MANAGEMENT COMMENTARY

Commenting on the performance, **Mr. Neeraj Satyaprakash Goyal, Chairman & Managing Director, LAPL Automotive Limited**, said:

"H1 FY27 has been a landmark half for LAPL. During the half, we added new customers and started fresh supply programmes, and we kept investing in capacity and capabilities for the future. Our listing on the BSE SME Platform in August 2026 marks our move into the next phase of growth.

Over the past two decades, LAPL has grown from a single automotive lighting unit into an integrated manufacturer of lighting systems, motors, mirrors and components, serving OEMs across passenger vehicles, commercial vehicles, two-wheelers and electric mobility. During the half, we added a leading global automotive component manufacturer to our customer base, commenced supplies for Samarth E-Mobility's AMORE brand vehicle and received three new vendor codes from leading automotive companies.

With construction of our fourth manufacturing facility underway and a growing EV-ready portfolio, we intend to strengthen our manufacturing capabilities, expand our product range, deepen our market presence and evolve from a component supplier to a long-term OEM development partner."

BUSINESS UPDATES AND OUTLOOK

- **New Global Customer:** The Company added a leading global automotive component manufacturer, with a presence across multiple countries, to its customer base.
- **Supplies for Samarth E-Mobility:** The Company commenced supplies of mirrors, rear reflectors, USB chargers and universal blinkers for Samarth E-Mobility's newly introduced AMORE brand vehicle.
- **Headlamp Adaptation for Euler:** The Company is undertaking headlamp adaptation for an upcoming Euler vehicle model, supporting the customer's future vehicle launch.

- **BSE SME Listing:** The Company listed on August 13, 2026 through an IPO of ₹32.40 crore at ₹94 per share. The IPO was subscribed 241.38 times, and the shares listed at ₹135, a premium of 43.6% to the issue price.
- **Unit IV Construction:** The Company completed the Bhumi Pujan on August 19, 2026 and commenced construction of its fourth manufacturing facility at Chhatrapati Sambhajinagar to strengthen manufacturing, testing and in-house production capabilities.
- **Three New Vendor Codes:** In August 2026, the Company received three new vendor codes from leading automotive companies, enabling participation in upcoming RFQs and development programmes.
- **ACMA Automechanika 2026:** The Company participated in ACMA Automechanika 2026, New Delhi, strengthening its aftermarket presence.
- **EV-Ready Portfolio:** The Company offers platform-agnostic LED lighting solutions for ICE and EV platforms, with EV-segment customers secured across commercial and two-wheeler platforms.
- **Product Development:** The Company added a new bus mirror to its portfolio and successfully developed the Rear Reflector (RR), BGAUSS mirror and Splendor rotor.
