PRESS RELEASE

## **HUL to invest up to ₹2,000 Crore in capacity expansion for Premium Categories**

**Mumbai, 18 February 2026:** Hindustan Unilever Limited (HUL) today announced a proposed investment of up to ₹2,000 crore to expand manufacturing capacity in fast-growing premium categories across Beauty & Wellbeing and Home Care liquids. This investment will be done over a period of two years across multiple locations.

The proposed investment is in line with the Company's strategy of focusing on fewer, bigger bets and strengthening its presence in high-growth demand spaces, including premium Skin care and Hair Care and Personal Care & Home Care liquids.

By leveraging advanced automation and digital technologies, the capacity expansion is expected to enhance supply-chain efficiency and agility, enabling faster response to evolving consumer needs. The initiative is aimed at building a future-ready manufacturing network that can effectively support emerging channels and high-growth formats.

The facilities under this investment will be developed in line with HUL's sustainability agenda, with a target of operating on 100% renewable energy.

**Priya Nair, CEO and Managing Director, HUL, said:** This investment reflects our strategic focus on scaling our brands and creating categories of the future to meet evolving consumer needs. It also underscores our commitment to building a resilient, technology-enabled supply chain that delivers superior value to consumers.
