INDEPENDENT AUDITOR'S REPORT

To Board of Directors of **KHFM Hospitality & Facility Management Services Limited**
Report on the audit of the Standalone Annual Financial Results

Opinion

1. We have audited the accompanying Standalone Annual Financial Results of KHFM Hospitality & Facility Management Services Limited ('the Company') for the year ended 31st March, 2026 (standalone annual financial results) attached herewith being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure requirements) Regulation 2015, as amended. ('the Listing Regulations')

In our opinion and to the best of our information and according to the explanations given to us, the standalone annual financial results for the year ended 31st March, 2026:

- i. are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure requirements) Regulations, 2015, as amended; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ("Ind AS") and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information for the year ended 31st March 2026.

Basis for Opinion

We conducted our audit in accordance with the standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in our *Auditor's Responsibilities for the audit of the Standalone Annual Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the standalone annual financial results for the year ended 31st March, 2026 under the provision of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on standalone annual financial results.

Emphasis of Matters:

We draw attention to –

- a) The Company is exposed to various laws and regulations. Consequently, provisions and contingent liabilities disclosures may arise from direct and indirect tax proceedings, legal proceedings including employment/labour claims and other government regulatory matters. The company assesses the need to make provisions or to disclose a contingent liability on case-to-case basis considering the underlying facts of each litigation. As at 31st March, 2026,

the Company has ascertained contingent liabilities of Rs. 3,009.39 lakhs which includes disputed Service tax, GST, ESIC, Income Tax liabilities and bank guarantees. The eventual outcome of the litigations may remain uncertain and estimation at balance sheet date for ascertained/unascertained liabilities involves extensive judgement of management including input from legal counsel due to complexity of each litigation. But considering the facts of the case, the company and the tax advisors believe that the outcome should be in the favor of the company for its ascertained contingent liabilities.

- b) Balances of certain trade receivables, trade and other payables (including payables to micro, small and medium enterprises, capital creditors), and loans & advances are subject to third party confirmations. The management is confident that this process will not have any material impact on the financial statements.
- c) Contract Assets disclosed in the standalone financial results, where there is an area of enhanced professional judgment relating to the recoverable work in progress (Contract Assets) amounting to Rs. 3906.66 lakhs representing the value of work completed but are pending to be billed on completion of billing milestones as on 31st March 2026. Recognition of unbilled revenue and related contract assets depends on various factors and judgements, contractual commitments, shifts in the scope of work, client-induced delays, negotiation processes, and modifications to the billing cycle period including few of those which are awaiting final confirmations with clients of the company.

The management has represented that these balances are fully recoverable based on the progress of underlying projects. However, requisite provisions have been made against the same.

- d) Impact on Labour law requirements on the financial results, wherein the Company is in the process of collating information and evaluating the impact of applicable labour law provisions on employee benefit obligations as at 31 March 2026. Pending completion of such evaluation and actuarial assessment from an expert, the consequential impact, if any, on employee benefit obligations and related disclosures under Ind AS 19 - Employee Benefits has not been presently determined.

Our Opinion is not modified in respect of aforesaid Matters.

Management's and Board of Director's Responsibilities for the Standalone Annual Financial Results

These standalone annual financial results have been prepared on the basis of the standalone annual financial statements.

The Company's Management and the Board of Directors are responsible for the preparation and presentation of these standalone annual financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and

application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone annual financial results, the Board of Directors is responsible for assessing the Company's ability, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of directors are also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for Audit of the Standalone Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone annual financial results for the year ended 31st March, 2026 as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentation, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone annual financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the

company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone annual financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone annual financial results, including the disclosures, and whether the standalone annual financial results represent the underlying transaction and events in a manner that achieves fair presentation.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

2. Other Matters

- a. The standalone annual financial results include the results for the half year ended 31st March 2026 being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the first half of the current financial year which were subjected to limited review by us.
- b. The figures for the previous periods / year are re-classified / re-arranged / re-grouped by the management of the company to make them comparable with current period.

Our Opinion is not modified in respect of aforesaid Other Matters.

Emphasis of Matter

We draw attention to –

- a. The Holding company is exposed to various laws and regulations. Consequently, provisions and contingent liabilities disclosures may arise from direct and indirect tax proceedings, legal proceedings including employment/labour claims and other government regulatory matters. Contract Assets disclosed in the consolidated financial results, where there is an area of enhanced professional judgment relating to the recoverable work in progress (Contract Assets) amounting to Rs. 3941.84 lakhs representing the value of work completed but are pending to be billed on completion of billing milestones as on 31st March 2026. Recognition of unbilled revenue and related contract assets depends on various factors and judgements, contractual commitments, shifts in the scope of work, client-induced delays, negotiation processes, and modifications to the billing cycle period including few of those which are awaiting final confirmations with clients of the company.

The management has represented that these balances are fully recoverable based on the progress of underlying projects. However, requisite provisions have been made against the same.
- d. Gratuity provisions in respect of the subsidiary- KHFM Infra Projects Private Limited, where management believes there are no permanent employees and hence there are no prerequisites for actuarial valuation and related provisions. Management considers the impact on the financial statements to be not material.
- e. Impact on Labour law requirements on the financial results, wherein the Group is in the process of collating information and evaluating the impact of applicable labour law provisions on employee benefit obligations as at 31 March 2026. Pending completion of such evaluation and actuarial assessment from an expert, the consequential impact, if any, on employee benefit obligations and related disclosures under Ind AS 19 – Employee Benefits has not been presently determined.

Our opinion is not modified in respect of aforesaid Matters.

Management's and Board of Directors' Responsibilities for the Consolidated Annual Financial Results

These consolidated annual financial results have been prepared on the basis of the consolidated annual financial statements for the year ended 31st March 2026. The Holding Company's Management and the Board of Directors are responsible for the preparation and presentation of these consolidated annual financial results and have approved them for issuance, for the year ended 31st March 2026, that give a true and fair view of the consolidated net profit and consolidated other comprehensive income and other financial information of the Group in accordance with the recognition and measurement principles laid down in Ind AS prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

The respective Management and Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and respective entity and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated annual financial results by the Management and the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated annual financial results, the respective Management and the Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the respective entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Result

Our objectives are to obtain reasonable assurance about whether the consolidated annual financial results for the year ended 31st March, 2026 as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

– Identify and assess the risks of material misstatement of the consolidated annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

– Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the Group has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

– Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated annual financial results made by the Management and Board of Directors.

– Conclude on the appropriateness of the Management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

– Evaluate the overall presentation, structure and content of the consolidated annual financial results, including the disclosures, and whether the consolidated annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated annual financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable
