.12.2025

Share Samadhan Limited is pleased to announce that Choice International Limited (NSE Listed Company) has subscribed to the 15,00,000 (Fifteen Lacs) warrants issued by the Company.

This strategic investment marks the beginning of a long-term collaborative partnership aimed at strengthening the unclaimed investments recovery ecosystem in India. The association brings together the industry leadership of Share Samadhan Limited and the diversified financial expertise of Choice International Limited, creating powerful synergies across operations, technology, and market outreach.

The investment reflects Choice International's strong confidence in our business model, growth trajectory, and long-term vision. This partnership is expected to accelerate our expansion plans, enhance service capabilities, and deliver greater value to investors, partners, and all stakeholders.

Share Samadhan Limited views this as a significant milestone in its journey of scaling nationwide impact and pioneering transparency, trust, and efficiency in the investment retrieval domain.
