**COMPANY SECRETARY & FINANCE HEAD**

# Sundaram Home Finance expands to meet rising tier 3, 4 towns demand

Chennai, June 4: Coming off the heels of hitting a major 100-branch milestone last year, Sundaram Home Finance is rapidly positioning itself to capture the next wave of growth in South India's affordable housing sector. The company has announced an aggressive expansion strategy for its Emerging Business (EB) segment, designed specifically to meet the future credit demands of under-penetrated rural and semi-urban markets.

The wholly-owned subsidiary of Sundaram Finance plans to open 25 new EB branches this year, intentionally targeting Tier 3 and Tier 4 towns across Tamil Nadu, Karnataka, Andhra Pradesh, and Telangana. The EB segment which anchors the company's forward-looking strategy specializes in Affordable Housing Finance and Small Ticket Loans tailored for entrepreneurs.

By anchoring itself deeply in smaller towns, Sundaram is preparing for a long-term shift in the housing finance landscape, driven by a highly resilient rural market and an escalating demand for formal credit.

This infrastructure expansion is directly tied to an ambitious financial leap. After registering robust disbursements of Rs. 590 crores in the EB segment last year, the company is aiming to nearly

**D. Lakshminarayanan, Managing Director of Sundaram Home Finance**

double that figure, targeting Rs. 1,000 crores in disbursements for the current year.

To ensure the operational capability matches this upcoming demand, Sundaram Home Finance is executing a major talent acquisition drive. The company plans to hire roughly 300 new employees this year, expanding its existing 800-member EB workforce by over 35 percent.

Commenting on the strategic expansion, D. Lakshminarayanan, Managing Director of Sundaram Home Finance, emphasized that the company is moving past its foundational setup into a high-

growth deployment phase.

"We have established a strong foundation in the Emerging Business segment in South India," Lakshminarayanan said. "We believe there are a number of opportunities in the affordable housing segment in smaller towns in South India on the back of a resilient rural market. Our plan is to leverage the growing demand for affordable housing by setting up new branches in Tier 3 and 4 towns. We have grown steadily in the Emerging Business segment since the launch in October 2022 and believe that our current expansion will take this segment into its next phase of growth." Solid Financial Grounding

Sundaram's future-focused push is backed by an incredibly strong balance sheet from the previous fiscal year (FY26). The company recorded:

Net Profit: Rs. 282 crores  
Total Disbursements: Rs. 6,842 crores

Assets Under Management (AUM): Rs. 19,909 crores (marking a 14 percent year-over-year growth as of March 31, 2026).

With its core portfolio showing stable growth and a highly calculated expansion plan underway, Sundaram Home Finance is firmly positioning its Emerging Business division as a dominant future growth engine in the South Indian housing finance market.

# Modi to launch projects worth Rs. 18,800 cr in Gujarat

New Delhi, Jun 4: Prime Minister Narendra Modi will visit Gujarat and the union Territory of Dadra and Nagar Haveli and Daman and Diu on June 5, where he will inaugurate, dedicate and lay the foundation stone for development projects worth more than Rs. 21,700 crore spanning roads, healthcare, aviation, industrial infrastructure, tourism and maritime connectivity.

According to an official Government release issued on Thursday, the Prime Minister's visit will begin in Surat, where he is scheduled to review ongoing industrial operations and infrastructure projects at Hazira before participating in a public programme to launch projects worth around Rs. 18,800 crore.

He will later travel to Daman, where he will inaugurate the new terminal building of NAMO Airport, dedicate NAMO Hospital to the nation, and unveil projects worth around Rs. 2,970 crore. He will also lay the foundation stone for port infrastructure projects worth Rs. 885 crore in Lakshadweep.

According to the release, the projects in Surat are aimed at strengthening road connectivity, healthcare services, power infrastructure and industrial development. A key highlight of the programme will be the dedication of Packages VI and VII of the eight-lane access-controlled Vadodara-Mumbai

Expressway, which is expected to improve high-speed transportation, logistics efficiency and economic connectivity between Gujarat and Maharashtra.

The Prime Minister will also lay the foundation stone for the four-laning of critical sections of National Highway-56, a project intended to improve connectivity in tribal regions and enhance access to the Statue of Unity, one of the country's major tourist destinations.

Among the healthcare initiatives, Modi will inaugurate a 200-bed Employees' State Insurance Corporation (ESIC) Hospital in Surat. The facility will provide secondary healthcare services across multiple specialties and include a central laboratory, emergency and trauma care services, and other supporting infrastructure for workers and residents.

The release said the Prime Minister will also inaugurate major utility and industrial projects, including expansion of Gujarat's transmission network under the Inter-State Transmission System to enhance power evacuation capacity. Other initiatives include power distribution upgrades in Valsad under the Revamped Reforms-Based Distribution Sector Scheme, effluent treatment and disposal infrastructure in the Dahej Petroleum, Chemicals and Petrochemical Investment Region and Sarigam GIDC, and utility infrastructure at the Jambusar Bulk Drug Park.

