Press Release

Pace Digitek Secures ₹4,945 Million BESS EPC Order from NTPC; Consolidated Order Book at ₹110,200 Million

Bengaluru, 31 March 2026: Pace Digitek Limited, an integrated provider of telecom infrastructure and energy solutions, has secured a Battery Energy Storage System (BESS) EPC order from NTPC Limited for implementation at the Nabinagar Super Thermal Power Station for a 200 MW / 400 MWh deployment.

The contract, valued at ₹4,945.4 million (excluding GST), includes ex-works supply for the BESS EPC package along with comprehensive annual maintenance for the life of the system. The scope covers supply, logistics, installation, testing, commissioning and lifecycle maintenance of the BESS infrastructure, along with associated civil, structural and site works. The execution period for supply and services is ~15 months followed by comprehensive annual maintenance for 11 years.

This order reinforces Pace Digitek's ability to execute across the BESS value chain (covering end-to-end execution including supply, installation, commissioning and lifecycle maintenance) and strengthens its participation in utility-scale energy storage deployments.

Order Overview

- Total contract value: ₹4,945.4 million (excluding GST)
- EPC package for BESS implementation at Nabinagar Super Thermal Power Station, Bihar
- 200 MW / 400 MWh BESS deployment
- Scope: Supply, installation, commissioning and lifecycle maintenance
- Execution timeline of ~15 months, followed by 11-year annual maintenance

Commenting on the development **Chairman & Managing Director, Mr. Venugopal Rao Maddisetty said**, *"This order from NTPC represents a significant addition to our energy order book and reinforces our capabilities in executing integrated BESS projects. As energy storage becomes an increasingly important component of power infrastructure, our ability to deliver end-to-end execution including supply, infrastructure execution and lifecycle services positions us well for utility-scale opportunities. We remain focused on disciplined execution and expanding our participation in energy storage and related infrastructure opportunities."*

With this order, the consolidated order book of Pace Digitek stands at approximately ₹110,200 million, comprising projects across energy, telecom infrastructure, telecom power equipment and emerging railway infrastructure segments.

About PACE DIGITEK LIMITED

At the core of Pace Digitek's journey lies a legacy of innovation and commitment dating back to 2007. From its beginnings, the Company has established a successful track record in delivering projects and services across the Energy and Telecom & ICT sectors. Pace Digitek Limited and its subsidiary Lineage Power Private Limited are now leveraging this growth to make a significant impact in the renewable energy space. Our vision is to contribute to a more efficient and digitally connected nation.
