## Press Release

### **Sadhav Shipping Limited Secures ₹4.67 Crore Contract from Paradip Port Authority for Oil Spill Response Operations**

**Mumbai, February 26, 2026:** Sadhav Shipping Limited (SSL), a leading integrated maritime services company, has been awarded a prestigious contract by the Paradip Port Authority (PPA), Odisha, for the Manning, Operation & Maintenance of Oil Spill Response (OSR) Facility at North Oil Jetty including supply of required materials and work boat.

As per the Letter of Award dated February 24, 2026, the contract is valued at ₹4,67,49,240, and will be executed over a period of five years. The scope of work includes comprehensive management of the Oil Spill Response (OSR) facility at the North Oil Jetty of Paradip Port, ensuring operational readiness, environmental safety, and regulatory compliance. The mandate also covers the supply of Oil Spill Equipment and deployment of a dedicated work boat, reinforcing the port's preparedness to respond effectively to marine pollution incidents.

This contract award is a repeat order and underscores Sadhav Shipping Limited's proven expertise in maritime operations, port services, and environmental management solutions across major Indian ports.

#### **Commenting on the development, Mr. Vedant K. Choudhury, CEO, Sadhav Shipping Limited, said:**

“We are honoured to once again be entrusted by Paradip Port Authority with the responsibility of managing and maintaining the Oil Spill Response facility at the North Oil Jetty. This repeat award is a strong endorsement of Sadhav Shipping's proven capabilities and reinforces our commitment to operational excellence, marine safety, and environmental stewardship. We remain focused on delivering reliable, compliant, and technologically robust solutions that strengthen India's port infrastructure and sustainability framework.”

The contract further strengthens SSL's footprint in the eastern maritime corridor and aligns with its strategic focus on expanding specialized marine services, including pollution response and port support operations.
