Because of the significance of the matters described in aforesaid paragraphs narrating our "Basis for Disclaimer of Conclusion", we have not been able to obtain sufficient appropriate evidence as to whether the Statement has been prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India or state whether the Statement has disclosed the information required to be disclosed in terms of SEBI Regulation 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.

#### **Basis for Disclaimer of Opinion**

We draw attention to the below mentioned points pertaining to various elements of the Statement that may require necessary adjustments/disclosures in the Statement including but not limited to an impact on the Company's ability to continue as a going concern and these adjustments when made, may have material and pervasive impact on the Statement for the quarter ended June 30, 2025.

1. Audit for the year ended March 31, 2024 was carried out by predecessor auditor and had issued a 'Qualified Opinion'. The predecessor auditor had reported, non-compliance with Ind AS 37 (liabilities treated as contingent), non-compliance with Ind AS 109 (non-derecognition of financial assets), lack of balance confirmations, material uncertainty relating to going concern and inadequate disclosures relating to CIRP which have a continuing impact on the financial statements. We have been unable to obtain sufficient appropriate audit evidence regarding opening balances as at April 01, 2024, including Liabilities admitted under CIRP, financial assets subject to potential write-off, trade receivables and payables and other assets and liabilities. Accordingly, we are unable to determine whether any adjustments may have been necessary in respect of opening balances which could have a consequential impact on the financial results for the quarter ended June 30, 2025.
2. The Erstwhile Resolution Professional/management has prepared this Statement using going concern basis of accounting based on his assessment of a possible effects that will be given effect in the financial statements in view of the said approved resolution plan and accordingly no adjustments have been made to the carrying value of the assets and liabilities and their presentation and classification in the Statement. In view of approval of the Resolution Plan by Hon'ble NCLT now and subject to giving effect to the said approved plan along, we reserve our comment on appropriateness of the going concern basis adopted for preparation of this Statement.
3. Audit assertions i.e., existence, completeness, valuation, cut-off etc. with respect to majority of the assets, liabilities and certain income/ expenses cannot be concluded due to lack of sufficient and appropriate evidence. In addition, we could not obtain sufficient and appropriate evidence for adequacy and reasonableness of management estimates for various provisions, fair valuation / net realizable value of various assets etc. including our inability to carry out certain other mandatory audit procedures required for issuing audit report. These matters can have material and pervasive impact on the Statement of the Company. We draw attention to certain such matters and its consequential impact, if any, on the Statement including their presentation/disclosure:
  - a. Tangible and intangible assets: The Company has not carried out an impairment assessment of its tangible and intangible assets. Further, the physical verification of such assets has not been completed in full, including assets lying with third parties. In the absence of adequate supporting documentation and verification records, we were unable to obtain sufficient appropriate audit evidence to assess the existence,

completeness and valuation of these assets, and consequently, we are unable to comment on the carrying amounts reported in the Statements.

- b. Inventories: The Company has not conducted physical verification of inventories as at the balance sheet date. As informed to us, such verification could not be carried out due to various constraints, including ongoing legal matters and restricted access to certain locations. Further, in the absence of adequate supporting documentation and independent verification procedures, we were unable to obtain sufficient appropriate audit evidence regarding the existence, completeness and condition of inventories, including those lying with third parties, as well as their valuation. Accordingly, we are unable to comment on the carrying value of inventories reported in the Statement.
- c. Tax related balances: The Company is in the process of reconciling direct/indirect tax related balances as per books of account and as per tax records. Also, the Company is in non compliance of certain provisions of Income Tax Act, 1961 on account of non-deduction/non-deposit of TDS on provisions and/or payments made for expenses in the current financial year. Accordingly, we are unable to comment whether these balances are fairly stated in the books.
- d. Liabilities under CIRP / Resolution Plan: As reported by the predecessor auditor, claims admitted during the Corporate Insolvency Resolution Process were not appropriately recognised as liabilities in accordance with applicable accounting standards. Subsequent to the reporting period, a resolution plan has been approved by the Hon'ble National Company Law Tribunal. The Company has classified the total dues admitted of Rs.35,34,04,463.00 as contingent liability which constitutes a departure from the Accounting Standards prescribed under section 133 of the Companies Act, 2013. The amounts already accounted in the books as loans amount to ₹12,68,45,552.69 and if the company had created a provision as stated above the net loss of the Company would be ₹22,86,94,223.87. The provisions and net loss are under stated by ₹22,65,58,910.31. It is clear that it is more likely than not that a present obligation exists arising from past actions of the Company at the end of the reporting period and a reliable estimate is available. We have been unable to obtain sufficient appropriate audit evidence regarding the accounting impact of the approved resolution plan, including adjustments required in respect of liabilities, and the consequential effect on the financial statements. Accordingly, we are unable to comment on the completeness and accuracy of liabilities and the resulting impact on loss and equity.
- e. Loans and advances: As reported by the predecessor auditor, certain deposits made with a financial creditor, along with the related accrued interest, amounting to ₹1,20,80,052, had been subsumed in the claims admitted during the Corporate Insolvency Resolution Process. In such circumstances, these balances may not be recoverable and would ordinarily require derecognition. However, the Company has continued to carry these amounts in its financial statements, which constitutes a departure from the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013. We have been unable to obtain sufficient appropriate audit evidence to assess the recoverability of these balances and the consequential impact on the financial statements. Accordingly, we are unable to comment on the adjustments, if any, that may be required in respect of these balances, including the impact on assets and loss for the period.

- f. Confirmation of balances: We have been unable to obtain sufficient appropriate audit evidence in the case of debtors and creditors as stated in the financial statements. Hence, the effects of material misstatements with regard to the above could not be ascertained by us. The financial statements do not adequately disclose this matter.

### Scope of Review

We conducted our review of the Statement in accordance with the 'Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
