We have audited the accompanying standalone financial statements of **SPACE INCUBATRICES AND TECHNOLOGIES LIMITED** ("the Company"), which comprise the balance sheet as at **March 31, 2026**, and the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and may not give a true and fair view due to non-provision of interest on loans, in conformity with the Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its **Loss** and total comprehensive income, changes in equity and its cash flows for the year ended on that date subject to our comments in sub clause iii and subclause iv of para 4 of Companies (Auditor's Report) Order, 2020. The company should have prepared a financial statement in compliance with IND-AS as prescribed, which may significantly affect the financial statements of the company.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Auditor's Response
<p>Loan Borrowed</p> <p>The company had borrowed Inter-corporate deposits.</p> <p>For the year ended March 31, 2026, the Company had balance of borrowed loans at Rs. 2121.04 Lakhs.</p> <p>The variety of terms that define contract of loan where terms of loans, such as repayment schedule, Rate of Interest, securities associated, overdue if any etc. This area was of most significance in our audit due to the magnitude of amount involved and there conversion of the same to equity capital. Accordingly, due to the significant risk associated in accordance with terms of applicable AS, it was determined to be a key audit matter in our audit of the standalone financial statements.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • Considered Company's loan policy and its compliance. • Assessed the design and tested the operating effectiveness of internal controls related to loans. • Performed sample tests of individual transaction and other related documents. Further, with respect to the samples tested we checked that the loans have been advanced as per the policy. • Selected sample of loans extended and checked the documents. • Obtained few balance confirmations as at the year end to evaluate loans.
<p>Fair Valuation of Investments in Unquoted Instruments</p> <p>The Company's investments in unquoted instruments (other than investment in Associates) are measured at fair value at each reporting date, and these fair value measurements significantly impact the Company's financial performance. The company's investments in associates are measured at cost, and less provision for impairment. Within the Company's investment portfolio, the valuation of certain assets such as unquoted equity requires significant judgement because quoted prices are unavailable, and there is limited liquidity in these markets. Refer to note 5(a), 7.5, and 16 to the consolidated financial statements.</p>	<p>Principal audit procedures followed:</p> <ul style="list-style-type: none"> • Understanding the process, evaluating the design, and testing the operating effectiveness of controls related to valuation of investments by management. • Evaluating management's controls over the collation of relevant information used for determining estimates for valuation of investments. • Testing the appropriate implementation of the accounting policy for valuation by management. • Reconciling the financial information mentioned in fair valuation to the underlying source details. Also, testing the reasonableness of management's estimates considered in such assessments. • Obtaining independent valuation reports for investments in unquoted instruments. However, the same were not available for our consideration. • Testing the reasonableness of management's estimates considered in such assessments. • Assessing the competence, capabilities, and objectivity of the experts used by management in the process of valuation models, if any. • Assessing the factual accuracy, the conclusion reached by management, and the appropriateness of the disclosures made in the consolidated financial statements with respect to investments.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report on in this regard.

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We have also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them

all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements

included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of internal financial controls over financial reporting

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, maintained internal financial controls with reference to financial statements as of March 31, 2026, based on the internal financial

controls criteria established by the Company, considering the essential components of internal financial controls stated in the Guidance Note.

However, we have identified certain deficiencies in the design or operation of internal financial controls that, in our view, may affect the effectiveness of internal controls. These deficiencies do not, in our opinion, result in a material misstatement of the financial statements, but could potentially impact the reliability of the financial reporting process.
