GHV Infra Projects Secures Rs. 1,250 crores EPC Contract for Expressway Project in Maharashtra

Mumbai, April 14, 2026: GHV Infra Projects Limited (“GHV Infra”), a fast-growing EPC player in India’s infrastructure and construction sector, announced that on April 11, 2026 it has entered a Construction Contract with APCO Infratech Private Limited for execution of works related to the development of expressway connectors from Jalna to Nanded, Maharashtra. Under the terms of the contract, GHV Infra shall undertake execution of construction works, including survey and investigation, design, engineering, procurement, construction, supply of plant and materials, maintenance, temporary works and all other activities necessary for completion of the project, for its allocated scope as per Construction Contract.

The total consideration of the contract is **₹1,250 crore (excluding taxes)** and the project is to be executed over a period of **30 months**. The project forms part of a key expressway infrastructure initiative in the state of Maharashtra and reflects the Company’s growing participation in large-scale transportation infrastructure projects.

Mr. Ajay Hans, Managing Director of GHV Infra Projects Limited Proudly said: “Securing this ₹1,250 crore expressway project marks a significant milestone for GHV Infra and reinforces our capabilities in executing large and complex infrastructure projects. Our integrated EPC expertise, strong execution track record and focus on quality and timely delivery continue to drive client confidence. We remain committed to contributing to India’s infrastructure growth through efficient and high-quality project delivery.”

Order Book update

The Company’s order book has witnessed strong momentum, increasing from approximately **₹9,300 crore** as on December 31, 2025 to around **₹11,400 crore** including GST till date. This growth reflects robust project inflows and reinforces GHV Infra’s healthy revenue visibility and strong execution capabilities.

This contract significantly strengthens GHV Infra’s order book and reinforces its presence in the roads and highways segment, while complementing its diversified portfolio across following sectors;

- **Infrastructure:** Highways, railways, bridges, viaducts, runways, irrigation, and pipeline works
- **Industrial:** Steel, Refinery, Power, Railway and other factories Composite Construction/EPC Packages
- **Buildings:** Residential, commercial, hospitality, industrial, and airport infrastructure