In Daman, Modi will inaugurate and dedicate projects worth around Rs. 1,340 crore, including the new terminal building of NAMO Airport and NAMO Hospital. The airport terminal is expected to significantly improve regional air connectivity and support economic activity, while the district hospital has been designed to serve nearly 1,500 outpatients daily and strengthen access to healthcare services.

The Prime Minister will also lay the foundation stone for projects worth around Rs 1.630 crore in the union Territory. These include an iconic bridge, the Daman Convention Centre and a National Institute of Fashion Technology (NIFT) campus. The government said the projects are expected to boost tourism, attract investment, generate employment and improve civic infrastructure.

In addition, Modi will launch major maritime infrastructure projects for Lakshadweep worth around Rs 885 crore. The projects include the development of port facilities on both the eastern and western sides of Kalpeni Island and Kadmat Island. The planned multipurpose jetties will be capable of accommodating large passenger and cruise vessels of up to 300 metres in length and are expected to improve passenger and cargo handling, fisheries-related services, fuel distribution, ice supply and boat repair facilities.

# Anand reviews major water project

Chengalpattu, June 4: Tamil Nadu Rural Development and Water Resources Minister N. Anand inspected the construction of a new drinking water reservoir being developed at a cost of Rs.342.60 crore in the Kovalam sub-basin area covering Tiruppur and Thirukazhukundram taluks in Chengalpattu district.

The inspection was carried out

following the directions of Chief Minister C. Joseph Vijay. Officials said the reservoir will be capable of supplying 170 million litres of drinking water per day to Chennai upon completion.

The project includes the construction of a 34-km earthen bund around the reservoir and the installation of water regulators to manage floodwater efficiently.

Reviewing the ongoing works, the minister instructed officials to maintain the highest quality standards and ensure that the project is completed within the stipulated timeframe for public use.

Chengalpattu Collector M. Veerappan, MLA Vijayaraj, senior Water Resources Department engineers, and other district officials were present during the inspection.

# TAHDCO launches beauty training programme

Chennai, June 4: Dravidar Housing and The Tamil Nadu Adi Development Corporation

(TAHDCO), in association with a private company, is offering skill development training in beauty and hairdressing for Scheduled Caste (SC) and Scheduled Tribe (ST) youth to enhance employment and entrepreneurship opportunities in the beauty and wellness sector.

Chennai District Collector S. Malathi Helen said the programme includes courses leading to a Master Certification in Bridal Makeup Artistry and a Diploma in Creative Hair Dressing and Chemical Treatment. Eligible candidates must belong to SC or ST communities, have passed Class 12, be aged between 18 and 35 years, and have an annual family income below Rs.3 lakh.

The 45-day training programme will be conducted in Tiruchirappalli district. TAHDCO will bear accommodation expenses for participants and provide placement assistance upon completion of the course, with expected starting salaries ranging from Rs.15,000 to Rs.25,000 per month.

Interested candidates can apply through the official TAHDCO website, the Collector said.

# Guindy set for major multimodal transit hub

Chennai, June 4: Chennai Metro Asset Management Limited (CMAML) has signed a consultancy agreement for the preparation of feasibility and project reports for the proposed Multimodal Transit Hub at Guindy, a major initiative aimed at improving connectivity and commuter convenience in Chennai.

The Rs.76.70-lakh contract has been awarded to CBRE South Asia Private Limited. The consultancy assignment includes the preparation of a Detailed Feasibility Report (DFR), Detailed Project Report (DPR), market analysis, transaction advisory services, land-use studies, and concept plans along with statutory clearances.

The proposed hub will integrate the Guindy Metro Station, suburban

railway station, and MTC bus terminus, creating a seamless transport interchange for passengers. Officials said the project is expected to ease traffic congestion, improve traffic circulation, enhance passenger safety, and support the development of commercial infrastructure around one of Chennai's busiest transport corridors.

The agreement was signed by Sweta Suman, Chief Executive Officer of CMAML, and R. Preetham in the presence of CMAML directors and senior officials.

Once completed, the transit hub is expected to significantly strengthen Chennai's multimodal transportation network and improve last-mile connectivity for thousands of daily commuters.

Sanjay Suri highlighted ongoing capacity increases and a stronger specialty pipeline as drivers for medium-term margin improvement.

revenue: crossed Rs. 1,700 crore, up 8% year. EBITDA in Q4: Rs. 32 crore (versus Rs. 33 crore in Q4 FY25), reflecting increased investments.

Board proposes 10% dividend for FY26.

Completed fourth consecutive USFDA inspection with NIL 483 observations. Commercial production commenced under a multi-year Rs. 825 crore (USD 91 million) global CDMO mandate awarded in Feb 2026; validation batches done and initial supply schedules aligned. Capacity expansion underway from ~500 KL toward ~800 KL, with a longer-term target of ~1,000 KL. Completed pivotal bioequivalence study for Resmetivrom 100 mg covering major regulated markets outside the US.

Management said investments in manufacturing scale-up, regulated-market programmes and Devices expansion have compressed near-term margins but are aimed at supporting operating leverage, margin expansion and long-term revenue visibility. Chairman & MD Sushil Suri described the shift from a traditional API model to a manufacturing-led platform driven by long-duration customer programmes and recurring revenues. Executive Director & CEO - API
