## Morepen Secures Fourth Consecutive USFDA Inspection with Zero Observations (NIL 483)

### Reinforcing Global Leadership in Quality, Compliance, and Regulatory Excellence

**Gurugram, Haryana - 17<sup>th</sup> April 2026:** Morepen Laboratories Limited (NSE: MOREPENLAB; BSE: 500288) today announced the successful completion of a United States Food and Drug Administration (USFDA) inspection at its Masulakhanna (HP) facility, with **Zero observations (NIL Form 483)**.

This marks the **Fourth consecutive NIL 483 inspection for Morepen over the past eight years**, underscoring the Company's unwavering commitment to global quality and regulatory standards.

### Strengthening Quality Systems and Compliance Culture

*"Our consistent track record of NIL 483 inspections is a testament to the strength of our quality systems and our team's discipline in adhering to the highest global standards,"* said **Sanjay Suri, Executive Director, Morepen Laboratories Limited**. *"This achievement enhances our credibility with global regulators, customers, and partners and paves the way for long term supply contracts"*

The latest inspection outcome reflects Morepen's robust quality management systems, strong data integrity practices, and deep-rooted culture of regulatory compliance. The Company has consistently aligned its operations with evolving global standards, including current **ICH and CFR (Part-21) guidelines**, ensuring high levels of product quality, safety, and efficacy.

### Driving Market Credibility and Customer Confidence

Morepen continues to be a preferred partner for global pharmaceutical companies, successfully catering to **regulated markets across the US, Europe, and other geographies**. The Company exports APIs and to **over 80 countries**, supported by regular and rigorous customer audits.

The consistent success in regulatory inspections further reinforces customer confidence and strengthens Morepen's positioning in highly regulated markets.

### Digital Transformation and Data Integrity

Morepen has significantly invested in **digital systems, automation, and data integrity frameworks**, ensuring full compliance with global regulatory expectations. The Company's focus on digitalization enhances traceability, transparency, and operational efficiency across its manufacturing and quality processes.

### Leadership in APIs and Expansion into CDMO
